Psa 94:16 *Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?*

Chapter 1. Introduction

Today there are those who would attempt to persuade us, that there is nothing special about humans or everything else on this earth and in this universe. We came into existence by accident and are evolving to something better. To them, the fact that there is life on our planet simply occurred by chance and there certainly is no 'designer' behind all this. Strangely enough, the same do believe, that the fancy car in their driveway or their beautiful but simple watch does have a 'designer', they even know them by name and like to be showy with that. These people have chosen to believe the lie, that was introduced by Satan in The Garden of Eden. Namely, that man can become as God. Denying a Creator. They reject the facts, that one day every knee will bow to Him and that someone could execute judgement upon their behaviour. God can not and will not tolerate sinners in His perfect kingdom soon to be established. The effect of every vision is at hand. And only He decides who qualifies.

In the light of this discovery these passages in Scripture represent a significant meaning ;

Isa 44:24-25 Thus saith the LORD, thy redeemer, and he that formed thee from the womb, I am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself. That frustrated the tokens of the liars, and maketh diviners mad; that turneth wise men backward. And maketh their knowledge foolish.

John 3:16-17 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved

2 Peter 3:7-13 "But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgement...The Lord is not slack concerning his promise...not willing that any should perish, but that all should come to repentance. But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned

No ears to hear, but eyes to see?

up.....Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness."

In **Mat 16:4** Jesus says ; *A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonah. And he left them, and departed.*

All verses in this book derive from the KJV ; The King James Version of The Holy Bible.

The sign of Jonah was, that he was in the belly of the whale 3 days and 3 nights, and Jesus' body was in the belly of the earth for 3 days and 3 nights. The greatest sign of all time; after 3 days and 3 nights He was RESURRECTED from the dead! Such an important event, that even our calendar was set to zero then, starting from His date of birth. So God surely can give and prepare signs for His people. These verses undoubtedly make sense in this respect ;

Isa 7:11 *Ask thee **a sign** of the LORD thy God; ask it either in the **depth**, or in the **height** above.*

Act 17:30 *And the times of this ignorance God winked at; but now commandeth all men every where to repent:*

Act 17:31 *Because he hath appointed a day, in the which he will judge the world in righteousness by that man whom he hath ordained; whereof he hath given assurance unto all men, in that he hath raised him from the dead.*

One of the major questions at the moment of the discovery was ; "Could this discovery be contradictory to any biblical observance?" The first 'potential' risk could be, that it was contradictory to God's 2nd law of The 10 Commandments, which says ;

Exo 20:4 *Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth*

Exo 20:5 *Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me.*

When examining this Commandment in its correct observance in context, we notice, that it says “*Thou shalt not make*”, that’s us. So, **we** are not allowed to make any graven images unto us, ourselves. It doesn’t mean, that God Himself couldn’t do this, for us as a sign to glorify Himself and eliminate all excuses once and for all, to not admit frankly, that He is the Only One living God. Moreover we should ‘*not bow down*’ unto those ‘*graven images*’. And that is exactly what many pagan religions do today. It is time the Lord reveals Himself again. In chapter 2, the exact biblical proof for this prophetic event will be given.

Therefore, today The Lord is presenting another huge sign to His children, no one excluded, on this planet. A 7x7 miles wide sign in the crust of this earth at the location *in the height above* of the real Mount Sinai, called Jabal al Lawz, in Arabia. Especially for this wicked and foolish generation, that apparently needs this to be shaken awake and reconsider its ways! Visible on Google Earth to ALL and especially meant for those who have not had ears to hear yet, but hopefully eyes to see. And for those who have ears but need a hearing aid. You can’t miss this one! I like to call it also God’s last call for repentance and checkpoint if we are in THE right way. Has God prepared more signs? Future will tell.

Could it be, that our today’s perception of truth and reality is not based on real truth and reality? Could we be in error in many things? Has the real truth been covered up and changed during thousands of years? Why are we deceived? Is the majority always right? What have we learned from historical events? Which forces are at work behind all this? Is there really something like ‘the good’ and ‘the evil’? Where do we come from? Where are we going to? Do you worship that pop- or rock-idol above anything? Is the Dow Jones, Nasdaq, Hang Seng or Nikkei deciding where your life is going? If everything will be burned up anyway, what is really important in your life? What cause do you live for? When Jesus returns, you can’t look back and think about what you would pick to take along. Important questions. Did you ever ask them to yourself? If so, what did you do about it? Or are you so busy with your present idols you don’t have time to do so?

Open your ears and eyes just one time and observe critically what this discovery, and its joining messages, demonstrate and could mean to you personally. Look furthermore at what is happening around you in a

No ears to hear, but eyes to see?

religious and anti-religious sense. Are or were you involved in any occult stuff? Initially it may look innocent, but God hates the occult and it is dangerous!

I don't have all the answers, but I know, that I know that I know someone, who does have all the answers. This book and what it covers, is not about how to make you feel good on your probable way to hell, like most religious and non-religious topic books intend to do. But when this book does not strengthen or make you reconsider your present way in faith or non-believe, I failed my mission in your case! That's confronting isn't it? But I love you enough to do so. Sacred cows will be cracked here.

Indeed, some facts presented here should shock non-believers or at least confirm the foundations of present soft-believers. Fortunately, thank God for that, everyone is free to draw their own conclusions on the facts presented. Whenever facts or statements are presented from other sources, they will be verifiable by the reference or links attached to it. This does not automatically imply, that I fully agree with all the theories of these people or sources. More basic information links are presented in the attached lists of recommended Internet links as well as the references of consulted literature. Whenever possible, an ultimate effort was done.

We will not get terribly mixed up in the details about men's interpretations of the different biblical observances and traditions of Church folks. Many Christian churches have been doing that already for a too long time and invented their own ways and really got lost somewhere between Calvary, Pentecost and The Vatican. And this is what is causing the division of Churches today. This is what prevents them of being one, joined together, in the Body of Messiah, The Lord Jesus Christ.

Therefor they can't keep the Main Thing the main thing. Another book could be written on the subject of all the different theologies and religions we know today. We could compare their individual divine observances and traditions from a hypothetical point of view. But that is not where we are going here. That's the broad deceiving and easy path. A waste of time, which leads in the end to our destruction. A major goal will be first, to verify what scripture is telling us, and then expose the present status of mainly Christianity and Judaism. Just sound doctrine, from The More Sure Word.

A lot of sincere people dedicated their lives exposing things, that are considered to be the absolute truth today. Whether it be political, scientific or of religious origin. Some succeeded in their effort to find and expose the real truth and meanings on many subjects. And not always they got the credit they deserved. And there are so many visions, theories and interpretations today. Just look at the many different observances we know today within any denomination. Which ones are correct? Could even many be in error? Today and forever, the only truth I know, can be found in the Scripture. Why? Because God can not lie. Sounds childish simple, doesn't it?

We will never be able to comprehend God's holiness and love in full, but only by bits and pieces! Where necessary or inevitable to this discovery a biblical reference will be made, whether you like it or not. Always in the right context from The More Sure Word called the **KJV** (The **King James Version** of The Holy Bible). A friend of mine likes to call it "The King Jesus Version". I like that. Why KJV only? We will get to that issue in Chapter 6, with also overwhelming proof.

Secondly, it is necessary to address today's scientific and political society and establishment of which the majority seems to be sympathisers of 'Darwinism' also known as 'evolutionism'. People not supporting their theories are banished and expelled in many ways on all levels in society today. It happens to students, teachers, scientists and in the political society itself. Is that called freedom of speech or democracy? I doubt it. Evolutionism is also a religion and form of humanism desperately trying to prove that there is no God, that created all things!

Whenever they find proof in their fussiness, that God could be involved, it doesn't fit their theories and the evidence simply is rejected. But especially for this group of 'die-hards-in-Darwinism' that are deceiving many today, I strongly suggest to have a closer look at this discovery and its facts. Hopefully, they are smart enough, and they should be, to draw their own necessary and only logical conclusions.

One of my sincerest wishes is, that the Jewish community today understands the significance of this discovery and as far as they are not yet in THE way, they hopefully reconsider their present ways. It may be a very hard decision for them to do so, but it is inevitable for their own

No ears to hear, but eyes to see?

salvation! Well, where do we stand today? Aren't we all part of that wicked generation that needs a sign to be awakened, because the ears apparently malfunction?

And last but not least, many other facts will be presented. Some are not new, but get a totally new and powerful meaning and perspective in the light of this discovery. It also rehabilitates people, that were initially judged to be in error by the so called majority and critics, from either religious, political or scientific origin. That specific majority, that is supposed to be always right. Apparently not! This discovery will and can rightly divide the holy from the profane. Or the plain truth from the plain lies.

Sadly enough, today many lies are still presented as truth to our world. Freedom has become a rare treasure. The world is dependant of many electronic information systems, that in the end will lead to that globally controlled New World Order. Yes, Satan is a control freak. Today everything is about control, camera surveillance, checkpoints, ID systems, etc. Privacy is going down the drain rapidly, especially after the recently 'created' 'terrorist' threats. And therefore martial laws being passed in many countries. That means they can pick you up whenever they like, without any reason. In this respect, I would like to mention an interesting bible verse, that speaks about the end time and one of its events. Note that the RFID-technology (Radio Frequency Identification) is there to tag us all, ready to go. All we need is another similar or worse 9/11 event or a real global epidemic catastrophe threat, like the recent Chinese bird flu, by which everyone needs to be vaccinated obligatory and you probably get that chip without knowing it yourself. Just two of the many scenarios, that eventually could lead to this global NWO situation. Our pets have been the guinea pigs already for a few years. And it is coming folks, sooner than you would like. No more credit cards and id-cards. Just a tiny chip *in* our hand or forehead. Containing all the relevant information about your identity. Privacy will be zero then. Today some human projects are running. And some individuals have similar chips implanted for security reasons, as they say, like Prince Charles of Wales himself and his two sons. Pay especially attention below to the part "*that no man might buy or sell*" ;

Rev 13:16 *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.*

Rev 13:17 *And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

Rev 13:18 *Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*

Was 9/11 an inside job? I don't know. Was it part of God's progressive judgement? Most likely. There are people who think it was an inside job. If so, who is behind all this and why? Still many questions are unanswered and some evidence seems to point in a different direction. Moreover much evidence is simply gone. What happened to the debris of the Twin Towers? Where did it go? Or were the precious metals, like gold, already shipped on trucks, shortly before the planes hit? If not, were these still in the debris, who took them out? Which other important documents were destroyed in that event? Bonds any other securities or debt documents and contracts? Today everything is speculation, but if crucial evidence is taken away, it can never lead you to the real truth and facts. I do prefer to follow the evidence here in this book and see where it leads us.

Freedom and liberty, precious things. Many fought wars for that and paid with their lives. Take a look where have we arrived today? Rabbi Berel Wein said it very nicely ; “ Freedom, rather than being a permanent and expected state of being, is fragile and rather rare in human history. Therefore, because of its very fragility and scarcity, freedom has to be treasured, appreciated and constantly renewed. Every person and every society regularly requires a new birth of freedom to maintain its hard-won liberty.”

Hurricanes, like Katrina, are they part of Gods progressive judgement? Most likely. It happened just before in New Orleans the largest gay parade ever, would be held on this planet. I suggest you read **Lev 18:22** and **Rom 1:26** on this one. Remember what God did to Sodom and Gomorra? Could AIDS and other alternative lifestyle related diseases also be part of God's progressive judgement? Most likely.

One of the main reasons though this book is being written, is to also present some of the many facts to the world, that confirm God's Authority over this earth, that otherwise would stay covered up by the present global satanic part of the media propaganda-machine and existing

No ears to hear, but eyes to see?

establishment of this world. They apparently have another agenda. Secondly, to expose the status of many religious and scientific idols in today's society. Some might feel offended by that, but the truth can hurt some times. That's a fact too! Consulting hour of the heretics is over now.

The media propaganda machine is often used to manipulate men's opinion in order to serve certain purposes, to the benefit of specific groups. These are the ones, who really are in control behind the screens. That has been the case throughout history.

Melvin Sickler wrote ; “There are two groups of elite men and women in particular, that most American people do not know about, but which are a clear threat and danger to the freedom of the American people. These are the Council on Foreign Relations (CFR) and the Trilateral Commission. Right now, the United States is completely under the control of those who run these two organisations, David Rockefeller in particular. It is therefore important to understand these organisations if we wish to understand what has been taking place in the United States since the early 1900's.” The resource material, that explains in depth what these two organisations are all about, was written by Jack Newell and Devvy Kidd (*“Why A Bankrupt America?”*). And what is a threat to America is a threat to the world also.

Money is the leading source here in most cases. But that is nothing new. It's up to each individual's personal free will and choice to draw conclusions from this discovery and its joining messages. Subsequently it also needs to be said, that these messages are not intended to be imposed on anyone. Let us call it “another revelation ” or “God's last call to repentance”..... It is you, that is to make that choice here, not me.

This discovery could have never been made and documented in this way if it wasn't for God's guidance in it. Three years ago, my family dedicated itself to search out the reasons of things mainly with regard to religion and the real truth out there, in that overgrown jungle called planet earth, where the truth has been covered up to humankind for millennia. To me personally this search became a passion.

I am on the wrong side of my forties and enjoyed a 21 year carrier in many financial disciplines. At the age of 30, I was appointed Treasurer of

the Dutch subsidiary of a large Belgian Bank Group. Due to job cuts in 2005 my carrier seemed to come to an end because of developments in the financial markets and related new management views. I needed to do something about that. For years the investment business was considered to be a very profitable business in which one's status and level of integrity played a major role. There is nothing wrong in making money, as long as it respects basic integrity rules. Unfortunately, during the last years in my carrier, I experienced more and more an inner conflict arising between that level of required integrity and the employers demands, who's primarily goals seemed to be the financial gains rather than customer- and employee-satisfaction. So this situation could no longer stand and had to come to an end somehow. That nature of mine made me expose and stand up against many vain and unjust things in my environment. Mean people don't like such sincerity, it does not fit in their wicked agenda's. I have experienced people in management positions, that I would not even allow to pre-fry the French fries in a fast food restaurant, but they were the ones in charge. Liars, fornicators, hypocrites, self idolaters and malicious people everywhere. Today, I am still proud of the fact, that I exposed them with their own vanity and renounced their wicked ways and ideas, no matter what the consequences were. Maybe that's why He picked me, I don't know.....

Consequently in the summer of 2005, I had a legal matter with my employer lying at the court in The Netherlands. During that time people of a religious denomination in town knocked at our door and presented themselves. Apparently, God even can do good through the wicked. I listened to what they had to say and thanked them for their efforts and paperwork. I had a lot and I mean a whole lot of questions. I needed to find out what this was all about, I did have time now to do so, as I was of duty anyway. I knew, that somewhere we should have a bible lying around, but where? I started searching and found it quickly. As I used to put the date in every book whenever I bought one, I noticed, that we bought it 15 years earlier. This is how our adventure with The Lord really started going. Till that moment, my family was a member of the Roman Catholic Church and not practising anything.

Today my family is not a member of any earthly denomination anymore. We continue our KJV-bible studies at home and share The Word with eachother and everyone else whenever and wherever appropriate.

No ears to hear, but eyes to see?

And there is always something and someone new to be discovered in this world!

The many scandalous disclosures, during the last years, of gigantic proportions, involving billions of dollars in fraud, are proof of what kind of leadership we are really dealing with today. And the most wicked part is, that often the evil doers simply walk away with it. Just look at today's downfall in credibility of many governments and their presidents, corporate boards and management on every level, malfunctioning and committing forgery, false oaths, frauds, perjury and the list could go on for a few pages more. What we see and know is just the tip of the iceberg. These scandals, have proven, that these wicked people are practising malice everywhere. Imagine this on every crucial level in our society today, these people making important decisions, that affect you and me and our families interests every day. Indeed the saddest observation though is, that in many cases, even after being exposed, these people just walk out through the backdoor not only without the just punishments they deserve, but loaded with financial compensations too. So evilness seems to pay out well today, right? Initially that seems very unjust indeed.

In this respect, I like these verses in the short book of Habakuk in the Old Testament, which explain this aspect clearly ;

Hab 1:2 *O LORD, how long shall I cry, and thou wilt not hear! even cry out unto thee of violence, and thou wilt not save!*

Hab 1:3 *Why dost thou show me iniquity, and cause me to behold grievance? for spoiling and violence are before me: and there are that raise up strife and contention.*

Hab 1:4 *Therefore the law is slacked, and judgment doth never go forth: for the wicked doth compass about the righteous; therefore wrong judgment proceedeth.*

Hab 1:5 *Behold ye among the heathen, and regard, and wonder marvelously: for I will work a work in your days, which ye will not believe, though it be told you.*

Yes, there is so much injustice in this world today and everybody knows that. People in Africa are dying because of lack of simple clean drinking water and we in the West flush our toilets with 100% drinking water. To keep world corn prices at high levels, surplus are being wasted, fed to animals or burned in electricity works. The US federal reserve banking

system is being owned and controlled by the Free Masons. A satanic world wide cult with a ditto agenda. The problem is no one can and will stand up against this insanity. They are in control now. It all was planned for centuries. But all that will be fixed soon! I know, but they don't know yet, and probably never will.

Once you have committed yourself to diligently want to know and do what God said, things start to happen in your life. And not only the things you like yourself or the things that please you. Wisdom starts with knowing and fearing your God first and your commitment to do what He expects you to do. And that means a 100%, nothing less. No loopholes around it.

Pro 1:7 *The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction.*

Ecc 7:25 *I applied mine heart to know, and to search, and to seek out wisdom, and the reason of things, and to know the wickedness of folly, even of foolishness and madness*

Ecc 8:16 *When I applied mine heart to know wisdom, and to see the business that is done upon the earth: (for also there is that neither day nor night seeth sleep with his eyes)*

In ***Pro 2:1-22*** we find the actual context on which the 3 above are founded. I recommend to read this section in full. The main verse here explaining that divine relationship is ;

Pro 2:5 *Then shalt thou understand the fear of the LORD, and find the knowledge of God.*

I dare to say, that this is the basis where it all starts, if you are truly interested in building a sincere relationship with your Creator. The fear of God leads to knowledge and automatically to the truth.

But never forget, that Satan can also perform miracles and make you feel good or give you a burning feeling in the bosom. Fortunately only to a certain extend, because God gave him limitations too. And it is important, that we learn to distinguish Jesus' righteous ways from the deceiving wrong ways introduced by Satan, the son of temptation. And only the

No ears to hear, but eyes to see?

truth can help us there. Who is The way, The Truth and Life ? Yes, Jesus only. Amen.

Another book could be written about the situations and things, that happened to my family especially in the recent 3 years and which were the main reasons that ultimately lead to this discovery. If there is time left, I probably will, but for now Jesus' glory has the highest priority. I don't matter, but He does! And everyone needs to know Him! We need to humble ourselves in the presence of Our Lord and learn to fear Him. Look therefore at these verses ;

Gal 5:19 *Now the works of the flesh are manifest, which are these; adultery, fornication, uncleanness, lasciviousness,*

Gal 5:20 *Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies,*

Gal 5:21 *Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.*

All these things turn us away from God. Unless we repent. The bible is also clear about the source of the many problems and evil things we experience today.

1 Ti 6:10 *For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.*

Some might feel exalted because of their riches today. But not even all the money in this world can save anyone of those from judgement. There are 95 verses in the KJV that talk about riches. I picked out just a few of these verses from the New Testament, that hit the nail on the head and because Jesus spoke them himself ;

Mat 13:22 *He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.*

Mar 4:19 *And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.*

Mar 10:23 *And Jesus looked round about, and saith unto his disciples, How hardly shall they that have riches enter into the kingdom of God!*

Mar 10:24 *And the disciples were astonished at his words. But Jesus answereth again, and saith unto them, Children, how hard is it for them that trust in riches to enter into the kingdom of God!*

Mar 10:25 *It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God.*

Luk 18:9 *And he spake this parable unto certain which trusted in themselves that they were righteous, and despised others:*

Luk 18:10 *Two men went up into the temple to pray; the one a Pharisee, and the other a publican.*

Luk 18:11 *The Pharisee stood and prayed thus with himself, God, I thank thee, that I am not as other men are, extortioners, unjust, adulterers, or even as this publican.*

Luk 18:12 *I fast twice in the week, I give tithes of all that I possess.*

Luk 18:13 *And the publican, standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying, God be merciful to me a sinner.*

Luk 18:14 *I tell you, this man went down to his house justified rather than the other: for every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted.*

Luk 18:24 *And when Jesus saw that he was very sorrowful, he said, How hardly shall they that have riches enter into the kingdom of God!*

A lot of leadership today searches and tries to confirm their righteousness by their own urge for political correctness, that forms the basis of their struggle in acting. It is that same approach, that is killing and choking many societies today. Individuals and groups that stand for truth and righteousness, have become outsiders in the unfair game that is going on. Those who want to expose the truth, experience life threats or simply get killed or banished and expelled somehow.

It is obvious, that today even mostly young people simply miss or reject words like “Jesus” or “the Bible” in their vocabulary. Many are taught this wrong new world view at school. In their eyes the stories of the bible are considered to be fairy tales or just myths and not of this real world we live in today, where **WE** are supposed to be the ones that make the rules. Our society has no more room for that and often considers religious

No ears to hear, but eyes to see?

subjects to be for the retarded. Moreover, many religious organisations themselves see faith just as an extra accessory to today's instant ways of life. If you need it, just grab it for a little while, to feel happy and be saved from your alternate sinful lifestyle. And that is just the broad way leading into error teachings and heresies. Ultimately, for many of these deceived ones, meaning they most likely end up in hell. It is only God that can do this judgement. No one else can.

Anyone can find out what God's real plan is. The moment you understand that God has a plan, you cannot neglect His laws. There are 10 simple instructions, the original ones, not the manmade ones. They are called Commandments and not suggestions. (see **Ex. 20:2-17**). In case you don't have a KJV at hand, I will post them here. Compare these with your own non-KJV bible. Any significant differences, maybe in the 2nd or 4th Commandment? Ask your pastor why? If so, throw it away or better : burn it and ask your fellow believers to do the same!

Exo 20:2 *I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage.*

Exo 20:3 *Thou shalt have no other gods before me.*

Exo 20:4 *Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth:*

Exo 20:5 *Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;*

Exo 20:6 *And showing mercy unto thousands of them that love me, and keep my commandments.*

Exo 20:7 *Thou shalt not take the name of the LORD thy God in vain; for the LORD will not hold him guiltless that taketh his name in vain.*

Exo 20:8 *Remember the sabbath day, to keep it holy.*

Exo 20:9 *Six days shalt thou labor, and do all thy work:*

Exo 20:10 *But the seventh day is the sabbath of the LORD thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates:*

Exo 20:11 *For in six days the LORD made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the LORD blessed **the sabbath** day, and hallowed it.*

Exo 20:12 *Honor thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.*

Exo 20:13 *Thou shalt not kill.*

Exo 20:14 *Thou shalt not commit adultery.*

Exo 20:15 *Thou shalt not steal.*

Exo 20:16 *Thou shalt not bear false witness against thy neighbor.*

Exo 20:17 *Thou shalt not covet thy neighbor's house, thou shalt not covet thy neighbor's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbor's.*

This is where it all starts. Imagine everyone keeping these. No prisons, no killing, no families separating, no fornicators, no adulterers, no wars, no famine, no witches and sorcerers, no alternative lifestyles, no occultism, etc. And again, these are Commandments and not suggestions! Paste them on your fridge, mirror or bed today!

In case your bible shows a significant difference here, tell your pastor that Jesus said ;

Rev 22:18 *For I testify unto every man that heareth the words of the prophecy of this book, If any man shall **add** unto these things, God shall add unto him the plagues that are written in this book:*

Rev 22:19 *And if any man shall **take away** from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.*

Mat 5:18 *For verily I say unto you, Till heaven and earth pass, **one jot or one tittle shall in no wise pass from the law**, till **all** be fulfilled.*

Mat 24:35 *Heaven and earth shall pass away, but my words shall not pass away.*

Mar 13:31 *Heaven and earth shall pass away: but my words shall not pass away.*

Luk 21:33 *Heaven and earth shall pass away: but my words shall not pass away.*

To me, being a bible-corrector or -translator is the most dangerous job on this earth, don't you think so too?

No ears to hear, but eyes to see?

Also there are some six hundred other instructions in the Old Testament and some eight hundred in the New testament God gave to His people surely worth looking at. Including instructions about feasts, offerings, clean and unclean animals and nutrition, marriage and chastity, holiness, candlestick and show breads, punishments for slandering God, Sabbaths and Jubilee years, real estate laws, attitude towards the poor and needy, blessings and curses, redemption of vows, finance and money, etc. All these instructions need to be placed in the right position and context in order to understand their meaning and observance. But let us start with the not always simple task of trying to get those 10 right. Heretics assume, that much of the Old Testament is not applicable anymore. They think, the original 10 Commandments have expired and are substituted by 2 new ones in the New Testament, of which later more. Above we saw what Jesus had to say in **Mat 5:18** on this subject.

*Mal 3:6 For I am the LORD, **I change not**; therefore ye sons of Jacob are not consumed.*

God never changes and can not lie. He is a promise keeping God.

We most likely will agree, that today, everyone has his or her own view and interpretation 'of being in the world'. Oprah Winfrey openly stated in her programme ; "One of the mistakes human beings make, is to believe that there is only one way" (from the book *Ismael* by Daniel Quinn). She also said "that there are many more ways (even millions) and paths than only Jesus, that lead to what Christians call God." And that there are "divers ways of being in the world." She only quotes stuff from books out of her own e-bookshop, seldom from Scripture. Did you notice that too?

How terribly lost can someone get? Her programme is being watched by millions of people every time. It would be appropriate to openly repent on this and put the KJV on her e-bookshop list very soon and start quoting from that one. I sincerely hope and pray, that she can free herself from that bondage, she is in now. Let us see, what The More Sure Word has to say here about these lost souls, in context ;

Joh 14:3 *And if I go and prepare a place for you, **I will come again**, and receive you unto myself; that where I am, there ye may be also.*

Joh 14:4 *And whither I go ye know, and **the way** ye know.*

Joh 14:5 *Thomas saith unto him, Lord, we know not whither thou goest; and how can we know **the way**?*

Joh 14:6 *Jesus saith unto him, **I am the way**, the truth, and the life: no man cometh unto the Father, but by me.*

Mat 7:22 *Many will say to me in that day, Lord, Lord, have we not prophesied in thy name and in thy name have cast out devils? and in thy name **done many wonderful works**?*

Mat 7:23 *And then will I profess unto them, **I never knew you: depart from me**, ye that work iniquity.*

Mat 25:41 *Then shall he say also unto them on the **left hand**, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels.*

Remember that 'left hand' here. Later when we look at the images those two words become more meaningful than ever. I like to call those devil's angels ; demons. Do they really exist? Yes, we all have them in us. They are the spiritual enemies we need to battle in spiritual warfare, every day, over and over again. Ones-saved-always-saved? I guess not. Some have just a few, some a whole bunch. And if you are into any occult practising you open the door widely to them. Even looking at your horoscope is occult. Just google the Internet on Win Worley, to see proof, that demons do exist and how you can fight and win that battle. Only the power of the Blood of Jesus can help us there. It is good to know what Jesus says in this respect ;

Luk 10:19 *Behold, I give unto you power to tread on serpents and scorpions, and over all the **power of the enemy**: and nothing shall by any means hurt you.*

Let us recapitulate here. One way or many and divers ways? Ones-saved-always-saved doctrine? Do good works always save you? Where does this categorise New Age, Scientology and other similar religious 'make-you- feel- good- on- your- probable- way- to- hell- alternative- concept-offering-churches'? I leave that up to you to decide for yourself. But, no excuses for the validity of The 10 Commandments here. And these are surely not the 10 changed ones, by the Pope. There is a significant distinction between the Law of Sin and Dead and The Royal Law also known as The 10 Commandments and not suggestions, as many think today. All these deceived people are playing with fire. That messy mess

No ears to hear, but eyes to see?

needs to be cleaned up fast. Are you participant in such heresies? I wish you luck, enjoy your joyride, but I think, I know where you will end up. Some simply don't or will never connect the dots. Jesus said ;

***2Pe 3:5** For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water*

***2Th 2:10** And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.*

***2Th 2:11** And for this cause God shall send them strong delusion, that they should believe a lie:*

***2Th 2:12** That they all might be damned who believed not the truth, but had pleasure in unrighteousness.*

What an awesome consistency again here. Real Christians should pray for these people.

Your own desire and inner urge to want to know and do what God said should get you on that path of holiness. And that is when the Holy Spirit comes into action. To guide you on that narrow path and keep you there. Only possible through this interaction with God's Word. That will imply, that your own conscious is trying to tell you something else, whenever you try to do something according to The Word. And that is exactly where the real personal battle begins.

Are you sure, you have that REAL faith? Who is 'telling' or 'teaching' you what real faith is? Also called THE faith! Is the More Sure Word of the KJV your teacher or some liar for hire teaching from a profane bible? Sadly enough, many religious deceivers and liars for hire today only act to impress others and make them feel good on their probable way to hell. Do you know some of these very popular Christian people and leaders on this planet today, so popular everyone is hanging at their lips? I do. Most of them live in mansions nearly as big or even bigger than the White House itself. That's very wrong. That sounds like that camel that has a problem, Jesus talks about in **Mar 10:25**. Rat poison is 99% good food and just 1% poison, but it kills the rat, doesn't it? First the deceived animal smells good food. Then it enjoys consuming it, to discover some time afterwards, that there is something badly wrong. But it is too late.

The verdict is inevitable death. And it was just the 1% bad food that killed it. The animal could never have known the truth, because no one ever told it the truth. But gladly Jesus gave us an indispensable recipe to check out the ones who could have demons and could therefor be not of the Holy Spirit. And as said in **John 14:3** above, Jesus will come back again. Most likely, not until the gospel is preached into all the corners of the earth and the great falling away from The Faith. Here is His recipe ;

1Jn 4:1 Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

*1Jn 4:2 Hereby know ye the Spirit of God: Every spirit that confesseth that **Jesus Christ is come in the flesh** is of God:*

*1Jn 4:3 And every spirit that confesseth not that **Jesus Christ is come in the flesh** is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.*

What does your non-KJV bible say here in these verses? Something like 'has' or 'was' come? Check it out now! You notice loopholes there, or alternative observances? If yes, throw it away and say 'bye, bye' to your present denomination. Get a KJV-bible and start your own home-church!

You never know how much you really believe anything until its truth or falsehood becomes a matter of life and death to you personally. It is easy to say that you believe a rope to be strong and sound as long as you are merely using it to cord a box. But suppose you had to hang by that rope over a cliff. Wouldn't you then first discover how much you really trusted it? ...Only a real risk tests the reality of a real belief. **Do we know and understand what is at risk here at all, in this messy mess called today's world? Anyone? Well, let me tell you, respectfully, that YOUR and MINE entrance ticket to eternal life in God's new and perfect Kingdom are at stake here. But you and I still can grab it, if we make the right choices!** Jesus' hand is still stretched out for you. As it is still stretched out for me.

And the only way this is possible, is through the real Jesus Christ and not the fake one. Therefore you need to learn of Him. Who He really is, how He thinks and about His almighty power. Jesus says ;

***Mat 11:28** Come unto me, all ye that labor and are heavy laden, and I will give you rest.*

No ears to hear, but eyes to see?

Mat 11:29 *Take my yoke upon you, and **learn of me**; for I am meek and lowly in heart: and ye shall find rest unto your souls.*

Mat 11:30 *For my yoke is easy, and my burden is light.*

The only way we can learn of Him is to know what he said. Therefore one needs to read His Word. Examine yourself in the presence of God! Are we trembling at His Word or are we looking for loops around it? How do you know that you really believe?

Lots of sincere people have dedicated a major part of their lives to benefit God's glory. Without them, this discovery would have never been possible. In my family's religious voyage, that began in 2005, we came across their discoveries and theories. Just a few of those will be reviewed here, because they changed our lives and way of thinking with regard to religious, scientific, political and many other subjects. That does not automatically imply, that we do agree a 100% with anyone's theories here. But our basic urge comes from **Pro 1:7**, **Ecc 7:25** and **Ecc 8:16** as we have seen before. This also applies to the texts I quoted from other authors and sources here. They logically do not have to agree with anything in this book likewise.

Plain answers to our many questions were given because of the dedication of these people to work respectful and in humbleness and fear, for God's glory only. And not their own glory, as so many do today in vanity. Which eventually leads to establishing new manmade cults like New Age, Scientology and others.

If it wasn't for Ron Wyatt's discovery of the actual location of the real Mount Sinai in Arabia in the 80's, this discovery would have never been possible in the first place. I discussed it extensively with fellow believers on the Internet, what the purpose of this discovery might be? We initially agreed, that real faith did not require such a sign as this, but it most likely could be helpful in encouraging many others in their faith. Even for non-believers it could be that extra push they need.

With regard to publishing this discovery, we came across many opportunities and lobbied in the professional and semi-professional environment, but they did not have ears to hear and surely no eyes to see yet. I kept a list of those. But the only answer to these questions was

prayer and ask for The Lord's guidance in it. One of the reasons this book came into existence.

Many have criticised Ron Wyatt's claims to discoveries related to important biblical events. Such as, Noah's ark, The Ark of the Covenant, Jesus' actual crucifixion site, Sodom & Gomorra, The Exodus & Red Sea crossing site and much more. I strongly recommend anyone, to visit his website www.arkdiscovery.com . With regard to more information on the real Mount Sinai and its specific location. Very interesting pictures there like the mountain's blackened peak, the rock at Horeb, that was split by Moses to bring forth water and much more biblical evidence.

Creation Science Evangelism is a ministry promoting Creationism world wide through seminars and through offering a wide variety of educational material on the subject. Its founder is Kent Hovind. Unfortunately, Kent Hovind's approach and his ministry did not fit anymore in the agenda of the US-establishment. That's why he and his wife are in prison today. Since January 2007 Hovind is serving a ten-year term in the Federal Correctional Institution in Edgefield, South Carolina, for 58 tax offences, obstructing federal agents and related charges. The Satanist community is condemning and insulting the Hovinds in many ways now, mainly through the web, and especially now, when the Hovinds are not able to respond adequately. Their son Eric is presently continuing their great Creation Science Evangelism ministry. Opponents claim the Hovinds did not pay their taxes for the salaries of the staff working in their ministry. Even fellow so-called Christians condemn them now, because they did not pay the so-called Caesar's part.

Mar 12:15 *Shall we give, or shall we not give? But he, knowing their hypocrisy, said unto them, Why tempt ye me? bring me a penny, that I may see it.*

Mar 12:16 *And they brought it. And he saith unto them, Whose is this image and superscription? And they said unto him, Caesar's.*

Mar 12:17 *And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marveled at him.*

No one has ever been able to show the Hovinds that particular valid law, that should explain that obligation in their case and situation. To make a long story short, I suggest you read the "LindseyHovindTrialReport" if

No ears to hear, but eyes to see?

still available on the web at www.penaltyprotester.com. The Hovinds have created a beautiful place where children and adults can experience some of the amazing things of God's creation. The place is called Dinosaur Adventure Land and is located in Pensacola, Florida. Until their conviction, Kent and his family diligently carried on with their marvellous presentations on Creationism, Evolution and Dinosaurs throughout the USA and abroad. I am convinced they touched many hearts in doing that and still do.

On his interesting website www.drdino.com you will find comprehensive information and educative material that confirms the creation story. He debated for over 15 years many scientists and even professors on diverse subjects at many universities throughout the USA. No one ever succeeded in doubting or questioning Kent's theories and overwhelming evidence he found for creationism. Moreover hundreds of other professors and many scientists simply refused to debate him anymore. That's a nice example of working in the light, isn't it? Even in situations where their own students offered them lots of money just to debate Kent for a few hours, they still refused. Wow, that gives these people the kind of credibility they deserve. I would quit my job the same day, to be honest. But on the other hand, would you 'lower' yourself, as a respected professor, to debate an ex 4th grade highschool teacher who would show you all corners of the auditorium in front of your own students in a face-to-face one or two hour debate and actually make you look like a fool?

Today Kent's ministry is still offering USD 250.000,- to anyone who is able to present relevant proof for evolution. That's what I call commitment to what you stand for! So far no Darwinist showed up to claim it. I was wondering and please inform me if any convinced evolutionist or atheist is doing the same for someone who could show them proof for creationism. Well, I think, I would make a good chance with this discovery to collect the jackpot then, don't you think? But that's not the way I would like to go.

At the end of 2005, Jim and Betty Searcy have touched and moved my families life and hearts the most, and still do that on a daily basis. Approximately 7 years ago they left the USA definitively to dedicate their lives to God's call with them on the isle of Cyprus. In the Bible Cyprus is called Chittim. Their never ending motives and tremendous commitment to spread sound doctrine into this perverted religious and

atheist world is amazing. They have made many friends world wide in supporting people in approx. 115 countries world wide today in their faith, by The Word. And brought many lost souls to The Lord, but also made many enemies during their mission, including even personal death threats.

Secondly, they put much effort in spreading the gospel at their location to anyone, especially to Muslims, living on the Island of Cyprus. And it must be said, that these people have sold their home in Texas, left behind family and friends, to fully dedicate their lives to benefit God's call with them. No 501c3 status, no social security, no health insurance, no car, everything reduced to the bare necessities to survive. Facing challenges daily we can not even imagine. I know they have two old bicycles. Only by God's grace, they are able to make their obligatory 3-monthly trip to Athens, to get their visa extended for another 3 months. Surviving by the grace of God. Putting their lives in His hands. Oh boy, that is real faith and trust in God to me. To the average soul they might look poor, but I consider them one of the richest people living on this planet today! Even swapping with Bill Gates today, is no option to them.

Mat 6:19 *Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:*

Mat 6:20 *But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:*

Mat 6:21 *For where your treasure is, there will your heart be also.*

And as we saw earlier in some cases even your good works will not save you when done in the wrong context. What is the wrong context? The wrong way. What is the right and only way? Jesus, because He said so.

I strongly recommend, after you read your KJV cover to cover, to read Jim Searcy's book "Great Joy in Great Tribulation". Which actually proves that there is no such thing as pre-tribulation rapture. How terribly sorry for them involved, it may seem. But it is the truth. I also suggest to visit his website www.moresureword.com, which is the most perfect and most accurate and comprehensive KJV-scripture based website I know of. The information there is HUGE and confronting sometimes. In Paltalk in the section of religion and Christianity you can also visit their room "GJIGT Great Joy in Great Tribulation" when it is open. In consultation

No ears to hear, but eyes to see?

with and agreement of Jim Searcy, I have also processed some of his great texts in this book. Feel also free to add yourself via his website to his frequent 'newsletter' on many subjects, from scriptural issues to updated prophecy fulfilment.

Many and many more courageous people and good watchmen of The Lord have written great books and done tremendous jobs on religious subjects in the light of God's glory. Many people were and still are being saved because of their efforts. Their messages as well as their proof is often very profound, but simply rejected by today's establishment. I dedicate this book to those courageous people too. Nevertheless, ones highest priority today would need to be to read that KJV Holy Bible cover to cover, precept upon precept, like God commands us to do in ;

Isa 28:10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little

And not the other way around, and get stuck there for ever, preventing you from getting you to 'the precept upon precept line upon line part' at all, okay? Will you do that? Please? It took me almost a year to do that.

Only that way, a human being is able to understand the Lord's message and what He has to offer you. How He thinks, how He is and what happens when He becomes angry and why? Everything in the right context as it is meant to be. I know people, that diligently did their bible studies for 30 years, but did not read it even once cover to cover during that time. Very sad, isn't it?

I could spend a few hundred pages and maybe some extra books and a lot of my precious time in challenging and exposing today's science and religious communities. But I rather prefer to give it a short and brave try in the light of this discovery. If you have brains, you understand what I mean. I am not a scientist and probably will never be one. I am just an advocate of truth and an opponent of error teachings and ways. Now, I might get carried away once in a while, but that's me, a sinner in the flesh. That is not hate speak! That is just the pure simple truth, that everyone must hear. Forgive me, if you feel offended. But some one needs to love you enough, to tell you the truth about these things. And that can hurt sometimes. I myself, am still thankful today for those doing the same to me.

It is this discovery itself, that should stimulate many evolutionist scientists and religious leaders and atheist individuals and everyone else on this planet today, to reconsider their present ways. Nevertheless, I will deal with religious teachings within Christianity itself, that clearly are in error, as well as scientific disciplines, theories and assumptions, that are simply deceiving mankind today. Sadly enough, these are the holy cow foundations upon which many religious mainstreams and scientific theories and disciplines are still based today.

To fire up your inner urge to know more, some quick and short examples of a few sacred cows, of which most get much more attention later on ; The Nebular theory, the Big Bang, Darwinism and related scientific disciplines, appear to have more and more inconsistencies due to new discoveries. Some absolutely do not fit anymore in the theories developed due to new discoveries like the existence of DNA. And that same DNA is what Mr. Charly Darwin, who was initially a theologian by the way, before he got deceived by Satan, did not know about. Charly's theory simply doesn't make sense anymore. Moreover, Darwinism has not contributed in any way to the benefit of any other science or discipline so far. It sure came out handy for the early humanists of that time. And they created a cult out of it, which eventually 'evolved' to the related scientific disciplines we have now. Even today, evolutionists are still desperately looking for proof and missing 'missing links', wasting billions of dollars, that could be spent on a better cause. And it is a dangerous theory too.

Hitler thought, he had to manifest that superior race of the Aryan people. He said that Jews and black people were non human and ape-like creatures. Now, where did he get those ideas from? Everyone knows, that at the 1936 Olympics Hitler snubbed Jesse Owens. As the story goes, after Owens won one gold medal, Hitler, incensed, stormed out of the Olympic Stadium in Berlin, so he would not have to congratulate Owens on his victory. Apparently Hitler said, that it was not fair to have his people compete against 'this animal'. And only a few years later we know how this man wrote history. By attempting to annihilate, according to his beliefs, a complete race of 'inferior' people, in which he almost succeeded. No respect for human life at all. If you think your ancestors came from a rock, how can you respect life anyway? I suggest to turn that diligent search for the missing 'missing link' into a diligent search to know what Jesus said. I would agree calling such a science 'Jesusism' then, would you?

No ears to hear, but eyes to see?

Many supposedly found proofs for evolution have already been proven to be a fraud or a hoax years ago. I just mention here a few ; Piltdown man, Lucy, Cro-Magnon man, Neanderthal man, gill slits in human embryo's, etc., etc. What evidence is there left today, that man 'evolved' from ape-like creatures? Can someone tell me, please? Actually evolution should be offending to many Christians, because it makes our God look like a baboon. God created us in His image, as He says in Scripture.

Gen 1:27 *So God created man in his own image, in the image of God created he him; male and female created he them.*

Most sad part is, that much of this evolutionist nonsense is still to be found in many textbooks used in our children's schools today! It seems National Geographic Channel is a major editor-in-chief in spreading the heresies of evolutionism. It makes me sick to see their deceiving nonsense over and over again. That's why many people like such things as "The Da Vinci Code". It confirms their own denial of Jesus, by questioning Jesus' authority and righteousness. God forbid! Wake up humankind! How long do you still want to be deceived by that wicked establishment?

"Carbon dating is a major holy cow of evolutionism. Many examples could be given, as well as some documented, glaring failures such as live clams being dated at 1,500 years, and parchment documents from the 17th century being dated to the 4th. The point however is, that radiocarbon dating has serious problems in terms of reliability and veracity, and its use is at best quite limited. On the other hand, there is an obvious duality and division in these problems and the lack of common knowledge regarding them. It would seem, that there should be some explanation why the vast majority of society is so unaware of the unreal nature of the science behind radiocarbon dating. That is, since science is apparently clinical and without emotion, the most likely cause of the lack of knowledge of the limitations, fallacies, and vulnerabilities in this method is man himself. A manifestation of his own biases and preferences.

Another fact, which proves quite embarrassing to "old-age" proponents in regard to radiometric dating, is the half-life of Carbon-14 itself. Not only is the actual half-life length itself in some contention, but the effect it would have on the upper limits of its capability in dating, illustrates

clearly the level of **fraud** that has been foisted on an unsuspecting society.

Consider that Carbon-14's half-life is around 5,630 years (though estimates range from 5,300 to 5,700 years) in only ten cycles of this, there would be nothing left to measure in the extant specimen! This means that the absolute maximum age radiocarbon could date a specimen to, would be around 56,300 years; yet daily society is bombarded with reports that some new find was dated in the hundreds of thousands, and even millions of years using Carbon- 14. Actually, after the sixth cycle or so, there would not be enough Carbon-14 in the sample to be measured at all ; the upper limit then would be around 30,000 years." (source: *William Tripp in "The problem of carbon*).

Thousands of years of delusion have brought us where we are today. Religion as well as politics and science have evolved only partly to the benefit of humankind. A large chunk is totally off track, wicked, and wasting billions of dollars trying to proof some kind of utopias. But especially as far as science is related to evolutionism, the discovery of these images crushes many of their views. And with them, all their evil attempts trying to deceive so many. But hopefully, they will see things in the right light now real soon. Alternatively, they can also keep on looking for that missing 'missing link'. It's their choice not mine.

I like to ask questions and to question things. That's my nature. And that is what my last employer did not like at all. I asked too many questions, questioned and exposed to many things for the benefit of truth and righteousness. Many times confronting as well, while exposing and questioning the level of integrity. In the end it even cost me my job. But today, God's Word is my Teacher in this search for the truth about things and that will stay that way. No matter what! His More Sure Word, the KJV and only a KJV based translation in another language is the most consistent book available on this planet ever. As far as I know, in Dutch it is the original Statenvertaling. In French it is the Boudois and in Spanish language the Reina-Valera 1909 revision. For those, who still question The Lord's Authority after reading about this discovery, I feel very sorry. And yes, the bible is very clear about many subjects. Some things even can bring death upon a sinner. And many other unpleasant things can come upon people trespassing God's laws. You don't want God's wrath upon you. God loves us, but He hates sin.

Chapter 2. The images at Jabal al Lawz (mountain of Almonds) at the real Mt. Sinai in Saudi Arabia

Many are familiar with Incan and Mayan images and structures, that still witness their presence on this earth. From other past ‘civilisations’ we find similar ‘signs’. Some ufologists even claim we were visited at times in the past by extraterrestrials with far greater knowledge than us. I think I know someone fitting that description perfectly. Furthermore, I like to call all those images and structures ‘manmade images and structures’. Science has been studying those images and structures for a long time, from the lines and geoglyphs of Nazca and the Pampas of Jumana, the Pyramids in Egypt to Stonehenge in Great Britain and Machu Picchu in Peru. In the end more questions than answers remain.

So far, there are no known history records and facts available any older than about 4500 years ago. Could it be, that the pre-flood civilisations that lived until just approximately 4400 years ago, had more different and sophisticated overall knowledge than us today? Most likely they did. How much could you learn in 900 years of age? There is much evidence today pointing in that direction. And because they became so wicked, God had to destroy everything, except Noah and his family. These verses can give us some interesting answers here ;

***Gen 6:5** And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.*

***Gen 6:6** And it repented the LORD that he had made man on the earth, and it grieved him at his heart.*

***Gen 6:7** And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.*

***Gen 6:8** But Noah found grace in the eyes of the LORD.*

In the new testament we see a similar warning of God referring also to the return of Jesus Christ. This time not in the flesh, but as the only Creator and Redeemer of this universe! Yes, our King is coming back soon. And no one is a match to Him then. No one can and will harm Him a hair! He could just take away the magnetic flux, which law He created himself, and **every** electrical device on this planet is worthless. Even those fancy cars of ours won’t start anymore. Neither Beetle nor Ferrari.

Our satellites, GPS navigation systems, aeroplanes, Internet, cell phones, computers, credit cards, electronic banking, TV's, radios, microwaves, heating systems, air-conditioning, freezers, traffic lights, everything is dead! How much would all your stuff be worth to your neighbour then, and vice versa? Think about that, Yeshua, Jesus has the infinite power to do so. A little lesson in fearing your God here.

Moreover some scientists are predicting the worst solar storms ever in the near future. Could that be connected? I don't know, but it could make sense in this respect. We all know what happened a few years ago in North America when huge parts were just cut off from electricity due to a similar cause. Once in a while, exactly when, scientists still cannot predict, an event occurs on the surface of the Sun, that releases a tremendous amount of energy in the form of a solar flare or a coronal mass ejection, an explosive burst of very hot, electrified gases with a mass, that apparently can surpass that of Mount Everest. Solar storms have been known to knock out satellites, some power-supplies, communications and navigation systems. Many of these effects are transitory, but they can be very disruptive and potentially dangerous. Recently, it actually happened in 1989 and 1994. Solar storms caused major malfunctions to crucial communications satellites, disrupting newspaper, network television and nation-wide radio and electricity supply service throughout Canada. Millions of people experienced an electricity malfunction.

About the expected moment that Jesus will return, Scripture is also clear ;

Mat 24:35 *Heaven and earth shall pass away, but my words shall not pass away.*

Mat 24:36 *But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.*

Mat 24:37 *But as the days of Noah were, so shall also the coming of the Son of man be.*

Mat 24:38 *For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark,*

I also sent these stunning images to an organisation in Switzerland, for examination, but never got any feed back from them. For in May 2008 in Basel, Switzerland they were planning a seminar with main topic the

No ears to hear, but eyes to see?

‘World’s Mysteries’, an ideal opportunity to present this discovery. But God apparently has another plan.....

There are more signs in the crust of the earth, but surely none of this magnitude so far! This though makes everything else on this planet look pale. It is obvious, that these images are not manmade too. Considering their configuration formed by mountains, ridges and valleys. And our creator knew, that in this time we would have the ability and means of satellites and Internet to visualise these images to ALL people on this planet. Isn’t that awesome? But notice in the biblical verses below, how God has hidden this message only to be understood today. Important here is to make the link between ‘a day’ and ‘a thousand years’. The only logical conclusion would be, that this would come to pass in the 3rd millennium. And that is were we are today. 0-999 is the 1st, 1000-1999 is the 2nd and 2000 to 2999 is the 3rd millennium. In these verses we find more on when and in what status, He returns on the next 3rd day. Any attempt to put a specific date on it, will fail, as Scripture clearly tells us. My personal idea, considering the progressive judgement of God and the effects of every vision that are at hand, is that it could happen during our generation soon ;

2Pe 3:8 *But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.*

Looks like Peter is trying to tell us here, that whatever we think we know or don’t want to know, this one thing though is most important to understand prophecy.

Mar 13:32 *But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father.*

Luk 13:31 *The same day there came certain of the Pharisees, saying unto him, Get thee out, and depart hence: for **Herod** will kill thee.*

Luk 13:32 *And he said unto them, Go ye, and tell that fox, Behold, I cast out devils, and I do cures **today and tomorrow**, and **the third day** I shall be perfected.*

Zep 1:14 *The great day of the LORD is near, it is near, and hasteth greatly, even the voice of the day of the LORD: the mighty man shall cry there bitterly.*

Zep 1:15 *That day is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of darkness and gloominess, a day of clouds and thick darkness,*

Zep 1:16 *A day of the trumpet and alarm against the fenced cities, and against the **high towers**.*

Zep 1:17 *And I will bring distress upon men, that they shall walk like blind men, because they have sinned against the LORD: and their blood shall be poured out as dust, and their flesh as the dung.*

Zep 1:18 *Neither their silver nor their gold shall be able to deliver them in the day of the LORD's wrath; but the whole land shall be devoured by the fire of his jealousy: for he shall make even a speedy riddance of all them that dwell in the land.*

How would you explain “the high towers” here? I simply was stunned what Scripture says there. That’s Old Testament folks. Could it be another prophecy already fulfilled? Some occult heretics assume when Jesus returns He will be crucified again. What do you think? These people missed the clue about it all. Had too much evolutionism at school probably.

Our King is and will be perfect as said in **Luk 13:32**, that means no one or anything can harm Him when He returns. Not even all the nukes together we have on this planet today! Fill in for Herod any name or institution, government, church, country, president, King, Satan, any cult leader, TV-showmaster, whatever you like or know, that could attempt to challenge His Authority. God is in control. If Russia and or China nuke the US today, then it is God’s will!

Today and tomorrow in **Luk 13:32** above means this time, now, at this moment. Today He is curing and saving still many through His Word, and only through His More Sure Word, the KJV (Why KJV? more proof in Chapter 6) and not the manmade corrections and perversions we have so many today, God forbid!

Yes, Jesus was killed indeed, when He was here in the flesh, like you and me, born from a human mother and there was a purpose for that ;

Mat 26:28 *For this is my blood of the new testament, which is shed for many for the remission of sins.*

No ears to hear, but eyes to see?

Rom 6:6 *Knowing this, that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we should not serve sin.*

Gal 2:20 *I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.*

How can we determine what sin is today? Or do you believe that lie of ones-saved-always-saved, God forbid! What means “*that henceforth we should not serve sin.*”? Does it say here ; *The body of sin IS or MIGHT BE destroyed?* Don’t think we have a license to keep on sinning. We all are still in the flesh. Check out the rules He gave us in **Exo 20:1-17**. Just 10 simple basic instructions called Commandments and not suggestions, as many think today. Watch out you don’t mix them with the 10 manmade ones, okay? Sunday or Saturday, what do you think? I leave that up to you. For those who think they are doing right at this moment, I would suggest to be humble and look out for those false prophets. Let us see, what the real Jesus has to say about that ;

Mat 11:13 *For all the prophets and the law prophesied until John.*

Luk 16:16 *The law and the prophets were until John: since that time the kingdom of God is preached, and every man presseth into it.*

Clear now? Any loopholes here?

Later more about repentance and faith, that will clear things up. Jesus is our Mediator now. Every new sin we commit needs to be brought by repentance under His blood to be saved. The ONLY way.

1Co 2:7 *But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory:*

1Co 2:8 *Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.*

1Co 2:9 *But as it is written, **Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.***

Has God prepared some things for us? Yes, like He prepared things for past generations. We can read about them in His Word. What could He have prepared for us then? That wicked generation called ‘us’. Like in the

times of Noah, just before God destroyed everything by the flood, except Noah and his family. Most likely, the people of that time also thought that Noah had gone nuts. These images belong to those things God prepared for us **to see with the eye**, and for those who love Him. How do you know you love Him? Let us see what Jesus said about that ;

Joh 14:15 *If ye love me, keep my commandments.*

Which Commandments, the 2 or the 10? Does He say ‘suggestions’ here? And surely these are not applicable only for the Jews, they are for every living soul on this planet. In one of the following chapters, I will try to make this understandable by using the traffic legislation. Keep this in mind. If you think 2? Then throw away the old testament, okay? Jesus says:

Mat 5:17 *Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill.*

Mat 5:18 *For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.*

Did He come into the world to do away with the law? Did He change it? Did He just change a few words here and there? The answer to all these questions is NO. And Jesus is talking business in these next verses **why He came** to this world in the flesh. What His mission was. There was a purpose. And that purpose was to separate the holy from the wicked! And offer salvation to those who have ‘ears to hear and eyes to see’.

Mat 10:34 *Think not that I am come to send peace on earth: I came not to send peace, but a sword.*

Mat 10:35 *For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter-in-law against her mother-in-law.*

Mat 10:36 *And a man's foes shall be they of his own household.*

Mat 10:37 *He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me.*

Mat 10:38 *And he that taketh not his cross, and followeth after me, is not worthy of me.*

Mat 10:39 *He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.*

No ears to hear, but eyes to see?

Wow, that's heavy stuff here. What choices will you make? Many will not like this. No loopholes here. No self interpretations here. Never forget, if anyone or our pastors can not finish or close any religious interpretation sentence with, "because God said so" or "because it is written" in the KJV, run away from them! Now, let us see what Jesus says about himself, **who He is** ;

Rev 1:8 *I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.*

Rev 1:11 *Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.*

Today, that is to all churches, from the Pentecostal to The Vatican, even your church and mine at my home included!

Rev 19:13 *And he was clothed with a vesture dipped in blood: and **his name is called The Word of God.***

Rev 21:5 *And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.*

Rev 21:6 *And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.*

Rev 22:13 *I am Alpha and Omega, the beginning and the end, the first and the last.*

Joh 1:1 *In the beginning was **the Word**, and **the Word** was with God, and **the Word** was God.*

So, Jesus is also called The Word according to **Rev 19:13**, right? In case you didn't know, Alpha and Omega are the first and last letter of the Greek alphabet. What does that make Jesus? The archangel Gabriel or Michael? God forbid! What does He represent? Yes, it was Jesus, Yeshua (Hebrew for Jesus) that spoke from that burning bush to Moses. It was Yeshua who gave Moses the 10 Commandments, that are still valid today. They are part of the Ark of The Covenant forever and ever. Or is

there a new ark with the 2 Commandments? And it was Yeshua who taught Torah (the first 5 books of the KJV) to Moses. It was Yeshua, Jesus, who created all things, amen! You can see that glorious King here in one of these images. The biggest image of all in that 7 by 7 miles signature of our Creator and Redeemer in the crust of this planet! That makes sense, doesn't it? No wiggle room here. Jesus said ;

Mat 11:27 *All things are delivered unto me of my Father: and no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal him.*

Luk 10:22 *All things are delivered to me of my Father: and no man knoweth who the Son is, but the Father; and who the Father is, but the Son, and he to whom the Son will reveal him.*

Joh 10:17 *Therefore doth my Father love me, because I lay down my life, that I might take it again.*

Joh 10:18 *No man taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my Father.*

Let us do this one again too, because I like it so much,.....

Joh 14:6 *Jesus saith unto him, I am **the way**, the truth, and the life: **no man cometh unto the Father, but by me.***

Still doubts who Jesus really is? How many ways? Many, millions, different ways,.... or just one?

For those who think they must skip Jesus and talk directly to the Father or think there is an exclusive right attached to pronouncing a name or that Jesus is the archangel Gabriel or Michael, this must be said ; “Better burn that most perverted of all perverted bibles of yours”! And check out what happened to those, that were in your secret bible translator committee of your New World Translation! That supposed fairy tale you call your bible.

Let us say it openly in the light here. The truth is, that the translation committee was headed by Frederick W. Franz, who at that time, was vice-president of the Jehovah's Witnesses. Other members included

No ears to hear, but eyes to see?

Nathan H. Knorr, who was president of the Jehovah's Witnesses, Albert D. Schroeder, George D. Gangas and Milton Henschel.

During a court trial held in Scotland in 1954, during the same period that the New World Translation was being made, Franz was asked if he had made himself familiar with Hebrew. His reply was "Yes." He also acknowledged under oath, that he could read and follow the Bible in Hebrew, Greek, Latin, Spanish, Portuguese, German and French. The following day, during the same court trial, his linguistic abilities were put to the test. He was asked to translate Genesis 2:4 into Hebrew. He failed the test, as he was unable to do so. In fact he did not even try, but rather stated ; "No, I wouldn't attempt to do that." (*See, Court of Session, Scotland - Douglas Walsh vs. The Right Honourable James Latham Clyde - November 1954*). The translation committee is guilty of inventing non-existent Greek grammar, and then follows these made up rules only when necessary to support the theology of the Watchtower and inserting words into Scripture that change the meaning of God's Word. If there is one denomination in which shoes I surely don't want to be on judgement day, then it is yours. But I love you enough to confront you this way.

Jesus warns everyone of us, no one excluded, against all the evil doctrines, when He says ;

Mat 7:15 *Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.*

Mat 7:16 *Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?*

Mat 7:17 *Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.*

Mat 7:18 *A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.*

Mat 7:19 *Every tree that bringeth not forth good fruit is hewn down, and cast into the fire.*

Mat 7:20 *Wherefore by their fruits ye shall know them.*

That is sad, isn't it? Because of that, the works of those are dead also, according to **Mat 7:22-23** earlier mentioned in Chapter 1! Very, very sad, all that wasted time and ringing of doorbells... Satan got many millions of you really deceived. Now it makes sense to me, why your doctrine neglects the existence of hell, more than ever! Better repent now! For

everyone of you, the real Jesus still has a stretched out hand too, have a look.

How terribly lost are those Mormons, who think they become a God themselves and will live on their own planet? That sounds more like a Superman comic to me. How terribly deceived can you get. I would like to have seen Joseph Smith running with those 250 pounds heavy golden scripture templates under his arm. Anyone seen it ever? He surely must have been Superman. Oh boy! For you, He still has a stretched out hand too, look below at His images. What an awesome God we can serve!

Today the world believes and even is convinced, that the biblical mount Sinai is located in the Sinai peninsula west of the Red Sea. Millions of deceived ones visit or gather there every year for pilgrimage purposes. Unfortunately, this is the wrong location. The real Mount Sinai is located where the present mountain Jabal al Lawz (or Jabel el Lawz) is, located in present Saudi Arabia. Now, the really smart ones amongst us might say, “well, that is not a scriptural match.” My answer to them is ; “that during millennia, geographical names of countries and locations changed many times.” Can anyone explain me the difference between Arabia and Saudi Arabia?

But let us follow the evidence where it leads us and stay on that **narrow path of truth** with the help of the Spirit of Truth. There are almond trees on that mountain, and according to the biblical account, Aaron's staff that budded was made of almond wood. The Arabic word for Almond tree is Lawz. So in English language the translation of this mountain would be Mount of Almonds. Local people though, strangely enough, call ‘their’ mountain still Mountain of Moses. Why would that be?

Below you will see my personal text, that originally was published on Jim Searcy's website www.moresureword.com. If it wasn't for his request, I probably had never written down anything, but the images and that commentary I wrote are there and I can't change it anymore. This commentary I wrote the day after the discovery on the 2nd of August 2007. Published 4th of August 2007 on that website. Amazingly on Ron Wyatt's birthday, as we found out later. The original text can be found on that website, including the initial images. Today we have much more sophisticated analysed pictures available. Attached there is also Ron

No ears to hear, but eyes to see?

Wyatts description of Jabel el Lawz. What follows is a copy of that original text in its original format ;

Images of JESUS and Satan discovered at Jabel el Lawz **Belgium, 2nd August 2007, published on Internet 4th August 2007**

To any Jew, Christian, Muslim and every other inhabitant of this planet,

If anyone needs full credit for this discovery than it's our Lord Jesus Christ, our ONLY creator, saviour and redeemer, who is The I AM and the Alfa and Omega. He created ALL things, so let this be an ultimate message to all evolutionists and other mislead people that are on Satan's way of self-destruction. All who are not in THE Way, by ignorance or willing ignorance, and are therefore on Satan's way of self-destruction need to see this ultimate show and tell last call to consider your ways. They haven't had ears to hear yet, but The Lord is giving them a last call, with His ultimate show-and-SEE demonstration, as He promised to us.

2 Pet 3:8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

Exo 19:10-11 And the LORD said unto Moses, Go unto the people, and sanctify them to day and tomorrow, and let them wash their clothes, And be ready against the third day ; for the third day the Lord will come down in the sight of ALL people upon mount Sinai.

Hosea 6:2 After two days will he revive us: in the third day he will raise us up, and we shall live in his sight.

Question : If you understand the meaning of this discovery, do you believe then that the one who did this is also able to preserve His Word,

The one and only HOLY SCRIPTURE on this planet! Seven times purified as He promised to us? (KJV Psalms 12:6-7) And no manmade corrections, God forbid!!! For those I do not want to be in their shoes on judgement day!!! But also for them there is hope, HALLELUJAH !!! We are all sinners.

(KJV 1 JOHN 1:8)

Sinners cannot exist in the presence of God. (KJV 2 THES 2:8). If we have not gone to the Father in the name and Blood of His Son, Jesus,

we will die, unless we REPENT !! Stop pointing our fingers at others, LOOK AT YOURSELF and your status in the presence of God

Question : Why have we gotten into trouble so much today? Climate, wars, idolatries, pestilences, diseases, starvation, all nothing to be proud of, and still we are looking for a TECHNICAL solution, but there is none but GOD! Why? Answer : because we have forgotten His Word and do not keep His 10 Commandments, which are for ALL people on the face of this earth ! But remember dark forces (New world order, Free Masons, Illuminati, etc) are at work to prevent anyone from knowing the Truth

When I got up this morning I started as usual my computer to see the news and if there were any emails. Then it came up to my mind to search Google Earth if I could find this mountain called Jabel-el-Lawz in Saudi Arabia, discovered and claimed by Ron Wyatt to be The Lord's mountain or better called mount Sinai where The Lord wrote his Commandments in stone to Moses. I thought this is actually a significant place, because the Lord revealed Himself and gave us the basic rules of living written ever, the 10 Commandments. The discoveries of Ron have always intrigued me but as The Lord commands us we have to search out things whether they are true (**KJV Eccl 7:25 "I applied mine heart to know and to search, and to seek out wisdom, and the reason of things") and be ready to answer non-believers.**

(KJV 1 pet 3:15 "But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you)

"I feel greatly privileged to be directed by The Lord to this amazing discovery, which, Lord willing, needs to be told to the world. My prayers are with The Lord so he may guide and protect anyone by His Angels who is involved in this revealed Mystery of the ages".

The moment I actually started my search on Google Earth I noticed, that there were a few purple dots on the charts of Google Earth, zooming in they revealed the names of the spots. There were, mt. Sinai (the wrong one) and Jabel el Lawz, the actual God's mountain. When I was zooming in on Jabel el Lawz, I got struck by a face appearing in front of me, a closer look confirmed that this looked like The Lord's face as we know it from many images. First I noticed only a bust, but later it appeared to be a man figure holding a scroll in His left hand and dressed in white

No ears to hear, but eyes to see?

clothing. Studying the site more I discovered that He is wearing a crown and that from His crown a serpentlike line (river?) went up to an image of Satan. Apparently symbolically claiming for His crown. There are several crosses present too. I couldn't think of any better symbolical way to express today's situation in the world. Studying more, other things started to appear and I marked them on the picture with a photo adaption program called Paint. I know there is more, and probably a more skilled research is required. But most important **NOW** is the basic message / picture that it is there on Jabel el Lawz and I can't change it. The chances of being this a coincidence are like finding a sixpack on the moon, I guess! But I warn everyone, that dark forces will do anything to prevent this from being made public. I ask everyone who gets involved in this to diligently pray for guidance in this case, we have only one shot left!! Maybe it's time we get to that mountain (and all it's evidence) to legally claim what's our Creators' today and FOREVER!

Is a sign 7 by 7 miles wide sign big enough to make you reconsider your present ways? If not, your future does not look good to me. But it's up to you, just a matter of choice, **YOUR CHOICE** and the good message is you are free to do so,...(text of this passage was changed April 21st 2008)

Praise our Holy one, rebuke Satan in the Name and Blood of his Son Jesus, as long as you can, and you will if you do, because He said so,.....

AMEN

(end of original text 3rd Aug 2007)

**Ron Wyatt gave the following evidence and much more to
understand
that the biblical Mt. Sinai is Jabal al-Lawz**

A desert is behind it
It is located in ancient Midian
This places it Arabia Petraea, thereby agreeing with Josephus and Philo
and, in common with the southern Levant.
The Sinai Peninsula is on the migration path of Quail
It is not part of Egypt or its dominions
There is evidence of an ancient spring Meribah located there.
The volcanic peak is blackened

Jehoiada Nesnaj

The rock contains a cleft like the biblical description of Mt. Sinai
To this day remains a large altar at the foot of the mountain
That altar is covered in calf drawings, consistent with the biblical account
of the sinful Golden Calf idolatry
There is a cave in the mountain fitting the description of Elijah spending
the night on Horeb.
There is a bush on the mountain that is over 2000 years old.
There are almond trees on the mountain, and according to the biblical
account Aaron's staff that budded was almond wood.
There are large specifically placed rock boundaries at the base.
The biblical narrative states that the base of Sinai was marked out.

When the images of Jesus and Satan were shown to a 10 year old girl and she was asked what she saw, she answered ; “Well, hhhmm, that’s a king with a crown and attached to that crown is a balloon with an ugly face on it.” And pouf gone she was again, back playing with our 2 daughters. I was knocked of my socks. Satan is making plans to rule the world. He wants to take Our Kings crown! And for that purpose he needs wicked people. And some of them don’t even know themselves, they are supporting the enemy’s cause. Even Christians. Yes, it all comes down to that battle of God verses Satan, or Creation against Evolution, or Christ against anti-Christ! Or ‘good’ against ‘evil’. And if you have read that last chapter of Revelation, you will know who will win that battle. That should be very bad news for all convinced occultists, witches and sorcerers and similar satanists. You like Heavy Metal and similar occult music? Did you ever have a closer look at the album covers of these bands? You like fortune telling or talking to ghosts of the dead? You like occult symbols and have them carved into your body? You have another alternate way of life? Our duty as real Christians is to pray for and share the gospel with these lost souls.

A closer investigation of the images reveals only confirmation of important biblical events and symbols! This location is undoubtedly the real biblical mount Sinai. Just the fact, that these images are present at that real mount Sinai fitting every biblical description, is simply stunning. Also the prophetic character is amazing. The image of Jesus present, long before He was born. That is just stunning. Another proof of God’s power and Authority over this planet and Jesus’ position therein.

No ears to hear, but eyes to see?

There is the presence of the rock split by Moses, discovered by Ron Wyatt. Moses' altars in- and outside the encampment. Different boundaries and many specific water wells. There are the remains of 12 boulders representing the 12 tribes. The altar, where the Golden calf incident took place and its specific calf drawings, is present. A very old bush on top of the mountain, etc., etc. Check them out at the website www.arkdiscovery.com. When Ron Wyatt initially discovered this location and informed the Saudi authorities about it, they quickly fenced the location and secured it with permanent surveillance. There is also a large sign prohibiting anyone to enter the site. Why would they do such a thing?

Again, it needs to be said, that all archaeological credits for the initial discovery of the exact location of the real Mount Sinai go to the amateur archaeologist Ron Wyatt, who passed away in 1999 and spent several months in a Saudi prison together with his sons, because they had to enter Saudi Arabia illegally in the 80's. Ron is criticised by many, but herewith rehabilitated fully today. Thank God! Years after Ron's discovery, media pirate Bob Cornuke apparently 'revived' Ron Wyatt's discovery by documenting on film, the same discovery now called "discovery of the real Mount Sinai". Still today totally neglecting the fact Ron being the first and no tribute to or a single word about Ron. But what does it matter. We know them by their fruits, right? There are many biblical discoveries, still refuted by the majority today. Probably it is time to have another closer look now, don't you think?

At what specific time the images were put there Scripture should be able to tell us. Most likely, they were created during the Moses era. The time Moses received The 10 Commandments at that specific location. If the images were put there before the flood it would be most incredible. Let us see what Scripture tells us about that event of Moses on the mountain.

Exo 19:16 *And it came to pass on the third day in the morning, that there were thunders and lightnings, and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that was in the camp trembled.*

Exo 19:17 *And Moses brought forth the people out of the camp to meet with God; and they stood at the nether part of the mount.*

***Exo 19:18** And mount Sinai was altogether on a **smoke**, because the LORD descended upon it **in fire**: and the **smoke** thereof ascended as the smoke of a furnace, **and the whole mount quaked greatly**.*

***Deu 4:10** Especially the day that thou stoodest before the LORD thy God in Horeb, when the LORD said unto me, Gather me the people together, and I will make them hear my words, that they may **learn to fear me** all the days that they shall live upon the earth, and that they may teach their children.*

***Deu 4:11** And ye came near and stood under the mountain; and the mountain **burned with fire** unto the midst of heaven, with darkness, clouds, and thick darkness.*

***Deu 4:12** And the LORD spoke unto you out of the midst of **the fire**: ye heard the voice of the words, but saw no similitude; only ye heard a voice.*

That mountain Jabel el Lawz has still a large blackened peak today. On Ron Wyatt's website the pictures show that clearly. That fire, smoke and trembling of the mountain probably was the moment the images were formed. But does that really matter? It probably would take a billion craftsmen a thousand years to chisel this one. If it would have been possible at all, because it only makes sense when seen from above at very high altitudes (45.000ft). Only an astronaut could have made sense here.

The overall picture and the position of the individual images in it, will be presented at the end of this chapter in landscape setting in two full page black & white pictures. But before that, it is necessary, we examine the individual images first. I like to notice, that the individual pictures have different sizes and are close-ups and do not resemble the actual size in the overall picture. Also their interconnected meaning will be discussed. But words simply fall short every time we examine them. Just let the images speak to you themselves. It is awesome! Nevertheless, not everyone sees them the 1st time. Therefore 2 identical images of which 1 is outlined.

It also needs to be said, that these images are taken from the edition of Google Earth Pro under a granted license for publishing and sharing images. Nevertheless, an ultimate effort was done to inquire if Google Earth or any other party have copyrights on the images. Copyright claiming parties, appearing on every individual image in this case, are DigitalGlobe®, TerraMetrics®, Tracks4Africa® and Europa

No ears to hear, but eyes to see?

Technologies®. They all have been contacted and granted permission to publish the requested images in this book.

Google Earth offers divers possibilities to study any location on planet earth as long as it is a non-prohibited area, unlike prohibited military basis and other strategic locations. In this program it also is possible to measure the actual sizes of objects and linear distances from point A to point B. That is how the sizes of the individual images were determined as well as the overall size. Google Earth points the co-ordinates of Jabel el Lawz as follows ; $28^{\circ} 40'$ North and $35^{\circ} 18'$ East. Altitude 7700 feet.

Another interesting feature is, that the 7 images all together fit in a 7 by 7 miles square and that they are only formed by mountains, ridges and valleys and at quite different altitudes, even within every image itself. The colour distinctions of the granite rock are amazing too, especially when we take into account the huge sizes we are talking about here. I think even Bob Ross would be jealous on this mega-masterpiece. And last but not least, the images withstood the elements for at least a few millennia. And still they are visible. Imagine if they were formed in the pre-flood era.

It is no coincidence, that there are 7 images present at that Holy place. Every single one representing important and crucial events and stories about mankind, as recorded in Scripture. It's Scripture put in the crust of the earth, visualised in 7 images, a symbolic summary so to say. We can find in that 7 by 7 miles square the following images ;

1. King Jesus **2.**The shin sign, proof of trinity **3.** Moses holding the 10 Commandments **4.** The lion of Judah **5.** The Menorah or seven branched candlestick **6.** That ugly face of Satan, the serpent. **7.** The cross.

The images are at best when they are observed in a 90 degree angle to the earth's surface. A 3D closer view and tour makes you speechless of what God did here. Any other angle gives a mere distortion of the images, but still meaningful. It is amazing though how the images change and submerge into the mountains and ridges by which they are formed when you look from different angles at which you can see the horizon too. Only significant from a certain altitude angle at a certain height. Magnificent!

God knew that a to Him simple as a pimple and to us complex satellite today would catch that image under a specific angle in a specific north south alignment. To be almost directly observed as it is today. **Formed by mountains, valleys and ridges.** Almost holographic sometimes. Just awesome! I wonder how long these images stay verifiable by every person on this earth, before some evil forces take them away or make them inaccessible. Therefore my request to anyone who has access, or knows someone who has access to better high resolution images through NASA or any other military satellites, to secure and document these images as long as it is possible, for mankind's sake. I surely would appreciate them being send to the address on the website mentioned on the back cover of this book.

The Location :

A few distinctive verses that point out to this specific location are;

***Psa 24:3** Who shall ascend into the hill of the LORD? or who shall stand in his holy place?*

***Psa 68:17** The chariots of God are twenty thousand, even thousands of angels: the Lord is among them, as in Sinai, in the holy place.*

***Gal 4:22** For it is written, that Abraham had two sons, the one by a bondmaid, the other by a freewoman.*

***Gal 4:23** But he who was of the bondwoman was born after the flesh; but he of the freewoman was by promise.*

***Gal 4:24** Which things are an allegory: for these are the two covenants; the one from the mount Sinai, which engendereth to bondage, which is Hagar.*

***Gal 4:25** For this Hagar is mount Sinai in Arabia, and answereth to Jerusalem which now is, and is in bondage with her children.*

***Gal 4:26** But Jerusalem which is above is free, which is the mother of us all.*

Here we also find the confirmation that Isaac is the heir of God's promise. An heir of God through Jesus Christ. An heir of the Holy Spirit by promise. Isaac was not the one born of the flesh but after The Spirit of God.

No ears to hear, but eyes to see?

1. Image of The Lord Jesus Christ

Who is Jesus? What is it He wants to be for us? In chapter 3 'Logical consequences' we get deeper into this subject and open many eyes to the Real Jesus or Yeshua (in Hebrew) and not the fake one.

We notice a Kings figure with all the ingredients for a king present. Kings clothing. A crown. And He is holding something that looks like a scepter, scroll or sword in his right hand (seen from His perspective). His left hand is stretched out and the impression on His face is somewhat reprimand and at the same time merciful. The actual size is approx. 4.5 miles in height and 2.7 miles wide, from shoulder to shoulder. It also is the largest image of all. The outline is also totally different from the surrounding areas. Very distinct. Mostly white, clearly distinguishable from its surrounding areas. This is The King of God's new Kingdom to be established soon. The little white dot is Google Earth's place mark of Jabal al Lawz.

White clothing / King's garment ;

Another special feature to be noticed is the fact, that Jesus garment is like the one of a King. Even the colour is very distinct from the surrounding area. Jesus is dressed in a **white** King's garment. What do we find about white garments in Scripture? There is a lot information but let us look in this respect at the most important ones and their meaning :

Dan 12:10 *Many shall be purified, and made **white**, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.*

So we shouldn't worry too much about the wicked. Help those who have ears to hear and eyes to see. Those who are hungry for His Word.

Mar 9:2 *And after six days Jesus taketh with him Peter, and James, and John, and leadeth them up into a high mountain apart by themselves: and he was transfigured before them.*

No ears to hear, but eyes to see?

Mar 9:3 And his raiment became shining, exceeding **white** as snow; so as no fuller on earth can **white** them.

Mar 9:4 And there appeared unto them Elijah with Moses: and they were talking with Jesus.

Rev 3:4 Thou hast a few names even in Sardis which have not defiled their garments; and they shall walk **with me in white**: for they are worthy.

Rev 3:5 He that overcometh, the same shall be clothed in **white** raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels.

Rev 3:18 I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and **white** raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eye salve, that thou mayest see.

Rev 7:14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them **white** in the blood of the Lamb.

Rev 19:8 And to her was granted that she should be arrayed in fine linen, clean and **white**: for the fine linen is the righteousness of saints.

Rev 19:14 And the armies which were in heaven followed him upon white horses, clothed in fine linen, **white** and clean.

We see that angels appear in white garments too. These verses above refer to Jesus or His elect people. So that colour white has surely a significant meaning here. And Our King in this image is clearly dressed in white on that mountain. Hallelujah!

The crown ;

Rev 14:14 And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle.

Notice that the crown is at an altitude of 7700 feet. The highest altitude in this image at all. Even of that entire area of 7x7 miles. Furthermore the crown shows a diadem too. Which excludes for a 100 % the option of being it a thornecrown.

Isa 28:5 *In that day shall the LORD of hosts be for a crown of glory, and for a diadem of beauty, unto the residue of his people,*

The scepter, scroll or sword? ;

We could discuss here any of the possibilities, a sword or sickle, a scroll, a scepter whatever. Apparently, they all could make sense. But a scepter, from a righteous King's perspective would make the most sense. The day I discovered the images my first impression was, that it could be a scroll. In the book of Ester we can find some clues. There would wait a death sentence to anyone approaching King Ahasuerus without his own approval. But when Ester approached him even unasked, he reached out his scepter and was prepared to give her half of his kingdom. There is a profound message in this. Esther was prepared to put her own life at risk to expose the truth. Let us see what The More Sure Word has to say here.

Est 4:11 *All the king's servants, and the people of the king's provinces, do know, that whosoever, whether man or woman, shall come unto the king into the inner court, who is not called, there is one law of his to put him to death, except such to whom the king shall hold out the golden scepter, that he may live ;*

It sounds to me like “that a King's scepter can bring judgement upon someone”. In that case, of course it would be handy to have one on judgement day itself, right? The King is the one who makes the rules, right? He is the one who executes judgement, right? He decides who done right or wrong, right? According to His rules, right? Permit me to say ‘laws’ here too. That is what my daughters already knew. I asked our girls of 10 and 12 years old to make a list of characteristics of a king. Well, here they are; “A king is very rich.” “He lives in a big castle where no one can harm him.” “He is very intelligent.” “He is very powerful.” “He can get angry sometimes.” “He can put people into prison.” “People need to obey him.” “He has a crown and beautiful chair.” “He has an army.” “He owns a lot of land.”.....

No ears to hear, but eyes to see?

Est 5:2 *And it was so, when the king saw Esther the queen standing in the court, that she obtained favor in his sight: and the king held out to Esther the golden scepter that was in his hand. So Esther drew near, and touched the top of the scepter.*

Est 5:3 *Then said the king unto her, What wilt thou, queen Esther? and what is thy request? it shall be even given thee to the half of the kingdom.*

That sounds familiar, what a righteous king! Because Esther put her life at risk to the benefit of the King's life and future of his kingdom. Like King Jesus said ;

Mat 7:7 *Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:*

Luk 11:9 *And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.*

Makes sense to me. What about you?

Est 8:4 *Then the king held out the golden scepter toward Esther. So Esther arose, and stood before the king,*

Est 8:5 *And said, If it please the king, and if I have found favor in his sight, and the thing seem right before the king, and I be pleasing in his eyes, let it be written to reverse the letters devised by Haman the son of Hammedatha the Agagite, which he wrote to destroy the Jews which are in all the king's provinces:*

Est 8:6 *For how can I endure to see the evil that shall come unto my people? or how can I endure to see the destruction of my kindred?*

Psa 45:6 *Thy throne, O God, is forever and ever: the scepter of thy kingdom is a right scepter.*

Isa 14:5 *The LORD hath broken the staff of the wicked, and the scepter of the rulers.*

Well folks, there is only one conclusion if you ask me. Jesus is the one who rules! Today and forever!

Like often, the overwhelming message is to be found in the details one never would expect. And see how it all makes sense. Old testament and

new testament are one all together. King Jesus, YESHUA is the One and Only. The Old Testament and New Testament can not be seen separately from each other. Never! So where does that leave the New Testament Churches? What about the ones that have only the Old Testament and some manmade extra scripture additions like the Kaballah? Yes, the majority of the Jewish community itself today. God forbid! God forbid!

Expression of face ;

The impression on His face is somewhat reprimand and at the same time merciful. He is looking down on something that looks like a black coloured area, maybe the pit the bible is talking about. This is hypothetical so far, as there are more dark coloured areas, but it could make sense. It is not an image but mere background.

His stretched out arm;

Another interesting feature is His left stretched out hand or arm. In Scripture (KJV) we find 7 times confirmation for this “stretched out hand” when it refers specifically to The Lord Jesus Christ or God. For many others like Israel (Jacob), Aaron, Moses, Joshua, and angels similar stretched-out hand and arm descriptions are to be found too, but have no significance here. The following distinctive and 7 unmistakable ones are from the KJV again :

Deu 11:2 *And know ye this day: for I speak not with your children which have not known, and which have not seen the chastisement of the LORD your God, his greatness, his mighty hand, and **his stretched out arm**,*

Psa 136:12 *With a strong hand, and **with a stretched out arm**: for his mercy endureth forever.*

Isa 9:12 *The Syrians before, and the Philistines behind; and they shall devour Israel with open mouth. For all this his anger is not turned away, but **his hand is stretched out still**.*

Isa 9:17 *Therefore the Lord shall have no joy in their young men, neither shall have mercy on their fatherless and widows: for every one is a hypocrite and an evildoer, and every mouth speaketh folly. For all this his anger is not turned away, but **his hand is stretched out still**.*

No ears to hear, but eyes to see?

Isa 9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this his anger is not turned away, but his hand is stretched out still.*

Isa 10:4 *Without me they shall bow down under the prisoners, and they shall fall under the slain. For all this his anger is not turned away, but his hand is stretched out still.*

Isa 14:27 *For the LORD of hosts hath purposed, and who shall disannul it? and his hand is stretched out, and who shall turn it back?*

After the above, we should be able to determine what the purpose of that stretched out hand is. No matter what you have done, what your sins may be, He is the only one who can forgive you, because He is The Way, The Light, Life and Love. He still loves us all folks! But a person's personal repentance and faith are crucial here. And our Lord Jesus Christ is the one that wants you to forgive everyone and not kill everyone! Moreover, I wonder what the average Jewish Rabbi has to say about these Old Testament prophecies that fit Yeshua or Jesus description in the image perfectly. Let me know if anyone of you Rabbi's has an explanation, okay? I am very curious,.....

The size is also important as "the Jesus image" is the biggest image of all..... His crown is miraculously also at the highest altitude in that specific area representing Jesus' image. Approximately 7700 feet altitude at the crowns level. Awesome!

2. Image of the Shin sign

In this respect we need to know that the shin sign is a letter deriving from the Hebrew alphabet. It is considered to be God's sign or signature if you like. Why would God have chosen this specific sign, which is highly respected, especially by the Jewish community, today? It resembles the English letter "W" the most. A three-legged sign. Strangely enough, there is no "M" like letter in the Hebrew alphabet. So unmistakable in Hebrew! All those who are anti-Trinity better open their eyes and ears just one time, and I really mean **everyone!** Unfortunately there are several interpretations of the Trinity-concept. Below a diagram with the only logical explanation.

1Jn 5:7 *For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.*

Rev 19:13 *And he was clothed with a vesture dipped in blood: and his name is called The Word of God.*

Once and for all proof of trinity; Jesus, The Father and the Holy Spirit, are ONE, in Hebrew called **Echad**, period. The best way to make this understandable is to visualise this in a diagram.

End of discussion for the hypocrites and liars for hire. Their consulting hour is over! Throw away or burn your non-KJV based book and get that More Sure KJV-based bible. Even the NKJV seems to contain many errors! That is not hate speak! That is the pure simple truth that everyone must hear. And I love you enough to confront you like that!

Deu 6:5 *And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.*

Deu 6:6 *And these words, which I command thee this day, shall be in thine heart:*

No ears to hear, but eyes to see?

Deu 6:7 *And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.*

Deu 6:8 *And thou shalt bind them for a **sign upon thine hand**, and they shall be as frontlets between thine eyes.*

Deu 6:9 *And thou shalt write **them upon the posts of thy house, and on thy gates.***

Deu 11:18 *Therefore shall ye lay up these my words in your heart and in your soul, and bind them for a **sign upon your hand**, that they may be as frontlets between your eyes.*

Deu 11:19 *And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.*

Deu 11:20 *And thou shalt write them **upon the door posts of thine house, and upon thy gates:***

Deu 11:21 *That your days may be multiplied, and the days of your children, in the land which the **LORD** swore unto your fathers to give them, as the days of heaven upon the earth.*

In those passages, God commands us to keep His words continually in our minds and in our hearts. He even reveals His sign here or as I like to call it His trademark. Below the picture representing a closer view of Yeshua our Lord and the “Shin” sign to the left of His face.

Jehoiada Nesnaj

No ears to hear, but eyes to see?

The size of this Shin sign is approximately 0.8 mile by 0.8 mile. Let us have a look at the location of that particular "Shin" symbol, that we find in these images at Mount Sinai or Jabel el Lawz. It is located to the left side of Jesus' head and is also formed by three valleys (!!), which can clearly be seen when the 3D animation in Google Earth is examined from different angles and different North – South alignments. The West-East alignment shows it very clearly.

The next passage is from Andrew L.W. Lee, posted on geocities' website, Aug 30, 2001. He explains very correctly, in accordance with the verses above, what that shin sign represents.

"The Hebrew Alphabet is made up of 22 letters and there are no numbers in it. As the Hebrew letters are also used to represent numbers. For example, the first alphabet is "Aleph" and is also used to represent 1 or 1000 and the last letter "tav" represents the number 400. Also the Hebrew alphabet is quite pictorial and for each letter, there is a picture associated with it.

The 21st (3x7 or 777) Hebrew letter is "shin" ש which looks a bit like our English alphabet "W". It is interesting, that there are a lot of important Hebrew words, that have this letter in their spelling. The Hebrew name "El Shaddai" means "Almighty God, the All Sufficient One" and the "shin" is the first letter in the word "Shaddai".

It is also interesting, that the Jews place a symbol of that same "Shin" outside their house on the door post of the main door. It is a Jewish custom to kiss the Mazzuzah before leaving the house and again before they enter the house on their way home. The Mazzuzah stands for "El Shaddai protects the family" and if you have had the opportunity of watching the epic movie "Ben Hur" you would have seen him kissing the Mazzuzah when he came home after serving as a slave for a few years and finally being adopted as a son by one of the powerful Roman senators. So you can see that the letter gives the impression of protection.

If you look at the following Hebrew word, יְרוּשָׁלַיִם, you will notice again that the letter "shin" appears in the middle of this word "Y^erusalayim" (Hebrew) or Jerusalem. God told King Solomon that He had chosen Jerusalem that He may put His Name there.

2Ch 6:6 *But I have chosen Jerusalem, that my name might be there; and have chosen David to be over my people Israel.*

Jehoiada Nesnaj

The name of Jerusalem in Hebrew means "Cities of many peace" and if you look at the map, you will find that the city is built over three valleys, specified in the shaded area. Starting from left to right, the Hinnom Valley, the Tyropoeon Valley and the Kidron Valley. God instructed King David to build his capital city in Jerusalem and later King Solomon was instructed to build the Temple of Solomon in Jerusalem, so that the Presence of God can come upon the city and dwell therein. The Lord leaves His mark even on the city permanently in the shape of the hilly terrain.

No wonder Jerusalem is called the Cities of many peace. When we are with God, we will find peace. However, the present day Jerusalem is hardly a city of peace, even far from it. In fact you may say, that it is the city of many conflicts. Jews, Muslims, Catholics and other Christians have claims over the rightful ownership of that city. Only when Jesus returns and a new Jerusalem is built then will there be true peace. Because the Great King Jesus Himself will come and reign over the Earth making Jerusalem His capital city.”

God adopted the "shin" as His character and planted it in His Son Jesus Christ (in Hebrew ; יֵשׁוּעַ). Looking at Jesus' Hebrew Name "Yeshua", the shin is right in the middle of Jesus' Name. Our Heavenly Father simply loves to leave His mark everywhere as a sign of His great love for us.

3. Image of Moses

Why would Moses be so important to deserve a memorable place between these images? According to the Hebrew Bible, the name Moses comes from the Hebrew word meaning "to pull out of water". Moses also led the Israelites across the Red Sea, which would also show deliverance out of water which is also interpreted often as baptism of the Israelites. Some medieval Jewish scholars had suggested that Moses' actual name was the Egyptian translation of "to draw out", and that it was translated into Hebrew, either by the Bible, or by Moses himself later in his lifetime. Actually this could also make sense because he was drawn out of the water as a baby himself. This duality even does make sense all together. In order to see the image here one should imagine the image of a tuareg, because that is the way Moses is presented here. Even our today's image of a tuareg still fully resembles that image. Tuaregs are people that are specialised as no other in desert survival, even in the most harsh conditions and remote areas. As Moses and his people wandered around for 40 years in the deserts, they probably were also as experienced and adapted to those conditions as our today's tuaregs are, still living that same lifestyle. Moses' image is situated to the right of Satan's image.

©TerraMetrics

Jehoiada Nesnaj

©TerraMetrics

The overall sizes of Moses are 1.2 miles in height and the same width. The colour is almost the same as the surrounding area, except for the bottom. Which makes it difficult for many to distinguish. But there is a clear outlinement of his image. The fact that Moses is situated to the right of Satan's image is the very best expression of the battle that is going on. It is Satan against God's people, especially because Moses received the 10 Commandments at this location. Nice detail in this respect are the two tablets Moses is holding. Just awesome! That's a detail Bob Ross surely would have not forgotten.

Moses was the one who was given the 10 Commandments by Yeshua (Hebrew for Jesus) speaking from that burning bush. It was Yeshua who gave Torah to Moses. According to the book of Exodus, Moses was born to a Hebrew mother, who hid him when Pharaoh ordered all new born Hebrew boys to be killed, and ended up being adopted into an Egyptian royal family. After killing an Egyptian slave master, he fled and became a shepherd, and was later commanded by God to deliver the Hebrews from slavery. After the Ten Plagues were unleashed on Egypt, he led the Hebrew slaves out of Egypt, through the Red Sea, and they wandered in

No ears to hear, but eyes to see?

the desert for 40 years. Despite living to 120, he did not enter the Land of Israel, as he disobeyed God when God instructed him on how to bring forth water from a rock at Horeb in the desert close to Mount Sinai.

While Moses was on Mount Sinai receiving the 10 Commandments for the Israelite community, the Israelites went to Aaron and asked him to make gods for them. After Aaron had received golden earrings from the people, he made a golden calf and said, "These are your gods, O Israel, who brought you up out of Egypt." A "solemnity of the Lord" was proclaimed for the following day, which began in the morning with sacrifices and was followed by revelry. After Moses had persuaded the Lord not to destroy the people of Israel, he went down from the mountain and was met by Joshua. Moses destroyed the calf and rebuked Aaron for the sin he had brought upon the people. Seeing that the people were uncontrollable, Moses went to the entry of the camp and said, "Who is on the Lord's side? Let him come unto me." All the sons of Levi rallied around Moses, who ordered them to go from gate to gate slaying the idolaters. (*source; wikipedia.org*) At that point in time people had to choose too between just 2 options; God's way or Satan's way. For God or against Him. Today thanks to Ron Wyatt there is 100% proof that the Golden Calf incident took place at this specific location. Ron found a destroyed large altar with authentic Egyptian inscriptions of Calf like designs, very rare in Saudi Arabia. Clear pictures and much more of this are available on his website www.arkdiscovery.com.

4. Image of Menorah - 7 branched candlestick :

In the overall image The Menorah is situated just below the image of Moses, which makes sense. Its size is approx. 1.6 miles wide and 1.2 miles in height.

From a biblical perspective The Menorah is an important sign of remembrance of the events that took place at Mount Sinai. But there is more symbolism in The Menorah than only this. Menorah resembles creation, and by contemplating creation, we realise the idea of God relating to creation. And as this Menorah sits in the Temple, the place where we desire to approach God, we are made aware of this truth, that only through God's methods, will we have any relationship with Him.

Jehoiada Nesnaj

We are thereby averted from subjective, idolatrous, religious expressions as displayed by the Jews when they created the Golden Calf.

The Menorah's knobs, cups and flowers were designed with six branches emanating from a seventh. This refers to Creation, from which six days emanated, and rest was established for the seventh day. The very concept of creation, is the most primary example of God's relationship with everything. His creation of matter's very existence is the most primary expression of His relationship with matter, with the entire universe. Perhaps for this reason, God uses the Menorah to demonstrate this lesson. That He creates this "relationship" with man, just as he forged the basis of all relationships, by granting everything into existence. The act of creation is the expression of God's relationship to matter per excellence. He therefore structured the Menorah to embody an expression of "Creation" (from: "*The Menorah: A Lesson in Subordination to God*" by Moshe Ben-Chaim.)

God's instructions on how this 7 branched candlestick should be made, were very clear. Notice the words '**almonds**' and '**beaten work**' or **forged** here several times too.

***Exo 25:31** And thou shalt make a candlestick of pure gold: of **beaten work** shall the candlestick be made: his shaft, and his branches, his bowls, his knops, and his flowers, shall be of the same.*

***Exo 25:32** And six branches shall come out of the sides of it; three branches of the candlestick out of the one side, and three branches of the candlestick out of the other side:*

***Exo 25:33** Three bowls made like unto **almonds**, with a knop and a flower in one branch; and three bowls made like **almonds** in the other branch, with a knop and a flower: so in the six branches that come out of the candlestick.*

***Exo 25:34** And in the candlestick shall be four bowls made like unto **almonds**, with their knops and their flowers.*

***Exo 25:35** And there shall be a knop under two branches of the same, and a knop under two branches of the same, and a knop under two*

branches of the same, according to the six branches that proceed out of the candlestick.

Exo 25:36 *Their knops and their branches shall be of the same: all it shall be **one beaten work** of pure gold.*

Exo 25:37 *And thou shalt make the seven lamps thereof: and they shall light the lamps thereof, that they may give light over against it.*

Exo 25:38 *And the tongs thereof, and the censers thereof, shall be of pure gold.*

Exo 25:39 *Of a talent of pure gold shall he make it, with all these vessels.*

Exo 25:40 *And look that thou make them **after their pattern, which was showed thee in the mount.***

This last verse gives me the creeps. Nothing more needs to be said here.

5. Image of the Lion of Judah :

The **Lion of Judah** has its origins in the Book of Genesis of the Old Testament where the Israelite tribe of Judah had the lion as its symbol. In Christian tradition, the lion is often assumed to represent Jesus. Many Christian organisations and ministries use the lion of Judah as their emblem or even their name. The lion of Judah appears both in the Old Testament and in the New Testament book of Revelation

Gen 49:9 *Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he couched as a lion, and as an old lion; who shall rouse him up?*

Hos 5:14 *For I will be unto Ephraim as a lion, and as a young lion to the house of Judah: I, even I, will tear and go away; I will take away, and none shall rescue him.*

Rev 5:5 *And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Judah, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof.*

And it goes on,.....

No ears to hear, but eyes to see?

Rev 6:12 *And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;*

Rev 6:13 *And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.*

Rev 6:14 *And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.*

Rev 6:15 *And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;*

Rev 6:16 *And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:*

Rev 6:17 *For the great day of his wrath is come; and who shall be able to stand?*

Now we get to a crucial point here. It may also look like an impossible task, but I will give it a short and brave effort, before we come to the most crucial part of ‘the cross’ in the next section. What impact will have all this on the present beliefs and observances of the Jewish community? There are some questions that surely need an answer here. We’ll go that way and see where the evidence leads us. In comparison with Christianity there are some 10 different distinctive characteristics with the common Jewish faith. We will deal with them successively. Not presuming that the answers are all 100 % satisfying. But they should at least ring a bell.

1. Jews believe that one person cannot die for the sins of another person.

I can agree with that, if one refers to a person in the sense of you and me. Jesus though, is the son of God, that came in the flesh. Jesus is part of that divine trinity concept. How do we explain the meaning of the word Elohim (**אֱלֹהִים**, **מִיְהוָה**) which is a Hebrew word that expresses concepts of divinity? It is apparently related to the Hebrew word el, though morphologically it consists of the Hebrew word Eloah (**הוּאֵל**) with a plural suffix. Elohim is the third word in the Hebrew text of Genesis and occurs frequently throughout the Tanakh (Hebrew Bible). Its exact significance is often disputed, sadly enough. Assuming Elohim means Gods, this would absolutely be logic in the Trinity sense. Moreover, the letter Shin itself is a proof to that too. The cross symbol in the overall

image here is absolute proof of that sacrifice, that took place when Yeshua's blood hit the Mercy Seat of the Ark of the Covenant, 20 feet below the actual crucifixion site, where Jeremiah placed it according to God's instructions some 600 years before. Yeshua was the lamb, that God provided himself instead of the bulls, doves, rams and goats. The only logical conclusion of eternal redemption, period!

2. Jews believe that we do not need a blood sacrifice for the forgiveness of sins.

Reading the Torah, the only logical conclusion that can be made from the sacrificial system installed by God is, "that there never could be given any remission of sins without the shedding of blood." Torah is very specific in this. How many ways? One way.

3. Jews believe that Jesus was not the messiah.

I would suggest to let the images speak for themselves. It is a done deal. Yeshua is that lion too. He was raised from the dead, remember? Anyone else ever done this? He even presents Himself as the biggest of all the images. How big a sign do you need brethern? Are 7 images in a 7 by 7 miles square big enough for you? The shin, isn't that the 21st letter of your alphabet? Does it represent El Shaddai or not? 3x7 or 777. And surely this sign at that specific location should ring a bell to any Jew. I hope you connect the dots now. Oh yes, before I forget, maybe I am getting out of control now, but when you put 3 sevens in a row, doesn't that almost resemble a shin too? Moreover, Jesus fits exactly many OT descriptions as we saw above. Surely something to ponder for **all** the Rabbis.

4. Jews believe that God hates human sacrifices.

To test Abraham's faith in and fear for God, God Himself asked for a human sacrifice, we can read that in **Gen 22:8-10**. Fortunately, God intervened and Isaac was saved from that human sacrifice. In many ancient wars God demanded human sacrifices too. Many were killed and slain. Cities and populations completely destroyed. But there was a reason for all that, which is called ; sin. Trespassers against God.

No ears to hear, but eyes to see?

Who died on the cross? Well, was it God? No. Was it a human? Yes, but a very special human, with 23 chromosome pairs in His Blood, like no one else on this planet ever. One X from his earthly mother and 1 Y from Yahweh, His heavenly Father. A 'normal' human has 46 pairs of chromosomes. Jews don't believe that God can die. I agree 100%. God is eternal. Consequently, Jesus is eternal. Jews believe that God hates the very idea of human sacrifice. I don't agree. It was God's son IN the flesh, that died on that cross on Nissan 14, 30 AD. The proof of his resurrection was announced in Jonah, who also was 'resurrected' from the wale's belly. The time of Jesus' birth is given in ***Daniel 9***. The fact of His birth is given in ***Isaiah 7***. The Place of His birth is given in ***Micah 5***. The details of His life, His death, and His resurrection, are given in ***Psalms 22*** and ***Isaiah 53***. The fact of His resurrection is given in ***Psalms 16***. (See also *Chapter 3 Logical Consequences*). Pointing to an event in the future. These are the verses I would like to get a clear explanation from any Rabbi from the original Hebrew texts. Both in Jesus and God's name in Hebrew we see a shin sign present. There is a shin sign in Jerusalem's valleys and on this Mount Sinai in the images. What does this mean? Nothing? Departing from the idea that Elohim, is the plural form of God and the fact that the Shin symbol itself represents el Shaddai himself, I don't understand what the problem is. The trinity is a fact, it can not be denied anymore. It is amazing, that this same Shin sign is found in these images to the left side of Jesus' face. The only logical conclusion to be made. Just awesome! Wake up!

5. Jews believe that one is born into the world with original purity, and not with original sin.

Mormons believe, that they can become a God themselves on a private planet. I don't know where this ideology comes from. How twisted can observations become? From what I have read in Torah (1st five books of the bible) no one is without sin. It is a continues process of repentance unto your God. Nobody in the flesh, except for Jesus Christ only, could be considered to be 'pure'. Anyone who would claim any way close to be as pure as God, is committing blasphemy to me.

6. Jews do not believe in original sin.

Can anyone explain God's laws in this respect to me? Starting with the original 10? What happened in the garden of Eden? Eve? Adam?

Why did Moses get the 10 Commandments on this mount, at all?

7. Jews believe that God is one and indivisible. Jews do not believe in a trinity.

Well, I'm very sorry, but also from the descriptions above we can only conclude, that the Trinity is the most logical conclusion of everything presented here. This is the confirmation of all that. You have been kissing that sign on your door posts for centuries. Bind it around your hand and did not get the message. Very sad, isn't it? Imagine what God would rejoice if you did? Do Him that favour, please?

8. Jews believe in The Satan, but not in a devil. There is a difference between The Satan and the devil.

It actually doesn't matter. What's in a name? It is Satan or the devil. Also known as the one behind all the evil forces at work on this planet today. There is a spiritual war going on against Satan and his demonic spirits. Look at his ugly face here. He is your enemy, just beside Moses in these images. I think, the devil I hate, is the same one you hate. And below you will see evidence that **only by Jesus**, Satan is **cut off** from God eternally. What is your defence against Satan's indictment at judgement day? My lawyer is called Yeshua. And yours?

9. Jews believe that God is God, and humans are humans. God does not become human nor do humans become God.

God can do anything He likes. We can not decide for Him. Never. I think we do agree, that God has a plan for this wicked world, don't we? Yeshua fits perfectly in this plan now, for you also.

10. Jews believe that "Jews for Jesus," "Messianic Jews," and "Hebrew Christians" are no longer Jews, even if they were once Jews.

I thought Jesus was a Jew too, wasn't he? Circumcision is not what you saves today or gives you any exclusive right to anything anymore! When Yeshua died on that cross, that veil separating the most Holy of holiest places in the temple was ripped for a purpose. The Most Holy of Holiest offers access now to anyone on this planet. IF you make that right choice in your life. None of that "us-only" selfish stuff anymore, okay?

Repentance and real faith are the only way to redemption. To me the best definition of a Jew today is 'a general Godpleaser'. So I am a Jew too. I pray to the God of Abraham, Isaac and Jacob, in the name and the Blood of his Son Yeshua. Anything wrong with that? It also is said, that the fierce Lion of Judah will come in Judgement, referring to The Lord Jesus Christ.

The image of the lion of Judah has a very powerful meaning. It represents the tribe of Judah. That same image here is also very different from the structure of its surrounding area, which is mainly in a darker colour. Not everyone sees it at the first time, but once outlined it becomes very clear. The significant structures, that should create the manes of the lion surely make sense. When looked at in a 3D animation it even becomes more clear. Its size is about 1.2 miles wide and 0.8 mile in height. Makes sense to me.

6. Image of Satan :

We know he is the bad guy, but here he even looks ugly too. But thanks to the skills and the database of brother Jim Searcy, who managed to make a comparison with the images often used by the occult scene to represent Satan today. There it is shown in a five pointed star also known as a pentagon. Sounds familiar? A very profound signal here is, that the line between Jesus and Satan is cut somewhere in the middle and overlaps for a certain distance. They never touch. That's a nice way to say Satan and his followers are **cut off** for ever. No claims to anything anymore. Done deal! You still want to be part of that group of the ugly one? This verses surely make sense in that respect ;

Psa 94:23 *And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; yea, the LORD our God shall **cut them off**.*

Rom 11:22 *Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in his goodness: otherwise thou also shalt **be cut off**.*

That's clear to me, in words and image.

The picture below gives a nice overview of what we have examined so far. Moses is above the Menorah (7 branched candlestick) and the Lion of Judah is to be found in the right hand top corner. Both not outlined here.

The pentagon is a five pointed star. When used upside down, one point pointing downward, it is the most occult symbol of occult symbols. It represents Satan, the devil himself. Often also resembling a rams face and horns. Look around you which are the ones using this five pointed star in their flags? It seems that Washington DC's city architecture is full of this occult symbolism. Notice also, that serpentlike line that goes down to King Jesus' crown. No better symbolical way to express today's real battle that is going on in this world. Satan is reaching for King Jesus' crown, he wants King Jesus' throne on this earth. That there is a lot hidden in this symbolism is a fact. Two of the best websites I know of, explaining and exposing these occult symbols, are ;

No ears to hear, but eyes to see?

www.moresureword.com and www.jesus-is-savior.com. On these two interesting websites you can also find comprehensive truth about the occultism behind the financial system in the USA. The symbols used on the US Dollar banknotes and much more. It all makes sense together. With regard to this last website it needs to be said, that they also have a very comprehensive library on many satanic symbols, of which you wouldn't even suspect them to be of satanic origin. It is necessary though, that I make the exception, that I do not agree with their view on the Pre-tribulation-rapture-concept. As said before, Jim Searcy's book ; *Great Joy in Great Tribulation* is very explicit on that subject.

Pictured below, the beast sits atop the world. The moons may also suggest, that this is the Prince of Darkness. The moon is also an accurate metaphor for Satan, masquerading as a 'source of light'. It can only reflect the true light down upon those living in darkness, and it pales in comparison to the power of the real Light called Jesus Christ. The 33rd degree and up Freemasons are suspected to worship the goat-headed Baphomet, as their god of enlightenment.

Clearly, the Pentagram is used by Wiccans and Satanists to represent everything that is evil and unholy and Satan himself.

The occult society likes it to be shown that way. In the Middle Ages, the Knights of Templar, of which today we have their successors in the Freemasons, were suspected to worship a similar figure. Under torture some even released the name Baphomet. Look at the half moons and five point star on his forehead. Looks familiar with something you already know? The pentagram or pentacle is probably the best known and used of all occult symbols and is considered to be the most potent means of conjuring benevolent spirits. The inverted pentagram, with the point of the star downward, is used to conjure up the powers of evil. As the circle is believed to enhance the powers of a particular symbol it is usually added to the pentagram. The ordinary (point-up) pentagram is the symbol of witches, warlocks and wiccans in general and which they call "The Great Rite", whereas the inverted (point-down) pentagram is the symbol of Satanism in general. The point-down pentacle is also the symbol of Masonry and the Eastern Star.

Masonic writer Manly Palmer Hall writes: "The Pentagram is used extensively in black magic, but when so used its form always differs in one of three ways: The star may be broken at one point by not permitting the converging lines to touch; it may be inverted by having one point down and two up; or it may be distorted by having two points of varying lengths. When used in black magic, the pentagram is called the "sign of the cloven hoof" or the "footprint of the devil". The star with two points upward is also called the "Goat of Mendes", because the inverted star is the same shape as a goat's head. When the upright star turns and the upper point falls to the bottom, it signifies the fall of the Morning Star (Jesus Christ).

Occultists believe, that symbols are given a supernatural power at their creation. It is also believed, that this power increases to whatever degree the non-initiated remain ignorant of the sign's true meaning. According to the book *Magic Symbols* by Fredrick Goodman, an occult symbol is defined as, "...an image which hides an inner meaning. This meaning is usually cunningly hidden behind a form..." (other source: *How Satan Turned America Against God*; by Dr. William P. Grady).

Clearly, Satan is the spiritual power behind ALL rock music, including so-called "Christian rock." There is nothing even remotely "Christian" about rock-n-roll music. Rock-n-roll is a religion of immoral sex, drug abuse, and demonic powers summonsed through the music itself. Brian

No ears to hear, but eyes to see?

Wilson, lead singer of the Beach Boys, even admitted, that he was trying to create "witchcraft music"... A closer look at many of the satanic album covers of many rock and especially heavy metal bands will show you proof of that. The goat and ram are to be found and seen here like bees in a honey comb. Get your children out as fast as you can! It is big in today's world, that's a fact. God hates the occult and punishes those involved!

The 2006 Eurovision Song Contest was won by a Finnish hard rock band called Lordi with their song "Hard Rock Hallelujah". The band's name and the song's name speak for themselves, don't they? I suggest you have a short look at and listen too these occult people performing on YouTube or any other similar website. My entire family was shocked, when we saw that band performing and winning that contest. In front of hundreds of millions of viewers. We immediately knew, that the world was getting out of control. Same is happening right now! But I sincerely hope and pray, that everyone involved in such malice, can rightly divide the holy from the profane now! Enough of this occult crap! Some will make it, some won't.

Like that 10 year old girl earlier said, when she saw Satan's image on these Google Earth images "a balloon with an ugly face", I like that. And a balloon contains a lot of air as we all know. Balloons aren't that strong too. If pricked, a big bang (where did I hear that again?) and the balloon stops existing, it is gone, right? Yes, I like pricking those satanic balloons with my best Friend called Jesus. I tell you, it is fun! And there are still a lot balloons out there. Let us start with the big ones first, that make a lot of noise. They better not cross me and my Friend's path. You can help us too! Join the club! Free membership. Best promise here.

7. The Cross

This is probably one of the most misunderstood subjects in Christianity and Judaism today. To understand the meaning of the Cross in the right perspective it is crucial to know, that God has a perfect plan to save all his children, that ever been and today are and ever will be, on this planet. Satan, also known as the accuser of God's children, would do anything to try to convict us all in the eyes of God. Because Satan hates us. Why should Satan hate us? Because he thinks God loves us more than him, as

we are created in God's image, Satan isn't. Satan rebelled against God, because God gave him a free will, like God gave a free will to us. Unfortunately Satan chose the wrong way. And we better not follow that example, no matter how good you might feel at it! People that were resuscitated having 'near-death' experiences and went 'across' and 'visited' hell, don't tell us nice stories. Just search the web on - "To hell and back" by Dr. Maurice Rawlings - to see some of these amazing testimonies. Hell is real indeed and you don't want to go there!

What is the real meaning of the cross and Jesus? I like to compare it with a court in Heaven. Satan is our accuser, Jesus is our Lawyer and His Father is The Judge. When we are brought in to the courtroom, Satan will be the one making the indictment. He is reading the list with all our trespasses against God's Laws, that list, by the way, was passed to him by his demons, that were the ones causing us to do these offences. And in my case, it would take him quite a time to read it. The Judge is looking with a wondering look in the direction of the accused. The Judge asks our Lawyer, what He has to say to these accusations. Our Lawyer, if He knows us, and we talked to Him many times (in prayer) informing him about our crimes, He will answer ; "well, according to your Laws, Your Honour, I already paid the price for the crimes of the accused with my own Blood. I was that Lamb, that needed to be sacrificed according to your Laws, to forgive this supposed trespasser his offences, your Honour. Because I paid for all the accusations and the accused furthermore especially has asked me to bring all his offences under that sacrifice, I did so, and I plead not guilty." The Judge answers ; "This is a clear case, the accused is not guilty, case dismissed, next one." And then it is your or my turn. What can your or my Lawyer bring in as defence when the accuser is reading the indictment? This may look childish simple, but that is where it essentially comes down to. The actual sacrifice at the cross itself is an event like none ever in this universe. It is indescribable.

Now, below is a very profound message regarding the meaning of that event at the cross. It is very strong meat and surely not easy to understand. But let us give it a brave try.

Quote-- I Cor 5:7-8 Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our Passover is sacrificed for us: Therefore let us keep the feast, not with old leaven,

No ears to hear, but eyes to see?

neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth.

The cross wherein Messiah our Passover was sacrificed for us, is the focus. We are pressed on every side. It could easily be overwhelming, without focus on that greatest reality of all history. It is all at the Cross. The reality of what our King did on that Cross outside the city of Jerusalem, on that Wednesday, Nissan 14, in 30 AD, is the Focus For Hope. The reality of that sacrifice will save us from the wrath to come, IF we continue in the way of that Blessed Hope. (**John 8:31**, **Rom 11:22**, **Col 1:23**, and **1 John 2:24**) Those IF's in those profoundly important four scriptures mean there is a condition, which must be met. The Cross is the focus, to keep us directed to meet that condition that will keep the Blessed Hope.

Joh 8:31 *Then said Jesus to those Jews which believed on him, **If** ye continue in my word, then are ye my disciples indeed;*

Rom 11:22 *Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, **if** thou continue in his goodness: otherwise thou also shalt be cut off.*

Col 1:23 ***If** ye continue in the faith grounded and settled, and be not moved away from the hope of the gospel, which ye have heard, and which was preached to every creature which is under heaven; whereof I Paul am made a minister;*

1Jn 2:24 *Let that therefore abide in you, which ye have heard from the beginning. **If** that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father.*

None of us will have to endure anything compared to what He endured for us. During the three hours of the darkness on that cross, Jesus was in agony, wrestling with the powers of darkness, and suffering His Father's anger against the sin of sinners. He was making His soul an offering for the sin of sinners. Never were there three such hours since the day God created man upon the earth, never such a dark and awful scene. It was the turning point of that great love of the Creator for His creatures. The Redemption and Salvation of sinners, who would confess they were

sinner, and turn away from sin, was being accomplished. The required sin offering of Redemption was being accomplished.

As we think of the complaint that Jesus cried out to God, from ***Psalms 22:1***, we should know our King in the midst of such agony was teaching us something so important. He was teaching us, how important the Word of God is to direct us in prayer. Scripture should be woven into prayer.

The believer may have tasted some bitterness, suffering, and pain. Sometimes we may feel as Yeshua did on that cross, that we have been forsaken. Knowing that He had that same feeling, which we will all experience in the valley of the shadow of death, provides substance and evidence of our Blessed Hope, no matter how bad our circumstances may be. We can only form a very feeble idea of the greatness of Christ's sufferings. Still this focus on the Cross gives understanding of the Savior's love towards sinners.

The SIN of SINNERS caused, and required, this greatest of all injustices. Here we get deeper conviction of the vileness and evil of sin. Here in that focus on the Cross, we get more understanding of what we owe to Jesus Christ, who alone delivers us from the wrath to come. There is no other Name, which will deliver from the wrath to come.

Mar 15:34 *And at the ninth hour Jesus cried with a loud voice, saying, Eloi, Eloi, lama sabachthani? which is, being interpreted, My God, my God, why hast thou forsaken me?*

His enemies wickedly ridiculed His complaint. Many of the reproaches cast upon the Word of God, and the people of God, arise, from gross failure to appreciate and understand such things. Messiah, just before He died, spoke in His full strength, to show that His life was not forced from Him. He IS The Life. Life is IN Him. He was required to exercise His will, according to the will of The Father, to freely deliver His very life, and freely deliver His soul, mind, will, and emotions, into His Father's hands. He had strength to bid defiance to the powers of death. He did cry out, not only defiance to the powers of death, but final victory over them. By His Eternal Spirit of Truth and Holiness, He became the required Sin offering. He offered Himself to redeem us. Yeshua THE Messiah, being the Priest as well as the Sacrifice. He cried with a loud voice. Then He yielded up the ghost.

No ears to hear, but eyes to see?

The Son of God upon the cross did die by the violence of the pain He suffered for the sin of sinners. His soul was separated from His body, and so His body was left really and truly dead. It was certain, that Christ did die. It was required that He should die for the sin of sinners. He had agreed to make Himself an offering for sin, and He did it, when He willingly gave up His life. In what He did on that Cross the Love of God was manifested. In His death on that Cross the purpose for which the Son of God was manifested, to destroy the works of the devil, was accomplished and made FOREVER CERTAIN. He said, "IT IS FINISHED." The devil is a finished forever-defeated foe. Lucifer, Satan the devil, is finished and ultimately defeated, regardless of whatever false evidence we might see, or may personally experience, contrary to that FOREVER CERTAIN FINISHED REALITY.

There was a thick darkness over the land, from noon until three in the afternoon. The Judean Jews attached to the temple complex were doing their utmost to extinguish the Son of God.

THE JEWS DID NOT PUT HIM THROUGH THIS, IT WAS MY SIN AND YOUR SIN, WHICH CAUSED THIS HORROR, AND GREATEST OF INJUSTICE. HE BORE THAT INJUSTICE SO THAT WE MIGHT RECEIVE THE FRUIT OF THE INJUSTICE HE BORE FOR US. HE, AS ONLY HE COULD, DID MAKE THE PAYMENT FOR US. HIS PAYMENT OF THE PRICE WE COULD NOT PAY, DID SATISFY THE REQUIRED JUSTICE OF THE HOLY GOD. HE SUBSTITUTED THE SACRIFICE OF HIMSELF TO PAY OUR DEBT BEFORE THE HOLY GOD. WOW! HOW COULD WE COMPLAIN OVER WHATEVER AFFLICTION THAT MAY BE REQUIRED FOR US TO ENDURE FOR HIS NAME SAKE?

The darkness signified the cloud which the human soul of Christ was under, when He was making His soul an offering for sin. He did not complain that His disciples forsook Him, but that His Father forsook Him. In this He was made the SIN OFFERING, for us. When Paul was to be offered as a sacrifice for the service of the saints, he could joy and rejoice, but it is another thing to be offered as a sacrifice for the sin of sinners.

Php 2:17 *Yea, and if I be offered upon the sacrifice and service of your faith, I joy, and rejoice with you all.*

At the same instant that Jesus died, the veil of the temple was ripped and torn from the top to the bottom. (Just like that balloon cord was ripped, forever severed, in the image of Satan above). This spoke terror to the unbelieving Judean Jews attached to Judaism's temple and its priesthood. It was a sign of their destruction. However, the sign of the veil being ripped by God from top to bottom, that veil that barred access and vision of the MOST HOLY PLACE, speaks comfort to all believers in the Messiah, Yeshua. For that torn veil signified the laying open of a new and living way into the MOST HOLY PLACE, by the blood of Jesus, THE LAMB OF GOD. To ourselves, and to all we proclaim, BEHOLD THE LAMB OF GOD.

The confidence with which Christ had openly addressed God as His Father, and committed His soul into His hands, even greatly affected the Roman centurion conducting the execution. Right views of Jesus THE Christ, Yeshua THE Messiah, crucified, will reconcile the believer to the thought of death. We may not have a death wish, yet we do long to see Him, to express love to Him, and praise Him, as He ought to be praised, in holiness, undefiled. What a great King. What a worthy King. The Saviour, Redeemer, and Friend of sinners, was wounded and pierced to save sinners from the wrath to come. Jesus Christ SAVES, is all I know. There is no other name by which we might be saved. Jesus Christ died for SINNERS. That is THE Gospel. There is NO OTHER gospel that a redeemed sinner can know, or tolerate. Let the Redeemed of the Lord say so. Amen?

Yet, the preaching of the Cross is foolishness to them that are perishing. They need a schoolmaster to bring them to Christ. The Royal Law, and only that Royal Law, is the schoolmaster to bring anyone to the Cross of Christ Jesus, Yeshua THE Messiah. Without that schoolmaster the preaching of the Cross remains foolishness. It is only that Royal Law which will convince anyone to confess they are a sinner. Until one is so convinced, and will without reservation confess he is a sinner, the cross remains foolishness. Why is that schoolmaster banned from the churches that bear His Name?

Rev 3:17 *Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: What sad words, AND KNOWEST NOT, and knowest not, and knowest not.*

No ears to hear, but eyes to see?

Therefore, it is necessary we refer to the 10 original Commandments as shown in **Exo 20:2-17** already mentioned in chapter 2 of this book.

Why is the schoolmaster banned? One reason is commandment number 4. Referring to the Sabbath. Another reason is that the churches, which used to lift up the Name of Jesus Christ, now want to join the False Prophet pope of the Vatican. It was the Roman pope, who changed #4, and eliminated #2, and who started and leads the great apostasy, AKA the Global Ethic, or United Religions Initiative, or global antichrist religion of tolerance where Jews and Real Christians will not be tolerated.

Brethren, welcome the schoolmaster, and come out from among those who do not uphold the Royal Law, and the Name, and the cross, of Jesus Christ, Yeshua THE Messiah. There is NO OTHER Name by which anyone can be saved from the wrath to come. The Royal Law is the schoolmaster, the only schoolmaster, to bring Sinners to the Cross of Jesus Christ, where they may be saved from the wrath to come.

Rom 3:31 *Do we then make void the law through faith? God forbid: yea, we establish the law.*

If you have read this through with great joy and enthusiasm, I have a little Greek expression for you – Pole Cala – meaning Very Good. I would also ask you join with me to pray for anyone who may have preferred something more religious, more intellectually stimulating, or perhaps more Hebraic, that they would remember their First Love, who loved us first.

I Cor 1:18 *For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.” – Unquote. (text by Jim Searcy)*

The fact that the image of the cross is more or less the centre of it all should ring a bell too. The cross is in between Jesus, Yeshua, Moses, the Menorah and the lion of Judah, which is actually the most remote image from the cross, which surely is the case today. When we look where the Jewish community stands today, with regard to the cross and its meaning.

The vertical line when stretched north is pointing to Satan's image. The south is pointing in the direction of that darker area. Makes sense to me too. The horizontal line is in line with The Menorah and pointing left to the Shin and Jesus and right to the image of the Lion of Judah, which has a significant larger distance to the cross.

God Almighty knew we would have satellites today and measure in miles. Therefore 7 x 7 miles wide and 7 images. The number 7 is one of His trademarks. AMEN! Those still claiming all the above is a spin of the mind or just another coincidence, better stop reading here.

On the next pages two overall full-page black & white pictures are presented alongside each other. The first is the original overall image from which all the above derive. The second picture is in my opinion a bonus picture, as it is from the exact same location, only this time also presented by the licensed Google Earth Pro version, but viewed within a 24-hour time span. From sunset to sunrise. The second picture is a snapshot from May 26th 2008 at 5:42am at sunrise. It is unbelievable and stunning, how more distinct the images become. Depending on the sun's position we notice that many shades, caused by those same mountains, valleys and ridges, appear and the individual images even become more emphasised, caused by the same shades surrounding them. What a miracle! Especially Jesus and Moses are very distinct. Also the Lion of Judah is very clear at the 2nd overall picture. There is another interesting feature when the 24-hour time span is simulated step by step. It can clearly be observed, that the image of Satan remains to be seen the longest of all in the sunset process, namely until 6:00pm. The images of Jesus, Moses and the Lion of Judah disappear together and much earlier in the sunset process, namely around 4:43pm. This could confirm the common impression, that Satan is indeed the prince of darkness. Everything makes sense and is fully consistent with the biblical accounts. AMEN! Just Awesome! It makes you speechless! I also added a copy of the cover image and a close-up picture of the lion of Judah, with only the eyes marked in white, on the next 1st page of 3 pages showing more of the imagery.

Chapter 3. Logical consequences

God created everything. The same One who **is** come in the flesh, **after** He created all things. That means He owns it and He makes the rules. There is no evidence the earth is billions of years old, as many scientists assume. If you believe in evolution, you believe God made errors. He created mankind perfectly, but we messed up ourselves. And still, he has a plan to save us from our wicked ways, from Satan's bondage. It is that wickedness, that in the end will lead to our own inevitable destruction. Because we did not stick to God's rules. And it will be perfect in His soon to be established new Kingdom. But, to the real smart ones amongst us, this can't be, that sounds like a fairy tale. But who are actually the ones believing in fairy tales here?

Some might say ; "How do you explain the outer galaxies millions of light-years away?" That's a good question, really. But sadly enough it only stands, assuming the speed of light to be a constant from the beginning of creation or the 'Big Bang', as they call it. The speed of light is not a constant. Laboratory tests in Switzerland reduced the speed of light to just 40 miles an hour with the help of super iced Sodium. At the beginning of creation the speed of light could have been 10^{50} ? 10^{69} ? or 10^{99} times faster than it is today. Let us just simply say ; "much faster than now." I don't care how fast it exactly was. But there are those real die-hards amongst us, that like to know that most accurately, like 5 figures behind the comma. That needs a lot of research, time and money. What a joke, isn't it? If the earth is 4.5 billion years old, we just need the speed of light to have been some 10^9 faster than today, to have a young earth.

Dr. Russel Humphreys explains this subject very well in, "*Starlight and Time*" and "*Our galaxy is the center of the Universe, 'quantized' red shifts show.*" For those who think they still get saved by the 'red shift', read Halton Arp's *Seeing Red*, on Quasars and red shift with distance and the error of the Big Bang Theory. God is even providing us the evidence to crush the occult vanity once and for all. Awesome!

Our King is coming back soon folks. Where will you be? What camp do you choose?

No ears to hear, but eyes to see?

Does science know everything? Maybe half of everything? Could it be, that in the other half there exists a God, that does know everything, because he is the lawgiver of this universe? So, could it be, that all the supposed theories, formula's, hypothesis, assumptions, researches and discoveries don't and will never explain how it is all connected together? Utopias only so far? What are we doing? Still struggling to connect the few dots of the billions still to discover? Well, keep on voting for and granting those billions of dollars for the benefit of evolution science. Because evolution science is getting closer and closer to the supposed truth. And yes, we once found proof on a rock from Mars found on the South Pole. On that rock scientists found something, that looked like a fossilised bacteria, of microscopic dimensions. This could proof there is life on Mars. Consequently, they needed more money to do research, presuming they were getting closer and closer to the truth and found confirmation that God did not do it,..... Because, "if there is life found on other planets, that is proof for evolution." And after the money was granted ; "Oh no, it is no fossilised bacteria, it is just some kind of crystallised thing here", but "thank you for the (billions of) money anyway." "We keep on looking,...., with all those well overpaid smart guys of ours." We recently found water on Mars. If it is true, what does it proof? Nothing. We have thousands of ice-comets flying around already. There is water everywhere in the universe, because the bible says so! It would have taken 5 minutes and a lot less tax-dollars to proof that.

Have we ever created a human being ourselves, with all that medical knowledge we are supposed to have today? Did we ever create new planets? Can we create any new matter? Where do all the wave-lengths come from? Oh yes, we can make nukes and chemical stuff, that's really big and scary. The only thing we can **create new** is nuclear and chemical wastes and monstrous organisms like those chimera's. All together called 'misery'. Nothing to be proud of, so far. And we don't even know where to go with the residues. Anything far from impressive. Well, they can nuke me today. The only One I fear, is my God. How does evolutionism explain male and female reproduction? Who was first? The fertilised egg or the chicken? Did all life split up in male and female at some time?

Do we know the smallest particles at all and the forces that keep them together. To which rope is the earth tied to, or is it just hanging around? Many, many questions, and science has so few answers, it is just pathetic. What in the world are we doing and trying to prove? I think I know, "that

there is no God"? Why should we know everything anyway ? Let us stop playing God ourselves. Let us get a life and discover what Jesus is all about. He has all the answers.

Our calendar was reset to zero, when the most stunning thing happened ever on this planet. The birth of Jesus who was crucified 30 A.D. and 3 days later raised from the dead. The most important event for you and me ever!

Here, with these images, tangible proof is shown for Creation. Can any evolutionist show me something similar for their theories? I guess not. Evolutionism is a hoax and God is continuing in His progressive judgement, exposing all the lies, as He promised us in His word on many occasions. Some of these verses are quoted in this book. The effect of every vision and prophecy in The More Sure Word is at hand. Awesome! Proof of that incredible accuracy of biblical prophecy will be given in the next pages.

Can any evolutionist prophesy how humans look like, with 100% accuracy, let us say in just a million years, because I understand evolutionism needs a very long timely process, right? Yes, we are getting a little bigger in length and width sometimes in the Western populations. But I know why. Because of the grow hormones injected into cattle for decades now and because we simply eat too much. This poison and other chemical cocktails are put into our food chain by wicked people, just to make more money. This might also account for a major role in causing cancer. The pollution of our food chain. Ever wondered why your pet did not eat that cookie or candy you liked so much?

About 2 years ago we requested a transfer of our two daughters from the local Roman Catholic school to the public municipal school also in our town. Due to circumstances. The new school would give them more supposed freedom in their religion. The only acceptable limited choice, we could make, was to have them attend the Protestant bible classes. So far everything okay.

Until recently, when our youngest 10 year old daughter came home and was somehow confused. We know, she does not just accept everything for granted. We raised her to be critical and attentive when evil is in the air. And for her age, we may say, she is pretty smart and can confront

No ears to hear, but eyes to see?

even adults with their own vanity. As a friend of mine expressed it very well ; “Sometimes, I would like to be that fly on the classroom’s wall, when she asks what the reason of things is, on whatever she is questioning “. To make a long story short. She said, that they talked about the Big Bang theory that afternoon at school and did not like that at all. She said, “I know, that The Lord did it”. What do I have to answer at the test we will have at the end of this week. We looked together at that specific textbook and noticed, that it was an exercise where the answers had to be filled out on the open dots. After reading the texts, particular questions to the subjects above followed. She knew, that she would not answer that question like her teacher would like her to do that. The 64 dollar question of that test would be like ; In the beginning everything came into existence byalso known as

Of course the answers in this case would be ‘the Big Bang’ and ‘evolution theory’. We sat down and asked her what she would like to fill in? She said “The Lord” and ‘YHWH’ and impressed as we were, we encouraged her to do so. She passed that test very well and missed 2 out of 10 questions. One of which was the above. We waited till she got that original test to take home. That same day, I wrote a letter to the school’s principal. I explained him the reason of that answer our daughter gave to that specific question. After that letter, our daughter was bravely pursuing that principal for a few days, even a few times a day and telling him to give me a phone call, which he did in the end. We talked for over half an hour and he had to admit, that this was not right. He would make it an item on the agenda of the next board meeting and review that passage in the textbook.

We wonder how many kids are in that same situation and without knowing themselves, they are deceived. Their faith in God is stolen, probably forever. This is where our world stands today.

The images presented above are surely of divine origin. They have several purposes. It simply is unbelievable to find those images at that particular place in this particular time and of that magnitude, visualising The Scripture’s message. I sincerely hope you understand the impact of all this to humanity and last but not least yourself. What is your position in the presence of your Creator ? What cause do you live for ?

Prophecy is perfect. The bible is true. Everything in the bible actually happened precisely as it is told. Creation is true. Message from KJV is

true. Consequently, many religions are in error today. Few are correct, most likely not even one is correct. These verses are interesting in this respect ;

Psa 14:1 *To the chief Musician, A Psalm of David. The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good.*

Psa 14:2 *The LORD looked down from heaven upon the children of men, to see if there were any that did understand, and seek God.*

Psa 14:3 *They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one.*

Psa 14:4 *Have all the workers of iniquity no knowledge? who eat up my people as they eat bread, and call not upon the LORD.*

Psa 14:5 *There were they in great fear: for God is in the generation of the righteous.*

We clearly can see in the images which forces are at work today. Which side do you choose? Jesus said ;

Luk 18:8 *I tell you that he will avenge them speedily. Nevertheless when the Son of man cometh, shall he find faith on the earth?*

Not only in the United States there are preachers, and teachers who are saying there is no reason for you to study prophecy. Let me give you 4 very valid biblical reasons why you should know and study bible prophecy.

One - Prophecy proves the authority of the word of God.

The Bible is different from every other book. Certainly different from every other religious book. The books written by false religions or cults, try to explain the past. They try to explain the present. But all of them are silent about the future. Twenty-five per cent of the word of God, when it was written, predicted the future; and, it has come to pass with 100% accuracy. Consider the birth of Christ. The time of His birth is given in ***Daniel 9***. The fact of His birth is given in ***Isaiah 7***. The Place of His birth is given in ***Micah 5***. The details of His life, His death, and His resurrection, are given in ***Psalms 22*** and ***Isaiah 53***. The fact of His resurrection is given in ***Psalms 16***. One mathematician has figured out, that there is 1 chance in 87E93 or 87 followed by 93 zeroes - here is how the number looks regular, instead of scientific notation; 1 chance in

No ears to hear, but eyes to see?

[illegible]

Two - Prophecy demonstrates the ability of God to know the future; and to control kings, and to control kingdoms, and to see it come to pass.

Consider Daniel's writings in ***Daniel 2*** and ***7***. Daniel was given the panorama of the nations that were to come upon the face of the earth after his generation. He said to Nebuchadnezzar, "you are the head of gold." And after you shall come the breastplate of silver, which was the Medes and the Persians. And then He said ; there shall be the belly of brass which represented Alexander the Great. And then He told of the iron legs, representing both eastern and western divisions of the Roman empire. And then He said that in the final generation, are the feet, having 10 toes representing 10 kingdoms. Today's New World Order conspiracy has already divided the world into 10 regions!

And there would be a stone cut without hands, speaking of Jesus Christ, the Cornerstone, precious and elect in Zion. That would come and crush the image, and make it fine as powder of the threshing floor and throw it into the wind. How could anyone know that future except it was God. Who, but God, could predict the future of kings and kingdoms with 100% accuracy. Bible prophecy proves beyond the shadow of a doubt, that God is in control, that He is in charge. The bible says that He puts one king up and He puts another down.

Proverbs 21:1 says "The king's heart is in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will."

Please understand that the United States government, and the United Nations, and the Soviet Union, and the European Common Market, are no challenge for God. He changes their hearts like He changes the course of a stream. He is in total charge.

Three - Prophecy reveals the purposes of God.

God lets us see the future clearly and with confidence. When you understand what is going to happen, you have assurance and you have peace in the present.

Mat 24:32 *Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh:*

Mat 24:33 *So likewise ye, when ye shall see all these things, know that it is near, even at the doors.*

God told Abraham the future of Sodom and Gomorra. In prophecy He tells us the future of the world. We are not at the mercy of CNN, or CBS, or ABC, or NBC. God's word has the answers about tomorrow.

Four - Prophecy is absolutely accurate.

2 Peter 1:16 *says "For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty."*

Peter said that we, as followers of Jesus Christ, have not followed after what we have heard people say about Jesus Christ and His resurrection; but, we are eye witnesses of His majesty. His majesty refers to the eye witness of the Ascension of Jesus Christ.

2 Peter 1:19 *"We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts:"*

A more sure word of prophecy? More sure than what? More sure than our eyewitness account. Peter is saying that prophecy is more accurate than their eyewitness account of the resurrection of Jesus Christ. And then he said , secondly, we do well to take heed. Meaning there is a great benefit to knowing the future. Thirdly, as a light that shines in a dark place. I assure you that America is in a dark place. I assure you that the world is in spiritual darkness. But, I assure you that prophecy is the light that shows us the future so that we know where the world is going. And we know where the world is going. And we have peace, and confidence knowing that God reigns. And that Jesus Christ is Lord, and that He sits at the right hand of God the Father. And everything is going to be all right; because, King Jesus is Lord of all. Give Him Praise and glory, Amen!

No ears to hear, but eyes to see?

First of all let us be clear about the fact that amongst the many names of Christ in all different languages there is no significant difference. Jesus is a perfect name in the English language. In Hebrew Yeshua is also a perfect name as it is in *ALL* other languages. In Hebrew Yeshua means salvation. I like to use both the names Jesus and Yeshua because they are fully interchangeable. Nothing wrong with that! Those who pretend there is something special in a name or exclusivity attached to their specific spoken language, I suggest to join the occult magician society or apply for a role in the next Harry Potter movie. There magically and correctly spoken words and spells do make more sense, apparently. Just for your knowledge : The Lord hates the occult! That is playing with demons and opening doors to them as never before! Serving the enemies' purpose. But let us see what will happen to them. So, if you are in any occult stuff, quit it right now. That's yoga, yin yang, fortune-telling, the magic of reiki and all other initially innocent looking occult demonic stuff included. As some one said before "many alternative ways of being in the world". God forbid! Look up in your dictionary the definition of 'sorcerer' or 'wizard' or 'witch', in case you didn't know yet. Below a summary of occult practices The Lord hates ;

Exo 22:18 *Thou shalt not suffer a **witch** to live.*

Lev 19:31 *Regard not them that have familiar spirits, neither seek after **wizards** to be defiled by them: I am the LORD your God.*

Lev 20:6 *And the soul that turneth after such as have **familiar spirits**, and after **wizards**, to go a whoring after them, I will even set my face against that soul, and will cut him off from among his people.*

Deu 18:10 *There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a **witch**,*

Deu 18:11 *Or a charmer, or a consulter with familiar spirits, or a **wizard**, or a necromancer.*

Deu 18:12 *For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.*

Isa 8:19 *And when they shall say unto you, Seek unto them that have familiar spirits, and unto **wizards** that peep, and that mutter: should not a people seek unto their God? for the living to the dead?*

Isa 19:3 *And the spirit of Egypt shall fail in the midst thereof; and I will destroy the counsel thereof: and they shall seek to the idols, and to the charmers, and to them that have familiar spirits, and to the **wizards**.*

2Ch 33:6 *And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used **witchcraft**, and dealt with a familiar spirit, and with **wizards**: he wrought much evil in the sight of the LORD, to provoke him to anger.*

Mal 3:5 *And I will come near to you to judgment; and I will be a swift witness against the **sorcerers**, and against the adulterers, and against false swearers, and against those that oppress the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right, and fear not me, saith the LORD of hosts.*

Rev 21:8 *But the fearful, and unbelieving, and abominable, and murderers, and whoremongers, and **sorcerers**, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is **the second death**.*

Rev 22:14 *Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.*

Rev 22:15 *For without are dogs, and **sorcerers**, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.*

What does God think about tattoos?

Lev 19:28 *Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD.*

Still favour the occult scene? Go ahead. Enjoy your joyride. Oh yes, demons exist and can make you feel oh so good!

No ears to hear, but eyes to see?

Now let us get another very important thing clear when it comes to our PERSONAL position in God's presence, and show this one to your pastors and preachers too! What CHOICE are you going to make? The author of the next story is Jim Searcy. He likes to emphasise things by quoting them in capital letters, therefore the original text ;

Quote -- "The Body of Messiah is divided today. THIS IS NOT THE WILL OF GOD. These are perilous times known as the Antichrist War on the SAINTS. Satan's method is to divide and conquer. If doctrine divides, FIX THE DOCTRINE. Yes, fix the doctrine, even in a time marked by the reality that men will NOT endure Sound Doctrine. It is time we do something about this.

The following will be hard words for all of us but for any who have understanding of what it means to be the people who must endure the Antichrist War on the Saints, for those who know we MUST endure to the END, these words are necessary and we do need ears to hear by the Spirit, what the Spirit is saying unto the Church in this time.

This is going to be so difficult that only few will choose to try to have ears to hear. Yet, this is essential doctrine revealing the truth of a paradox which the Saints must understand in these last days. We must be part of and IN the Body of Messiah and we must also be obedient if He says come out of Babylon. Every effort will be made to make it as light and simple as possible, but whether anyone will hear or whether they will forbear, the opportunity to hear and consider is the duty of love.

Eze 33:9 & 12 -13 Nevertheless, if thou warn the wicked of his way to turn from it; if he do not turn from his way, he shall die in his iniquity; but thou hast delivered thy soul. Therefore, thou son of man, say unto the children of thy people, The righteousness of the righteous shall not deliver him in the day of his transgression: as for the wickedness of the wicked, he shall not fall thereby in the day that he turneth from his wickedness; neither shall the righteous be able to live for his righteousness in the day that he sinneth. When I shall say to the righteous, that he shall surely live; if he trust to his own righteousness, and commit iniquity, all his righteousnesses shall not be remembered; but for his iniquity that he hath committed, he shall die for it.

The KING is coming, ready or not. He is coming for a glorious Church without spot or wrinkle, and MOST CERTAINLY NO DIVISIONS. I am going to touch upon some sacred cows, some things that are held dearly, yet need to be corrected. The time to make the corrections is NOW. I will try to do this with the Fruit of the Spirit rather than mind or flesh, with both diligence and gentleness.

1 Cor 15:21-22 For since by man came death, by man came also the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive.

In Adam, how many died? ALL died. It does NOT matter what nation or race anyone has entered this world. If your mother gave birth to you then you are born of woman, and born therefore of Adam, and in Adam ALL die. God has no favoured races. God is no respecter of persons. God had from ONE blood made ALL nations, and races.

Acts 17:26 God did not make any second class humans. All are born in or of Adam and ALL will die.

IN Christ ALL shall be made alive. ALL of us, therefore, have one of two choices. As you read this you are either IN Adam or you are IN Christ. As you read this right now, if you are in Adam you are dead, whether you know it or not, and it is just a short matter of time until this reality will be known. If you are IN Christ you are alive.

There are only two men that God sees in the whole of the human race. When God looks down upon this earth from His third heaven He only sees Adam and his body, and He sees Christ and His body. That is the only choice available for any man on this earth today, and the wise will choose LIFE.

1 Cor 15:45-49 And so it is written, The first man Adam was made a living soul; the last Adam (Messiah) was made a quickening spirit. Howbeit that was not first which is spiritual, but that which is natural; and afterward that which is spiritual. The first man is of the earth, earthy: the second man is the Lord from heaven. As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly.

No ears to hear, but eyes to see?

The first man is dust. He is flesh, he is natural, earthy, from the earth. The last Adam is Spiritual. He came from heaven, came to earth, returned to heaven, and will soon be returning to earth to tread out the winepress of the Wrath of God Almighty. He was made a life given Spirit, and is heavenly or SPIRITUAL.

God's eternal purpose in the earth is NOT a natural people, not a natural nation, not a natural race, not a flesh bound carnal people. God's eternal purpose in the earth is a Holy, SPIRITUAL people, without spot or wrinkle and CERTAINLY NO DIVISIONS, no rips, no tears in this Body of Messiah, this Church of the Lord Jesus Christ, the family of God called Israel. There is today much confusion about the Body of Messiah, confusion about the Church, the called out ones, the Spiritual people, who are supposed to be the Body of Christ. I pray we may ALL hear what the Spirit is saying unto the Churches in this time. We need a revelation of the Spirit to see that God's eternal purpose in the earth is not a natural people, but a holy SPIRITUAL nation, the Body of Messiah. This was God's eternal purpose from the beginning of the world:

***Eph 4:1-6** I therefore, the prisoner of the Lord, beseech you that YE, (that is everyone who would dare to take the name of THE Messiah, The LORD Jesus Christ, Israel, the born again ones, the called out ones, the Church of the Firstborn) walk worthy of the vocation wherewith ye are called, With all lowliness and meekness, with longsuffering, forbearing one another in love; Endeavouring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all.*

We are not an accident. We are not a mistake. We are not something that happened by any sort of chance. We are the called out ones, called to be a HOLY nation, a royal priesthood, the children of the Living God of Israel.

***Eph 4:22** That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;*

The first man is Adam. The last man, the last Adam, is Yeshua, Jesus. The old man is Adam and the new man is Messiah. Understand these comparisons, the first Adam, Last Adam, old man, New man, natural

man, Spiritual man, sinful man, Holy man, man bound to die, man bound for Eternal Life.

That YE, (me and you, IF we are truly born again into the family of God called Israel), put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; PUT OFF THE OLD MAN and PUT ON THE NEW MAN.

***Eph 4:23-24** And be renewed in the spirit of your mind; And that ye put on the new man, which after God is created in righteousness and true holiness.*

The old man is corrupt, deceitful, a creature of vanity, lust, envy, covetousness, carnal, and sentenced to death. The new man is created in righteousness and true Holiness.

***Col 3:8-14** But NOW YE, also put off all these; anger, wrath, malice, blasphemy, filthy communication out of your mouth. Lie not one to another, seeing that ye have put off the old man with his deeds; And have put on the new man, which is renewed in knowledge after the image of him that created him: Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all. Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering; Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye. And above all these things put on charity, which is the bond of perfectness.*

Adam is corrupt, sentenced to death, deceived and deceitful, CARNAL. Adam is full of vanity, lust, anger, envy, wrath, malice, filthy communication, and a LIAR. That is the old man sentenced to DEATH. Put on the new man, MESSIAH, Jesus, which is renewed in the knowledge after the image of him that created him. If ANYONE could possibly put on the new man YOU MUST NOW understand this – IN Messiah, if we will put on the new man there is NEITHER Gentile nor Jew, neither circumcision nor uncircumcision. **ALL MESSY MESSIANICS BETTER HEAR THIS. ALL of ANY Denomination BETTER HEAR THIS, All of any race or nation BETTER HEAR THIS NOW.**

No ears to hear, but eyes to see?

Acts 17:30 And the times of this ignorance God winked at; but NOW commandeth ALL men every where to REPENT:

There is NOW to be – IF ANYONE WOULD BE IN Messiah, there is no more American or Iraqi, Southern Baptist or Pentecostal, Catholic or Word Faith, there is NOTHING BUT CHRIST WHO IS ALL IN ALL. And if ANYONE think the other needs to repent, and not personally in need to repent, someone should love them enough to say, such are NOT and will NOT be IN Christ. NO, such are NOT in the new man, such are NOT IN Messiah.

Col 3:15 And let the peace of God rule in your hearts, to the which also ye are called in ONE body; and be ye thankful.

This is the command of the Lord – BE YE THANKFUL. How many bodies? ONE ECHAD BODY.

This is NOT rocket science. Yeshua, Jesus, has ONE Body in this earth. And those who would think themselves more sanctified because of their observances, or their knowledge, or their traditions, or their hierarchies, or holier than thou for any reason, ARE NOT IN THAT ONE Body. Messiah does NOT have multiple bodies. God has ONE ECHAD Body. For by ONE Spirit, Echad, for by one Spirit are we all baptised into one body, whether we be Jews or Gentiles. **ALL BETTER have ears to hear this NOW !**

If you understand this, you will be of better understanding than 90% of those who believe themselves to be part of that ONE and ONLY True Church of the Firstborn. If you can NOT hear this, your future is not as good as you would like to think.

Yes, indeed the pope has a bad future. Any sectarian leader has a bad future. And you should know I do NOT advocate compromise, or to go along to get along. We must gather with Messiah by means of sound doctrine in a world of Babylon religious confusion, marked by a fact that men will NOT ENDURE sound doctrine. Yet, this paradox, is real and better not be missed, the Body of Messiah must be in unity and of one accord.

Either we have all been baptised by one Spirit into THE one Body of the Last Adam OR we are deceived. The Spirit will move powerfully through the Body of Messiah, the Church of the Firstborn, that is in unity and one accord, ECHAD, with the Father, Echad with the Son, and Echad with one another by that ONE SAME SPIRIT of Truth and Holiness.

We will not find this unity in sectarianism, or in our denominations, or in believing our tribe is superior to the other tribes. ONLY in a revelation of WHAT the Body of Messiah IS, will allow there to be this ESSENTIAL UNITY, and Echad nature by the Spirit of Truth. Now there are many members in the Body of Messiah but there is ONLY ONE BODY. That means, that the Body of Messiah has NO national identity. The Body of Messiah has NO NATURAL distinction. The Church of the Firstborn has NO racial or cultural distinction. The Body of Christ stands separate and alone from the national, racial, cultural, and religious distinctions. God does not have a Black Church, a White Church, a Jewish Church, an American Church, or a Spanish Church, or a Roman Church. God does NOT have a German or Italian Church. God has ONE NEW MAN, the Body of Christ.

When anyone would come out of Adam, and step into MESSIAH, it is at the CROSS. At the cross Adam, the old man, the flesh man, the NATURAL is abolished. The NATURAL man dies. The Apostle wrote a letter to the Church in Rome, the Church in Corinth, the Church in Ephesus. If the Apostle TODAY wrote a letter to the Church in Dallas, which Church would get the letter? The Messianic Congregation? The First Baptist Church? The Word Faith Church? The Presbyterian Church? Methodist? Lutheran? Assembly of God? UNDERSTAND, God does not have a Baptist Church. God does not have a Messianic Jewish Church. God does not have a Presbyterian Church. God has ONE Ekklesia. God has ONE Body, THE NEW MAN.

Most people can have citizenship to two countries. They hold American citizenship and have an American passport, because they had a racial NATURAL birth there. That American citizenship came by being born in the FLESH as a NATURAL person in the country known as America. One really had nothing to do with that choice of what race or country that one was born into. One needs not to be ashamed of one's country, race, or nationality. But, we can also be a citizen of Heaven. That passport of the citizen of Heaven is the Blood of Jesus.

No ears to hear, but eyes to see?

Rom 13:1 *Let every soul be subject unto the higher powers.*

Though one should not be ashamed of one's country or citizenship, The Kingdom of God is a higher power than the country of America. The Kingdom of Heaven is the HIGHER power to which one is subject. The Kingdom of Heaven is a higher power than the European Union. The Kingdom of Heaven is higher than the black race, a higher power than the white race, a higher power than any race, any culture, any nation or grouping of nations.

MY NATURAL BIRTH MUST YIELD AND SUBMIT AND FOLLOW MY SPIRITUAL BIRTH WHENEVER THEY COME IN CONFLICT. That is the only way I could possibly be subject to the higher power. I hope this makes sense to you and that you understand this foundational principle of **Romans 13**.

I am not ashamed to be called Messianic, or Baptist, or fundamentalist, or Biblicist, or Pentecostal. However, as soon as that NATURAL identity with any religious sort of classification would come in conflict with the SPIRITUAL, that natural identification or classification MUST submit, yield and go the way of the SPIRITUAL.

We have NOT gathered by the Spiritual but rather by the natural. Yes, think about how we have gathered on the basis of the NATURAL, and not the SPIRITUAL. The Messianic classification or identity is NATURAL regardless of how Spiritual the Messianic would like to think otherwise. Here is typically how people NATURALLY gather – Do you observe the Sabbath? Do you speak in Tongues? Do you believe in the pre-tribulation rapture? Do you keep the Feasts? Do you believe this? Do you believe that? I know the leaven of the Pharisees will kick at this, but that is gathering about the NATURAL and NOT the SPIRITUAL. Because of gathering by the natural and not the spiritual we can not, and will never have unity, on that basis. From 1930-1945 the Church in Germany was more proud to be German than Christian. Therefore, the Church in Germany turned its back on atrocities and even participated in them. Are there Americans more proud to be Americans than Christians today? We should know to expect the vast majority to do just as was done when National Socialism sought to exterminate the Jews in the eminent Global Socialism we see today. Few will choose the SPIRITUAL when it

means going to the death camps to face the same fate as the persecuted minority.

Frequently, naturally rather than Spiritually, the tribe of which one is a part becomes more cherished than to be IN Christ. If we cherish our tribe more than we cherish being IN Messiah, the result will always be to allow that which is contrary to scripture. Today, the majority are more proud to be part of their tribe than to be IN Messiah. There are those who are more proud to be white or black, or Hebrew or Greek, than to be truly be born again into the family of God to walk IN repentance and FAITH in the LORD Jesus Christ. That is reality in the last days of the great falling away from THE Faith.

This is a hard truth, nevertheless, it MUST be received and acknowledged by ALL. We need to get our Passover RIGHT. We must go after that leaven of the Pharisees and Sadducees. MESSIAH OUR PASSOVER IS SACRIFICED FOR US.

1 Cor 5:7 Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our Passover is sacrificed for us:

We dare not be more proud to be white, or black, or Jewish, or American, or German, or Greek, or Italian, or Saudi, or Baptist, or Presbyterian, or Messianic than to be IN Christ. If we are more proud of our tribe than to be IN Christ, then we will invariably allow that which is against scripture. That is always the result of cherishing our tribe more than we cherish being IN Messiah – we end up tolerating things against and contrary to the Word of God. If we cherish our tribe more then we cherish being IN Christ, we will NOT be IN Messiah, we will be in Adam, in deception. The scripture makes it absolutely clear, that we are ALL born sinners, born natural, carnal, vain, flesh creatures. One can not come into the body of Christ in any other way but to become a NEW creature, by a Spiritual birth, through repentance and True Faith, in the True God. The Word of God says we were totally depraved and we had to be TOTALLY reborn into a NEW Spiritual species man. IF that is going to happen, we MUST, of necessity, lose our national identity, our tribal identity, our racial identity, our denominational identity to become a TOTALLY new Spiritual human IN Christ. We can not bring in our cultural identity and impose that upon the Body of Messiah. Yes, even natural Jewish cultural identity is precluded.

No ears to hear, but eyes to see?

However, the Spiritual cultural identity of the God Pleasers, according to the best definition of a Jew ever recorded, becomes a part of that NEW man package.

Rom 2:28 *For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh:*

Rom 2:29 *But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God.*

It is accomplished by our willingness to be subject to the higher powers. Yes, Salvation, Jesus, Yeshua is for whosoever WILL. It is accomplished by that one same Spirit which makes us Echad (One) with the Father, Echad with the Son, and Echad with one another.” --Unquote.

What CHOICE are you going to make? The only thing that saves you is to believe and have faith in what Jesus did for you. Jesus, Yeshua is The way, The Truth, The Light and love. He is eternal.

English is not my mother tongue, but in the process of translating this book into English, another amazing discovery I noticed in my Dutch-English Prisma dictionary was, that the word Pharisee was translated into English in “hypocrite”. So today’s hypocrites are also today’s Pharisees. I like that consistency.

There are people, that have an incredible biblical knowledge. Sadly enough, they do not even know themselves, that they are teaching heresy and probably will never even admit they do so. Having the ability of quoting bible verses and connecting a certain explanation to them, may impress many people, but does not make anyone holier than any another person. Despite of that, there is a large chance they teach from the wrong bible translations and then supposed wisdom becomes a vain heresy. Because it matters if you are teaching from the Holy Scripture or from any other pagan translation. I say it again ; Rat poison is 99% good food and 1 % poison, but it kills the rat.

Same is applicable when it comes to religious matters and certainly when it comes to sound doctrine. God expects us to speak all the same and that is impossible with a few hundred different bible translations. Actually it does not matter how big your church is, or how fast it is growing, or how

much you visit the sermons. What did you do to get confirmation you are having that perfect God promised Holy Scripture? Ask your pastor how he knows that he has? And we have a bunch different translations out there, haven't we? Many atheists would say "The bible is a collection of myths so it can not be true." As there are so many different bibles, could just one be right? Which one is right? Try to ask yourself why the original Hebrew bible copiers put such a gigantic effort in copying **every letter** correctly from the original Hebrew texts. One surely should condemn those periodically updated and 'upgraded' bible translations. Are you reading one of those? You think you could be in error then? Or do you persist? It is your choice, not mine.

Every letter indeed matters. Where does that categorise all the 'corrected' bible perversions? Legal copyright can only be obtained if 10% of the original text is changed. Does your bible have a copyright sign? My KJV hasn't! To me it all makes sense today. With the help of computers we manage to find many bible codes hidden in the original Hebrew texts today, we otherwise would have never found. I give you a few examples. In the first two chapters of the OT, Genesis and Exodus, if you skip every 49 (=7x7) letters in the original Hebrew text, you will find the word HRWT (Hebrew for Torah, which are the first five books of the Old Testament). Numeri and Deuteronomy have the same sequence only here the Hebrew word for Torah is spelled backwards TWRH skipping every 49 letters. Leviticus has a similar sequence, every interval of 7 letters spells out HWHY (Hebrew for Yahweh or God). Could it be, that the first two are pointing forward to Leviticus (HWHY or God) and the last two pointing backward to Leviticus? In Proverbs, skipping every 22nd letter spells out Yeshua, which means 'Jesus' in Hebrew. But it surely is something interesting, isn't it? What would be left of these sequences, if the original copiers had not done their job precept upon precept, character upon character? That's like cutting out just one code from a DNA strain and creating monstrous creature! Time for the next subject.....

Could it be, that dinosaurs were extinct 4400 years ago by a catastrophic event called the Flood and initially lived together with men in the garden of Eden? If it wasn't for Carbon dating, the geological column and the fossil record and the Darwinists persisting in their ideas, you would never be able to believe this statement or even doubt dinosaurs were extinct some 65 million years ago. We will get back to these issues later and prove that Darwinism is a heresy. And that it certainly was possible, that

No ears to hear, but eyes to see?

Dinosaurs lived together with humans. Moreover, it is fully consistent with the biblical accounts.

In Adam ALL died. Right now, we all are spiritual dead creatures in Adam, but can come alive in Jesus Christ. God's eternal purpose is not a natural or flesh bound carnal people but a holy people without division, IN the body of Messiah! And He will be coming back soon to fix this. To tread out the wine press,..... and to do His harvesting,.....

Chapter 4. Men's problems and men's solutions in our world today

In the last 150 years evolution has become a popular theory. At the same time, many new 'isms' arose. Humanism, atheism, communism, socialism, etc. Even today there is absolutely no proof that any animal brought forth another different 'better' animal or new species, absolutely nothing! Despite the fact we already have millions of different creatures living on this planet today, no one **ever** has such thing seen occurring. We do see atrocities though due to mankind's actions. The Tsjernobyl nuclear disaster, and the birth defects it caused, is a horrible example of that. And there is much more. Recently I was shocked, when I read about new scientific projects deliberately creating these atrocities.

Gen 1:24 "And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so."

Imagine a 'genetically grown' (which I like to call 'copied') mouse with a human ear on its back! Can you hear me? This is getting freaky folks. But it exists today. Beside the fact, that we are creating monsters, we are doing nothing more than just copying and pasting God's creation in a weird way and 'creating' nothing meaningful, that is worth to keep alive at all. Also the moral issues here have tremendous consequences and are surely questionable. The Word of God tells us that God created life to reproduce "after his kind," that means, within its own species. God never intended for mad scientists to generate chimeras. Chimeras are half animal / half human mutant creatures in labs. Where will this tampering with life lead? What will be the moral repercussions? Life today has been reduced to nothing, to the point where a growing child in a mother's womb has no right to live.

In the year 2006 my youngest brother's wife became pregnant. The first echo after 12 weeks showed a small anomaly in the fetus spine, according to the medical examination and standards. The medical specialist informed them, that this could mean a 30% chance of a serious birth defect. Consequently my youngest brother and his wife were seriously considering an abortion. We tried to convince them to reconsider their decision. We had a serious dispute for several weeks. We prayed, that the baby would be okay. Saturday April 19th 2008 we

No ears to hear, but eyes to see?

celebrated her first birthday. She is a beautiful healthy baby and is making her first steps already.

Again, if you believe, like evolutionism is telling us, that your ancestors came from a rock, monstrous creatures like chimera's and moral degradation evolve automatically. Anyone ever saw an episode of Star Wars? Now, that kind of creatures is what I mean. You like that kind of stuff? Well, enjoy your joyride. I detest it. God is perfect and created us in his image. There is no need to physically evolve to something better at all!

Gen 1:27 *So God created man in his own image, in the image of God created he him; male and female created he them.*

For those who still don't get it. "In his own image" does not mean identical. Oh yes, I like that "male and female" part in this verse very much. How did that evolve in evolution? Anyone can tell me? Male or female first? Chicken first or egg first? My girls of 10 and 12 years old know the answer to that last question. "The chicken daddy, because God made that first, together with a rooster. They had babies and mammy chicken would hatch the eggs." Childish simple, isn't it? It is so sad how many millions have been deceived, that it makes me cry, really. Look at yourself and your loved ones, your children, aren't they perfect creatures, don't you rejoice about that? Wouldn't you like to enjoy an everlasting perfect gathering with them, without the shortcomings of this world, whatever they may be today? I would and hope you and I will.

All life comes from God, and should be respected as such. Although the idea of growing human organs in animals is challenging and revolutionary, it also violates the most basic LAWS OF NATURE which God incorporated into the universe. To what degree does the end justify the means? This is an important question. If mankind has a right to produce chimeras, then to what degree does he have a right to go... 25% human? ... 50% human ... 75% human? This way, man's unquenchable thirst for madness will be his eventual doom.

Evolution needs billions of years for its theories. Evolution is a mantra. As long as you keep repeating it, some time you will believe it yourself. The Grand Canyon was not formed slowly by the Colorado river. It was formed after the flood when most likely billions of gallons of water flushed that area in a matter of maybe a few days. But does it matter how long exactly it took? The flood is simply the only logical explanation.

Gen 8:2 *The fountains also of the deep and the windows of heaven were stopped, and the rain from heaven was restrained;*

Gen 8:3 *And the waters returned from off the earth continually: and after the end of the hundred and fifty days the waters were abated.*

The geological Column, as we know it today, does not exist anywhere in the world. Index fossils do not exist. The layers are not different ages but all formed at the same time during the flood. Petrified trees connecting multiple layers are proof the layers were formed at the same short time span. And the process of petrifying anything can happen in just a few years, there is enough proof for that. Comparative anatomy does not proof common ancestry. Plants and animals are not related to each other. They do have the same Designer, but not the same grandpa. Natural selection does not cause any evolution. It just selects.

Now, assume an animal would bring forth a completely new species. I even do not dare to suggest 'an improved mutation'. Let us say a reptile brings forth a birdlike creature. All the other existing 'inferior' animals would nearly have to die instantly. Otherwise the mutation would simply be swapped back into the existing gene-code and disappears again. How would the mother reptile feed the baby bird? Imagine! This makes me sick, you want me to proceed this nonsense? Okay, here we go,... Even the chance of 2 or more of these events happening at the same time is ridiculous. One hatching in the US, one hatching in Africa, male and female. Will they ever find each other to reproduce? Yes, there is a chance they can hatch alongside each other too, sure! How would they know how to reproduce? If they got a chance at all to attempt so, before they are eaten by some other animal or die of famine because their mammy can't feed them. No, every animal on this planet is perfect and was created at one event with a pre-programmed instinct (as we call it) and mind. "After its own kind", exactly as God tells us.

Fortunately, God built in an alarm system to keep it that "after their kind" way. He programmed in the instincts of these creatures an interesting feature. Are you ready? In case there is something 'wrong' the mother animal selects the 'mutant' automatically and it is either eaten, killed or will die unattended. That is called rejection. Or I even would like to call it the REAL natural selection. On the contrary! Natural selection PREVENTS evolution! There is a lot of proof for that 'built in' instinctive reaction. Praise God, thank you Jesus, so we could answer

No ears to hear, but eyes to see?

these hypocrites today! Well, looks like another utopia of evolutionism coming true to me. It makes me sick to the bone. But, we are not finished yet. And the average evolutionist should be getting desperate by now,.....

Life does not form by itself! Imagine a squashed mosquito. We have all the ingredients present for the construction of this animal. Only a little bit mixed, right? Would the mosquito form itself back if we could have the patience to wait, let us say, a million years? The same example goes for any animal on this planet folks! No living creature can evolve from non living matter, neither 'evolve' into something better. Smaller does not mean more simpler. A single celled paramecium is more complex than the space shuttle. Birds do not come from reptiles. The eyes of many creatures did not arise over a time span of billions of years. The many trees of how life evolved in many text books are simply false and lies. DNA does not proof evolution it proofs creation. And it certainly does proof the existence of a Designer.

The earth never was a hot molten mass. Halo's in granites are proof for that. In this respect, there is a question though, that has bothered me for a long time. Just before this book went to the publisher the answer came. My question was, "How do we explain the existence of volcano's?" Good question, right? Here is the answer ; The magnetic field of the earth is the result of the fact, that the earth is a gigantic generator or dynamo if you like. Most likely, the outer layer(s) and inner mostly iron containing core, are spinning at different speeds. This process causes the earth's magnetic field to exist. That process also implies a massive friction where the two or more layers touch. The heat as a result of that friction is released through the earth's surface, absorbed by oceans, land and the air, as well as some 'hot spots' or areas what we could call volcano's. And yes, similar to our body at a work out, there are differences in heat release areas. It is obvious that God created layers or stories in Heaven and on the earth itself. Maybe it is wise to see what Scripture has to tell us here ;

Gen 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

Amo 9:6 It is he that buildeth his stories in the heaven, and hath founded his troop in the earth; he that calleth for the waters of the sea, and poureth them out upon the face of the earth: The LORD is his name.

*Psa 29:3 The voice of the LORD is upon the **waters**: the God of glory thundereth: the LORD is upon many waters.*

*Psa 104:3 Who layeth the beams of his **chambers in the waters**: who maketh the clouds his chariot: who walketh upon the wings of the wind:*

Most likely, there is still a layer of water, a residue of the flood, under the crust of the earth, which enables this dynamo-effect. In the areas where also other matter than water, causes friction, like rock against rock, high temperature levels are generated. Consequently causing volcano's, and hot springs.

Let me give you one example of how crazy similar teachings can get. Jeremy Rifkin, in Algeny, 1983, pag 244, said -“We no longer feel ourselves to be guests in someone else's home and therefore obliged to make our behaviour conform with a set of pre existing cosmic rules. It is OUR creation now. We make the rules. We establish the parameters of reality. We create the world, and because we do, we no longer feel beholden to outside forces. We no longer have to justify our behaviour, for we are now the architects of the universe. We are responsible to nothing outside ourselves, so we are the kingdom, the power, and the glory forever and ever.”- (from : Kent Hovind's Creation Seminar “Dangers of evolution”) To me, this sounds like someone who thinks he is God himself, doesn't it? That's very dangerous. We better pray for this kind of people, that their eyes may be opened soon. So far, the only thing really new we 'created', I admit sincerely, and that is true, is called 'misery'. That's what I call the ultimate form of humanism! Who is paying this guy? Are we paying people with tax money to produce this nonsense? Therefore I surely do not feel ashamed, I never made it to such a lost 'scientist'.

Atheism makes sense! At least that is what atheism's evangelist Richard Dawkins is campaigning for in this recently (2007) released debate with Christian apologist John Lennox. In the debate, Professor Dawkins continues his warpath against religion, using his typical British banter. With rhetoric straight off the pages of his New York Times' best seller

No ears to hear, but eyes to see?

The God Delusion, Dawkins claims, “Science supports atheism, not Christianity!”

In comes John Lennox to dispel Dawkins’ discourse. With his matchless logic and rational approach, Lennox asserts, that “it is the very nature of science that leads me to a belief in God.” Christians will find themselves applauding as Lennox puts Dawkins on the defence on the issues of science and religion. You’ll be strengthened in your faith with answers to some of Christianity’s toughest questions.

Dawkins, voted by Europe’s *Prospect Magazine* as one of the world’s most important intellectuals, is regarded by many as the spokesman for the “New Atheism.” BBC has labelled him “Darwin’s Rottweiler”. He has been on The New York Times List of Best Sellers for over thirty weeks. It is a no-holds-barred assault on religious faith generally, and Christianity specifically. According to Dawkins, one can deduce atheism from scientific study, indeed, he argues that it is the only viable choice.

Lennox, a popular Christian apologist and scientist, travels widely speaking on the interface between science and religion. Like Dawkins, he has dedicated his career to science, but he has arrived at very different conclusions. Lennox possesses doctorates from Oxford, Cambridge, and the University of Wales. He has written a response to the notion that science has exposed the Bible as obscurantist in a book titled *God’s Undertaker: Has Science Buried God?* (educative material on this debate available through ; Creation Science Evangelism, Pensacola, Florida)

Now, let me show in a respectful manner mr. Dawkins, who is the one who really is in demonic delusion here! The bible says in ;

2Pe 3:3-5 *Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water.*

That looks like another prophecy coming true to me. Hallelujah! Oh yes, before I forget, I guess after having consumed all this strong meat here, it would be appropriate for the BBC and New York Times to make a

rectification and proclaim a mutation of Mr. Dawkins' present status of "Darwin's Rottweiler" to "Darwin's Chi Hua Hua". Makes more sense now, doesn't it? Later, I actually looked it up what it means. The Chinese word chi means "life force" or "internal energy". 2 x Hua means 2 x transformation, purification, integration, and liberation. Well, God most likely knew this when He divided the languages at the tower of Babel. Awesome again! Got the message Mr. Dawkins? But especially for you personally, He has a stretched out hand too, have a look again!

Evolutionists say they have evidence from fossils. But what does a fossil proof? Nothing. Only that the organism died. Many things can fossilise (turn into stone) just in a matter of years. There is enough proof for that. (*read ; Joe Taylor's Fossil facts & Fantasies*). When all the lies are taken out of the textbooks, nothing is left. God created the world. He owns it and He is the one that makes and surely made the rules! Cosmic rules. Laws of nature. Any law. He made it! Where does that bring us?

You probably agree, that today's world is a wreck. It is far from God's perfect creation as it used to be in the Garden of Eden, some 6000 years ago. We can only imagine and think how beautiful it must have been. Yes, the age of the earth is about 6000 years, because that is where you come up to, when you compose the longevity chart, based on all the ages directly given in Scripture. From Adam to Joseph and all other ascendants in between, directly in Jesus bloodline. This surely makes sense, when you know that scientists dated The Great barrier reef in Australia at an age of approximately 4500 years. The Sinai Desert is estimated a similar age. Could it be? Most likely. Keep in mind, that the flood occurred about 4400 years ago. There is so much evidence pointing in that direction, you would not believe it yourself. But wicked people are twisting the truths to keep us away from God. They are serving Satan's purpose, staying ignorant on the many facts, knowingly or unknowingly, willingly or unwillingly.

We also agree, that science surely has accomplished many things that benefit this world. But do we really need all those 'inventions'? For what purposes? The majority of human kind today is worshipping some image, a stone or pagan god or another idol, that surely is not the God that put His image in the crust of the earth at Mount Sinai. The God of Abraham, Isaac and Jacob. Many know Him also as Jesus, who is the Alfa & Omega, the beginning and the end, The only Creator and Redeemer.

No ears to hear, but eyes to see?

What is really important in your life? Did you ever check out your real motives of everything you do? Many of us have exalted ourselves to a Godly-status and feel themselves almost inviolable in their actions. We have solutions for nearly every problem, any time, any place. But it looks like we are running out of them soon too, aren't we?

What problems do we encounter today? And what are our solutions to them? In fact we are no better than all those generations before us, from the Egyptian pharaohs era, to the present Vatican era. Moreover, many are guilty of participating in changing, covering up and denying in some way the truth, knowingly or unknowingly, willingly or unwillingly. Many of us have their part in this process of deceit. God destroyed everything by the flood, except Noah and his family. I guess, because people were as wicked as we are today,.....

Does everyone today need a 'guru' to understand Scripture? Too many heresies today distract people from the real truth. The fact we have many bible translators and bible correctors and version perversions should wake us up. God is perfect and promised to preserve his More Sure Word for those who are diligently seeking for that truth (*KJV Psa 12:6 -7*). So could it be, that nearly a billion Christians are in error and deceived then? History is full of examples where the majority has been proven to be wrong, everyone knows that.

Many scientific theories can only be explained when they 'create' major disasters in the past. That this could have been an event like 'The flood' never comes up to their mind. And if it does accidentally, it is rejected immediately.

Today's world is looking for a 'technical solution' indeed, pretending that science can save all our problems. Of course this is only partly true, but we need to look at the facts. Where do we stand today? Only the subject of global warming is literally moving billions of people and dollars in a certain direction. Is everything true Al Gore is showing us in his global warming promo-show? Didn't you notice, how easily all these new 'environmental' taxes were passed through many governments. The reason of these many similar new implementations and rules is to be found in these anti-global-warming campaigns themselves. That show is costing you and me money? The real polluters are running away with the money.

The earth climate has never been a constant. There have always been extremes, that's all we can assume. Figures, .. what figures, from whom, by whom, since when? Where measured? What references? I reject this propaganda machine as never before. Even if the whole North Pole would melt down today, the ocean level would still be the same as today. Gigantic ice fields on drift in Antarctica have been scaring many so far. But is that really new information? Is it the truth at all? And still many of us eat this scaring propaganda like butter, don't we?

Sadly enough, we have come to a point where acting against or even resisting these evil forces, we initially didn't and mostly still don't like, will affect our own way of life in such a manner, that the only solution is to not act against it and undergo it passively. We could loose our job, get lawsuits, not fit in the majority's opinion anymore, or become an outcast. Maybe it simply is going to cost you money or hurt any of your other interests. It's today's system, that generates willingly or unwillingly this kind of attitude towards the things that happen around us. Consequently causing a kind of blindness and impotence of what is happening around you, because you have chosen to protect your own interests, your job, your family, your possessions, etc. Amazing isn't it how far we have come today? Democracy, freedom, yes, that all existed once. Supposed 'democracy' exists once in a few years for a few days, when controlled elections are held. And that last bit of freedom surely was annihilated when Martial laws were passed in many countries without even the people knowing it, neither politicians even glanced over it. Shortly after and all under the umbrella of a 'new' phenomena called 'terrorism'.

A beautiful example of this pseudo-democracy are the referenda held by France, Holland and Denmark. The first 2 with regard to the European Law and the last one with regard to the European currency. It's just a hoax and a matter of time before the establishment and their vehicle of politicians will do what they initially planned to do. It's their way or no way. Where does that bring us?

There is no doubt, that the ones who are in charge also control many aspects of the 'liberal' information process, that forms the ultimate way of thinking, that is commonly accepted and maybe even considered to be the 'right' or 'correct' way of thinking, which is the basis for man's acting in this world today. What reference do they have to decide whether something is right or wrong? How are our children educated today with

No ears to hear, but eyes to see?

respect to this basic question, which helps them ‘survive’ in this and their future world? What wisdom are we offering them? Evolution can not and will never give them a satisfying answer to this question. Just a few decades ago, at school naughty children would incidentally spit at each other. Today at schools children shoot each other, because everyone is making his own rules on the subject of what is right or wrong. Why? Because of the lack of a frame of reference, like God’s laws. Few are being taught these basic rules at school today. Again proof of how rapidly in society values are degenerating. That’s where we are heading towards, a state of intolerance and anarchism where everyone makes his own rules and is playing God himself. And it only gets worse.

The next interesting section was first published in *-Answers Update USA-* in April 2005. “It has been often said that “creationists cannot be real scientists.” Several years ago, the National Academy of Sciences published a guidebook entitled *Teaching about Evolution and the Nature of Science*. The claims made in this guidebook have been refuted in Dr. Jonathan Sarfati’s powerful book *Refuting evolution*. This guidebook states, that evolution is “the most important concept in modern biology, a concept essential to understanding key aspects of living things.” In addition, the late evolutionist Theodosius Dobzhansky once made the now well-known comment that “nothing in biology makes sense except in the light of evolution.” (*The American Biology Teacher* 35 ; p 125-129, March 1973)

But is a belief in “particles-to-people” evolution really necessary to understand biology and other sciences? Is it even helpful? Are there any technological advances that have been made because of a belief in evolution? Although evolutionists interpret the evidence in light of their belief in evolution, science works perfectly well without any connection to evolution. Think about it this way ; is a belief in molecules-to-man evolution necessary to understand how a computer works, how planets orbit the sun, how telescopes operate, or how plants and animals function? Has any biological or medical research benefited from a belief in evolution? No, not at all.

Ph.D. cell-biologist and creationist Dr. David Menton, who speaks at many conferences, has stated, “The fact is that, though widely believed, evolution contributes nothing to our understanding of empirical science

and thus plays no essential role in biomedical research or education.”
(*from ; A testimony to the power of God’s Word by Dr. David Menton*).

Nor has technology arisen due to a belief in evolution. Computers, cellular phones and DVD players all operate based on the laws of physics which God created. It is because God created a logical, orderly universe and gave us the ability to reason and to be creative that technology is possible. How can a belief in evolution (a belief that complex biological machines do *not* require an intelligent designer) aid in the development of complex machines which are clearly intelligently designed? Technology has shown us, that sophisticated machines require intelligent designers, not random chance. Science and technology are perfectly consistent with the Bible.

So it shouldn’t be surprising, that there have been many scientists who believed in biblical creation. In the research field of astrophysics, we are reminded of several of the great minds of history. Consider Isaac Newton, who co-discovered calculus, formulated the laws of motion and gravity, computed the nature of planetary orbits, invented the reflecting telescope and made a number of discoveries in optics. Consider Johannes Kepler, who discovered the three laws of planetary motion, or James Clerk Maxwell who discovered the four fundamental equations that light and all forms of electromagnetic radiation obey. These great scientists believed the Bible.

Today as well, there are many Ph.D. scientists who reject evolution and instead believe, that God created all in six days as recorded in Scripture. Consider Dr. Russell Humphreys, a Ph.D. nuclear physicist who has developed (among many other things) a model to compute the present strength of planetary magnetic fields (www.creationresearch.org) which was able to predict the field strengths of the outer planets. Did a belief in the Bible hinder his research ? Not at all.

On the contrary, Dr. Humphreys was able to make these predictions precisely because he started from the principles of Scripture. Dr. John Baumgardner, a Ph.D. geophysicist and biblical creationist, has a model of catastrophic plate tectonics, which the journal *Nature* once featured. This model is based on the global Genesis Flood.

Additionally, think of all the people who have benefited from a Magnetic Resonance Imaging (MRI) scan. The MRI scanner was developed by the

No ears to hear, but eyes to see?

creationist Dr. Raymond Damadian (*Super-scientist slams society's spiritual sickness !*) who has been featured twice in *Creation Magazin*.

Clearly, creationists can indeed be real scientists. And this shouldn't be surprising, since the very basis for scientific research is biblical creation. The universe is orderly, because its Creator is logical and has imposed order on the universe. God created our minds and gave us the ability and curiosity to study the universe. Furthermore, we can trust that the universe will obey the same physics tomorrow as it does today, because God is consistent. This is why science is possible.

On the other hand, if the universe is just an accidental product of a big bang, why should it be orderly? Why should there be laws of nature if there is no lawgiver? If our brains are the by-products of random chance, why should we trust that their conclusions are accurate? But if our minds have been designed, and if the universe has been constructed by the Lord as the Bible teaches, then of course we should be able to study nature.

Yes, science is possible because the Bible is true.

Has Christianity become a pagan religion? Therefore we need to explore the roots of our Church practices. In a book called “ *Exploring the Roots of Our Church Practices*” where much of this is thoroughly exposed (Authors ; Frank Viola and George Barna)

Have you ever wondered why many Christians do what they do for church every Sunday morning? Or is Saturday the right day to do that? Who changed all this? Why do we "dress up" for church? Why does the pastor preach a sermon each week? Why does the congregation sit passively in pews? Why do we have pews, steeples, choirs, and seminaries, anyway? Why do our church services seem so similar week after week?

Not sure? The vast majority of Christians have no idea why they do what they do on a typical Saturday or Sunday. Many Christians take for granted, that their church's practices are rooted in Scripture. Yet those practices look very different from those of the first-century church. The New Testament is not silent on how the early church freely expressed the reality of Christ's, indwelling in ways that rocked the first-century world. Pagan Christianity makes an unsettling proposal: Most of what present-

day Christians do in church each Sunday is rooted not in the New Testament, but in pagan culture and rituals developed long after the death of the apostles. Authors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes, that document the origins of our modern Christian church practices.

In the process, the authors uncover the problems, that emerge when the church functions like a business organisation, rather than the living organism, The body of Jesus Christ, it was created to be. As you reconsider Christ's revolutionary plan for His church - to be the head of a fully functioning body in which all believers play an active role - you'll be challenged to decide whether you can ever do church the same way again (*Source: prophecy news watch Headlines*).

What do you believe then? Is it real and correct what you believe? Or is it just because it makes you feel good and fits in 'your daily program'? As I stated earlier, you never know how much you really believe anything until its truth or falsehood becomes a matter of life and death unto you. It is easy to say you believe a rope to be strong and sound as long as you are merely using it to cord a box. But suppose you had to hang by that rope over a cliff. Wouldn't you then first discover how much you really trusted it? Only a real risk tests the reality of a real belief.

What about other religions beside Christianity? I leave that up to your interpretation, and the interpretation of the other religions themselves.

Personally, I am not against science and I can not change the fact we have many different religions today. People should have the freedom to choose their own religion or way of life. But, I am simply for truth and against error. Rat poison is 99% good food and only 1% poison. But it kills the rat when it consumes it.

Science is okay, as long as it serves humankind and man remains continuously prepared to acknowledge, that God did a great job when He created everything. In fact, the majority of science today is still struggling to daily discover what The Almighty has created in just 6 days and not billions of years as the majority believes today. Did the plants in Genesis survive a billion years without light? Every new discovery is considered to be a new step ahead of the all-saving-&-knowing science. And science takes all the credit for it. **We do not make or create anything new, we just copy and paste God's creation, every time, over and over again!**

No ears to hear, but eyes to see?

And as I said before, what we do create new most of the time is 'misery'. And again, we can not deny, that we live in a wrecked world today, which is far from perfect, compared to what it used to look like. Nevertheless, we still act like inflated frogs. Once the air is out, we are back with our feet on the ground again. And we are the ones to blame, because we did not stick to His rules, but we got terribly lost. Consequently, we call out judgement upon ourselves. God's progressive judgement. And we can see it happening everywhere now.

The moment we understand and are prepared to acknowledge, that we are the ones who messed up, we think twice to say, that God did something wrong or even doubt His existence. Even the question "Where is God now, or why doesn't He intervene in this messy mess?", makes only sense when we understand and acknowledge our part in today's messy mess. God is perfect and will always be the same, but we are not worthy to be in His presence no more. He is 'ultimate perfection' also called Holiness! Compare it like oil and water, they do not mix well. Oil floats on top of water. The majority of the water underneath thinks that oil does not exist, only that small part of the water that is in contact with the oil, knows there is oil, but can't see all of the oil. Once the oil catches fire it can consume the water totally. But the water itself has also the power to put out that same fire..... Today's religious societies have created in many cases deteriorated instant pick & serve-as-you-like religious systems, where people follow their pastors like blind sheep and lack the slightest initiative to search The Scriptures themselves, or question anything they do.

Is the majority always right? Or can they also be in error? Didn't science think a century ago that ill people needed a bleeding and many people died because of that diagnose and measure. Doctors and medical specialists thought they were right and all-knowing too in that time.....

A part of today's science is based on many assumptions or theories and commonly accepted ways of practising science using different 'techniques' trying to prove the correctness and validity of the direction a certain discipline of science is heading in. Many of those commonly accepted ways fail every test of validity when carefully exposed. Even the disciplines within the commonly accepted disciplines that are specialised in a tiny field of that science have an everlasting job to

practice science in their field, attempting to discover what God created and already knows.

Carbon dating is proven to be very incorrect. But it is used in many scientific disciplines to 'date' things still today as if it were an accurate method or technique in science. The inseparable linked geological column does not exist anywhere on this planet. The evolution theory made up by Charles Darwin in the 19th century in his book "the origin of species" is the biggest fairy tale human kind ever fell for. The actual original title of the book would have been even very discriminating today. Still today many 'scientist' are looking for those missing 'missing links', that should confirm that man descended from ape-like creatures and that everything came into existence by pure coincidence or even worse ; 'came from nothing by itself'.

In other words, they are trying desperately to prove God did not do it. The Neanderthal man was found in Germany in a group of 8 skeletons. 7 of them were perfectly normal humans. Only 1 of them appeared to have arthritis disease, which explains for his hump back like appearance. But for decades it was promoted as one of the missing links in evolution and in many cases still today. Lucy is proven to be a hoax, as the same with Cro-Magnon man and many others. The worst thing is, that much of this is still to be found in the text books from which our children are educated at their schools, unbelievable! Research and science are still consuming billions to sustain this madness! Whereas, with just a fraction of that wasted money, millions could have relief in their present sufferings.

"....millions of years ago,.....", when a textbook, movie, documentary or radio-program starts with this text, we taught our own children, that a real fairy tale is coming,.....

Where does the 'stone age' fit into the bible? After the flood Noah and his people and their descendants lived in pretty harsh and hostile conditions. They could not go to the hardware store and get their tools. That should explain for those handmade stone tools. But that was only a temporarily situation. That also explains why many of these tools were found in caves, because this probably were the best shelters in that time. There is no such thing as a 'cave man'. Although some people today need to hide in caves due to other reasons.

No ears to hear, but eyes to see?

Dr. Jobe Martin graduated in 1986 from Dallas Theological Seminary with a Masters in Systematic Theology. He has spent the last twenty years studying the topic of Biblical Creation vs. Evolution, and lectures frequently on the subject. He has written a superb book on the subject, *"The evolution of a Creationist"* (1990). In addition, Dr. Martin, in collaboration with Reel Productions, has produced a very interesting and enjoyable documentary called *"Incredible creatures that defy Evolution"*. Dr. Martin himself was a traditional evolutionist, but his medical and scientific training would go through an evolution rather a revolution, when he began to study animals that challenged the scientific assumptions of his education. This was the beginning of the evolution of a creationist.

Are there really creatures that produce fire to defend themselves? How does a giraffe get a drink without causing lethal blood pressure to his brain? How can Geckos walk upside down, even on glass and not fall? How can birds navigate over thousands of miles of ocean and never get lost? How do fireflies and glow worms create light that generates no heat? How do great whales dive to the bottom of the ocean without the pressure causing them to implode? What creature was the inspiration for the helicopter? How can some creatures be cut in half and still regenerate themselves? Some can even grow a new head! What kind of bird can kill a lion with a single kick? How can some dogs know that a storm is coming before it appears, or can sense when their masters are about to experience a seizure? Which creature perplexes scientists because of its amazing ability to heal itself, even when it sustains horrendous injuries? How do Emperor Penguins go two and a half months without eating or drinking?

Incredible creatures, that defy evolution, featured in his documentary series are ; the Bombardier Beetle, the Giraffe, the Woodpecker, the Australian Incubator Bird, the Chicken Egg, the Platypus, Black & Yellow Garden Spider, the Gecko & Chuckwalla Lizards, and the Human Eye & Ear Drum, Whales, The Pacific Golden Plover, Dragonflies, Hippopotamus, Glowworms and Fireflies, Bears, Earthworms, Elephants, Sparrows, Lamprolaima Mussel, Horses, Ostriches, Hummingbirds, Vestigial Organs, Dogs, Manatees, Elephants, Butterflies, Cuttle Fish, Penguins, Milopina Bee and vanilla. (*Dr. Martin's documentary is available through Reel Productions*)

Finally, let us look at some evidence provided by Kent Hovind's comprehensive research work, that resulted in the following evidence, that supports the age of the Earth and provides proof for Creation. Lots of information is to be found on his many educative materials. Such as The Longevity Chart of Adam to Joseph, which comes out very handy and can be ordered at Creation Science Evangelism.

From the biblical genealogy we can find out many things, like ;

1. Given the information in **Genesis 5** and **11**, it is easy to construct a chart like that. Genealogies are also found in **Luke 3** and **I Chronicles 1** ; however, the spelling varies and in a few instances three people are excluded in some lists for good reason. Some have unwisely used this fact to justify adding millions of years to Scripture
2. Jesus said in **Matthew 19:4** and **Mark 10:6** that the creation of Adam and Eve was "the Beginning" (see **I Cor 15:45** and **Romans 5:12-14**). By further comparing **Exodus 20:11**, **Acts 13:20-21**, **I Kings 2:11**, **11:42**, and other dates given in the Bible and known history, it becomes obvious that the Bible teaches that Adam was created about 6000 years ago, not "billions of years ago" as many textbooks and even some Christians now teach. Recent DNA researches confirm, that we all have a common ancestor that lived in Africa some 6000 years ago.
3. There are scores of scientific ways to show that the earth and universe are NOT "billions of years old." For example : The sun is losing 5 million tons of mass per second. At this rate, several billions of years ago, the sun's gravity would have been much stronger, pulling the Earth into it. The Earth's spin is slowing down about 1/1000 of a second per day. Because of this fact we have a "leap second" where a second is added to the clock every 10 months. Billions of years ago, the earth would have been spinning so fast that life on earth would have been impossible. The distance to the moon is increasing with each revolution. Since the moon obviously used to be closer to the Earth and the moon causes the tides, the tides would have been great enough to drown everything on Earth billions of years ago. The thin layer of dust on the moon, the small amount of sediment in the oceans, the rate of heat loss of Earth, Jupiter, and other bodies in space, the erosion rate of the mountains, the weakening magnetic field, the

No ears to hear, but eyes to see?

small (though increasing) amount of salt in the ocean, the small human population (compared to the growth rate), the rate cave formations develop and a host of other facts from all branches of science show that the Earth is not billions of years old.

4. **Genesis 1 :6-7** and **II Peter 3** tell of a canopy of "water above the firmament." Many scientists believe this canopy of water (or possibly ice) provided greater air pressure with a higher oxygen level and a shield from the sun's harmful rays. These factors could explain the greater age and size of man, animals and plants before the flood. After the flood, the canopy was gone and the life span dropped rapidly in the next few generations (see **Gen 47:9**)
5. The tower of Babel incident probably took place during the days of Peleg when "the earth was divided" (see **Gen 10:25**). The languages, nationalities and possibly the races were created at the tower of Babel. Over the next few decades people migrated to all parts of the world, before the earth was "divided."
6. **II Peter 3:8** "One day with The Lord is as a thousand (not billion) years, and a thousand years as one day." Bishop Ussher calculated the creation to be 4004 B.C. Our calendar is of by about 4 years since Christ was born around 4 B.C. Could it be that God is working on a 7000 year calendar for the earth and that the 7th day (1000 years) is what is referred to in **Rev 20:2-7** and **Isaiah 11:6-16; 65:17-25**? I wouldn't be dogmatic about it, but it would be smart to be ready for **I Thess. 4:16-18**! See also **Matt. 24 :37-38; Luke 17:26-27; Heb. 11:7; I Peter 3:20; II Peter 2:5**.
7. Methuselah's name apparently means "when he dies it shall come." Could it be that God told Enoch to name him that? The flood started when Methusaleh died. Enoch did not know when his son would die. Maybe Enoch stayed so close to the Lord, that God just took him to heaven without dying? See **Gen 5:21-24**.
8. Adam knew Methusaleh for 243 years.
9. Shem knew Abraham, Isaac and Jacob
10. The first 2157 years of history are covered by 3 men who's lives overlap. (Adam, Methusaleh and Shem).
11. How much could you learn in 950 years? The wisdom and the inventions of the pre-flood era were probably much greater than we can imagine.
12. Noah had 6 living ancestors. Imagine those family reunions.

Prophecy;

Did you know that in the genealogy of the names of the direct ascendants in the bloodline of Jesus there is also a prophetic message hidden in itself.

Adam, Seth, Enos, Cainan, Mahalaleel, Jared, Enoch, Methusalem, Lamech, Noah, meaning ; man, appointed, mortal, sorrow, (but) The blessed God, shall send down, an appointed one teaching, his death shall bring (when He dies it shall come), the despairing, rest. That's what I call prophecy fulfilment. Awesome, isn't it?

There is overwhelming evidence presented against evolution in most of Kent Hovind's research. Many of his Creation seminars are available as educative material on different media such as books, DVD's and videocassettes. Check out www.drdino.com for all this eye-opening information. As Kent expresses it in the topic "Creationism against Evolutionism" today, or an even better comparison I also like very much is -God against "nothing"-, and that is what evolutionists claim, that everything came into existence out of nothing. The most scary part is, that in the very far future they expect a reversed process to take place. Is your seatbelt fastened? "That everything implodes into nothing again." Wow, what a fairy tale,.....

The evidence of creation ;

Approximately **4000 BC** we see a creation event. Whether the rings of Saturn, radio-polonium halos, or symbiotic relationships, the entire universe points to a single creation event. **Gen 1:1** , "*In the beginning God created the heaven and the earth.*" Saturn's entire ring structure is very complex and difficult to explain via evolution. One of the rings, the F-ring has an intricate, unstable "braiding" feature that leaves many evolutionists at a loss, when trying to describe how this could have persisted for more than a few thousand years. Radio-polonium halos are perfectly concentric halos, that formed around radioactive elements in igneous rock (granite and other), prove that the Earth was never a hot molten mass, as many evolutionists claim. (read "*Creations tiny mystery*" by Dr. Robert V. Gentry)

No ears to hear, but eyes to see?

2.400 BC ; The flood. Massive fossil graveyards point to a global catastrophe that killed creatures by the millions without destroying their bodies. Around the world we find countless sets of creatures and plants that cannot exist or reproduce without the other, thus invalidating the theory, that these organisms developed separately over millions of years. Examples : Clown fish and sea anemones, Yucca plants and yucca moths. Termites and their parasites.

Unusual rock layers, human objects found in coal beds, and extreme pressure in oil deposits indicate, that this catastrophe was water-based and happened while man was present on this earth. **Genesis 6-8.** Polystrate fossils, transposed rock layers (according to the geologic column), and millions of closed, petrified clams, none of these are explainable by evolution.

Around the world, we find enormous layers of sedimentary rock (rock that is formed in water), proving that at one time the earth was covered in water. Signs of massive runoff, such as The Grand Canyon, show that it happened quickly. Human objects, such as a brass like bell, were found inside coal beds, prove that humans existed before the formation of coal.

Oil is frequently found at extremely high pressures. It is not possible for rock to have contained this pressure for millions of years; therefore the oil was formed recently and under great pressure. The size of the deposits indicates, that they must have been produced in a recent catastrophe, like Noah's flood.(Hovind's Creation Seminar part 1)

1400 BC ; The Red sea Crossing: The miraculous intervention to save Israel from Pharaoh's army, shows God's willingness to intercede on behalf of mankind. Some claim that naturally occurring wind caused that water to become shallow enough for the Israelites to walk across.

However, The Bible is very specific, saying that they crossed on **dry** ground while a pillar of cloud prevented Pharaoh's army from attacking the Israelites. (**Exodus 13-15** and www.wyattmuseum.com and Hovind's Seminar part 7)

0 BC ; Birth of Jesus Christ. Prophetised more than any other event, Jesus Christ's virgin birth, and later his death on the cross was the ultimate gift God could give to mankind. **John 3:16; Rom 3:23 and 6:23**

Jesus Christ is the one and only bridge between God and man. There is no other way a Holy God could save His creation from their sinful ways than by sacrificing His only begotten son. Those who do not believe in God and repent of their sins will be judged for that. The best source of information about Jesus is the KJV Holy Bible.

500 AD ; Fall of Roman empire. The collapse of the Roman infrastructure was caused by many years of barbarian raiding. This damage proved to be too much, sending all of Europe into a thousand year Dark Age.

1500 AD ; Gutenberg's invention of the printing press. While kings and politicians were still trying to rebuild the glory of the Roman empire, a poor businessman changed the course of history with his invention of a moveable type printing press.

Present ; Increasing complexity in a system requires intelligence. When lacking, chaos results. 6000 years of history proves this fact.

The evidence of Evolution (Darwinism)

20 billion years ago ; Big Bang. There is actually no proof of the Big Bang. Scientists have tried diligently to recreate the events of the big bang via computer simulations, but have not been able to without disregarding basic natural laws. Some try to point out select natural phenomena and claim "proof" of the big bang, but fail to realise how little science their theories actually employ.

4.6 billion years ago ; The Earth's formation. So far every theory of the earth's formation goes against physical laws. The second law of Thermodynamics states that everything tends towards disorder. Every evolutionary theory that describes this event violates this law. Merely adding energy does not negate this fact.

3 billion years ago ; Life forms. Does a car form by chance? Does any mechanical device form by chance? Neither could life. If a car can't form by chance how could a "simple" cell spontaneously form when each cell, by itself, is more complex than the Space Shuttle? (*Darwin's Black Box* and Hovind's Creation Seminar part 4). That's like believing that a

No ears to hear, but eyes to see?

Boeing 767 can be formed by chance from the debris and rubbish in a hurricane. Oh boy! Maybe if we wait another million years, we might see it happen. But by then, I guess, we probably have evolved to flying creatures ourselves.

Man appears from ape-like creatures. Still desperately looking for the missing 'missing' link. Piltdown man was a fraud. Nebraska Man was a hoax. Lucy was a large chimpanzee, a variant of which is alive in Sumatra. Neanderthal man was a fraud too. It appeared to be a man with arthritis. Man has been present throughout Earth's history. What proof for the missing link does that leave us,....? (*Bones of Contention by Prof. Marvin Lubenov and Hovind's Creation Seminar part 4*)

Present ; Even in the midst of the information Age, some hold to disproven theories to the detriment of society. Fortunately at this point in history, information is more easily accessible to many than any other time, yet many people continue to reject the truth. Unfortunately, this is reflected in all aspects of life on this planet today. (Hovind's Creation Seminar part 5).

Another interesting subject today is the question about the existence of 'extraterrestrial' life forms. Are they real? Most likely. Are they from other galaxies? Most likely not. What about UFO's? These phenomena look connected. Let us see, whether Scripture gives us some clues here.

Exo 20:4 *Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is **in the earth beneath**, or that is **in the water under the earth**:*

Rev 5:13 *And every creature which is in heaven, and on the earth, and **under the earth, and such as are in the sea**, and all that are in them, heard I saying, Blessing, and honor, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb forever and ever.*

Have we forgotten, before we 'supposedly' visited the moon and went further outer space for 'scientific' research purposes, to check out some other places maybe? Are there 'life forms' we don't know about, still existing on this earth, hiding somewhere? Most likely. Time for some science fiction or truth now! In 2001, over twenty witnesses from high ranking military, intelligence, government, corporate and scientific

background gave first-hand testimonies at The National Press Club in Washington. Was it orchestrated? I don't know. The project was called "The Disclosure Project". It is obvious, that something strange is going on. Why would they cover something up for many years initially and make it public now? Actually, they gave confirmation of the existence of what we call UFO's and the existence of several kinds of these (extra-?) terrestrial beings. Maybe, they try to proof evolution or to disgrace God by exposing these 'extraterrestrial' beings and their crafts? Or are they from the beginning terrestrial, which means in simple English 'from earth'? We can think of many scenario's, but to say anything meaningful on the subject, is hardly impossible, there simply is not enough hard evidence available today. Everything is merely speculation. In such case of possible delusion, I only trust The More Sure Word called the KJV Holy bible.

Maybe after the global announcement of this discovery, if it ever comes that far, ET or another galactic discovery and lie from captain Kirk, is taken out of the closet again, to satisfy the lusts of the global atheists and satanists and disgrace the average believer in God again. I hope though, that this discovery may touch the heart of some of those involved in this satanic plot, to disclose and break their satanic secrecy codes and show actual proof to the world what is really going on. In this respect, I would like to mention an interesting and still controversial testimony from 1995 of a former US-government employed high ranking officer, operating under the highest security clearance levels, a geologist called Phil Schneider. In 1995 he partly disclosed the secrecy, which is considered **ABOVE top secret**, about what is going on at many of some hundred thirty DUMB's (Deep Underground Military Bases) in the US and some abroad. Schneider's testimony actually confirms, that mainly the US have many deep underground military bases. Sometimes more than a mile deep, hosting different kinds of (extra- or intra-?) terrestrial beings in large deep underground 'cities' and complexes. He also stated, that the military and other officials (scientists?) even collaborate with the peaceful kind(s) of these creatures. Strangely enough, shortly after his disclosures, Phil Schneider died under very questionable circumstances. His job as a geologist mainly was, to construct very deep underground tunnels, with the help of top secret and highly sophisticated machinery and technologies (nuclear). According to him, everything happened under a billions-of-dollars-consuming 'black budget' even US-Congress doesn't know about. The main purpose was and probably still is, to create deep

No ears to hear, but eyes to see?

underground cities and prison facilities as well as interconnecting the many bases by a network of deep underground tunnels with high-speed trains reaching speeds up to Mach 2. One time Phil and his workers even had a hostile encounter with a group of, in this case, the hostile and not the peaceful kind of these creatures, when they accidentally struck into one of their 'unknown' underground bases. In that incident 66 men out of 70 were killed. Schneider was one of the survivors, but seriously injured. He also mentioned a pact the US government is supposed to have with some of these beings, probably since the Roswell incident in 1947, when they first could have made contact. Who is their leader? Satan? Is he actually somewhere down there? That would fit many biblical descriptions, wouldn't it? What is the content of that pact? Look at these verses ;

Mat 4:1 *Then was Jesus led up of the spirit into the wilderness to be tempted of the devil.*

Mat 4:2 *And when he had fasted forty days and forty nights, he was afterward hungry.*

Mat 4:3 *And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread.*

Mat 4:4 *But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.*

Mat 4:5 *Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple,*

Mat 4:6 *And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone.*

Mat 4:7 *Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God.*

Mat 4:8 *Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;*

Mat 4:9 *And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.*

Mat 4:10 *Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.*

Mat 4:11 *Then the devil leaveth him, and, behold, angels came and ministered unto him.*

Also in **Mar 1:11-13** and **Luk 4:2-14** we see similar descriptions. To which mighty men today, would the devil be able to make such similar promises and proposals as mentioned above? Jesus said in ;

Rev 2:13 *I know thy works, and where thou dwellest, even where Satan's seat is: and thou holdest fast my name, and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwelleth.*

Knowledge, technology and superior power in exchange for what? To allow macabre genetic experiments and abductions? The book of Genesis talks about “there were giants in those days”. In that time, before the flood, probably satanic forces were already trying to genetically manipulate God’s creation to their benefit, apparently without success.

Gen 3:15 *And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.*

Luk 17:26 *And as it was in the days of Noah, so shall it be also in the days of the Son of man.*

Could it be, that these creatures are of demonic origin, fallen angels if you like? Still trying desperately, also after the flood, by genetic experiments, to create some kind of genetic mutation, which enables them to live themselves on the face of the earth, instead of in the deep darkness, where God put them for punishment? Based deep **under the earth** (**Exo 20:4** and **Rev 5:13**). Are they trying to create a carnal form to host their evil spirits? This surely could explain things such as the many strange cattle mutilations and reports of human abductions on a world wide scale. I would not be surprised, if we see one or more of these creatures being presented to us on TV soon, maybe stepping out of a UFO, to confirm they came from some ‘distant galaxy’ and their intention is, to save mankind from self-destruction. That would be world news, wouldn’t it? How many people would fall for such a delusion? Subsequently, ‘ET’s’ providing us that ‘technical solution’ and hyper-knowledge, which pagan mankind is desperately looking for today. And the world does not comprehend ET’s probable real satanic plan of destruction. Consequently, a majority walks right into Satan’s trap. If this is true, who are the people involved in this plot, what are they up to and

No ears to hear, but eyes to see?

why? A New World Order maybe? A world in which the average ‘non-elite’ human being will be enslaved? I wouldn’t be dogmatic about it, and it sounds like science fiction indeed. Nevertheless, this could be one of the many scenario’s to come and be part of that strong delusion God is talking about in ;

2Th 2:11 *And for this cause God shall send them strong delusion, that they should believe a lie:*

One thing is sure though, that many will choke on the bones chewing the strong meat of this stunning discovery at the real mount Sinai and its joining messages. And as we know, people desperately gasping for air, can make strange moves. Let us see, what answers or alternate strategies they come up with and if a disclosure of ET’s satanic version will be part of it. I am very curious.

Chapter 5. God's plan

Actually we saw the summary of God's plan in the images that were presented in Chapter 2. Who is God? Can we ever know that in full? No, never. But with our limited brains we can give it a try. Imagine Mr. and Mrs. Flat living in Flatland. Each being a piece of paper lying on a table. Two dimensional. Just length and width. God is a multidimensional being and tries to communicate with Mr. And Mrs. Flat. If God puts 2 fingers on Mr. Flat, he will say God is 2 circles. If God puts 3 fingers on the paper of Mrs. Flat, she will say no, God is 3 circles. Consequently, they start 2 churches, the Two Circle Church and the Three Circle Church. And that is how division is born. And that is what we see happening around us today.

Jesus was here for a purpose some 2000 years ago. Jesus said to Pilate ;

Joh 18:36 *Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.*

Joh 18:37 *Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.*

Jesus is coming back to rule this world for a thousand years. A millennial reign, a millennial Sabbath. The beginning of the 7th millennium after creation. Combine these verses to understand the meaning ;

2Pe 3:8 *But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.*

Rev 20:2 *And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,*

Rev 20:3 *And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.*

Rev 20:4 *And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshiped*

No ears to hear, but eyes to see?

the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

Rev 20:5 *But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection.*

Rev 20:6 *Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.*

God's plan is established by the 7-day week. God gave that example, that is part of an overall plan. A 7-day week for a 7000 year plan. During the first 6 days, representing 6000 years, God allowed mankind to rule freely according to his rules. God hopes mankind will live according to His rules. Therefor He gave us 10 Commandments. The 7th day is God's day, also known as the Sabbath. That's the time God will rule himself through Jesus Christ when Jesus returns to clean up the messy mess on this planet.

Don't we plan ourselves the future of our children too and only want the best for them? Don't we want to raise them in freedom and liberty of choice? Don't we want to give them right moral standards to determine right from wrong? Wouldn't you like your children to become righteous people on this planet? But sometimes, because children have their own opinions and ideas that can differ, this original parents' plan or desire can become a problem. That strange phenomena is also called rebellion. What can we do? Despite everything, we mostly love our children so much, that we will forgive them anything and help them whenever and wherever we can. But isn't it amazing, the moment we experience when children make the right choices and decisions by their own free will, themselves? And exactly that is, what God wants and expects us to do too. Otherwise God would represent the status of a dictator in His Creation. And for that purpose He gave us 10 simple instructions, called the 10 Commandments, not the 10 suggestions. As you already know by now.

Well, in a similar way God has a plan for us. In God's initial creation everything was perfect until the moment that one of his creatures fell into rebellion and started messing up things. I prefer to call that creature by his name ; Satan. Generally also known as Lucifer the devil. Satan had followers too, which also were angels of God's initial creation. Most likely, here we have the first form of terrorism in the universe ever. Satan and his angels want to destroy part of God's creation called mankind in

particular. I still prefer to call Satan's angels 'demons' in this respect. Adam and Eve were Satan's first victims. By Satan sin and death came into this world. God's perfect creation fell into misery. Terrorism was born. This is still the basis of the real spiritual war that is going on today. And it is the spiritual presence, and in some cases maybe even physical presence, of these demons, that have the power to influence mankind's actions, reactions and decisions. These creatures know God's plan to a certain extent and know their time is running out. This is exactly what will accelerate things that are going to happen in our world in the near future. And hopefully you read that last chapter in the New Testament book of Revelation, then you know who will win that battle. Actually, it was already won some 2000 years ago at the cross. And Satan walked right into God's trap.

1Co 2:8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.

So now, Satan knows he is a defeated foe, but is trying desperately to destroy as much as he can of God's creation. As you probably know and as we also have seen and understood from the message that is in the images, only by Jesus' sacrifice at the cross, that line of Satan, or right to claim anything, is **cut off forever**. Satan is a defeated foe. But he is still messing up things here in this world we live in, right now. The war is not finished yet. But some 2000 years ago our 'hiding place' was secured forever. We can have the best attorney in this universe, available right now, called Jesus Christ or Yeshua in Hebrew. Our part is that 'choice' part, which we have to make ourselves.

Some might say ; "Why does God not intervene now, why is it taking so long?" A good and plausible question. Most likely, God is a multi-dimensional being and stands outside linear time. We experience time as a process that 'endures' or 'lasts'. Most likely, God can see at the same time, what is happening in the universe 2 million light-years (measured at the present speed of light) away from us and what we are doing right now on planet earth. And the bible gives us some clues about that, again ;

2Pe 3:8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

No ears to hear, but eyes to see?

The above is hopeful to me and I hope the same to you. Now, because God does not want to be a dictator, he created a universe in which creatures have a free will to decide. He just gave 10 basic rules to stick too, which I think is fair. And that is exactly where we get into trouble. The new and perfect Kingdom to come, will exist with only righteous creatures, that have passed the test in this messy mess and deserved their entrance ticket to that Kingdom. Only because of the right choices they made by themselves. And the Blood of Jesus is that entrance ticket. Most likely, it will not be a carnal form anymore but a spiritual form.

Imagine you yourself would have the task to create your perfect kingdom with only righteous people in it. Whom would you allow to enter? Someone who is disobedient to you and your rules? Someone who can not accept your authority? Someone who is jealous? Someone who likes to hate or kill? A thief? A fornicator? I surely would not allow them to enter! Consequently, in God's new Kingdom, soon to be set up, there is no place for this kind of sinners anymore.

Today's messy mess in this world is men's test to qualify for that entrance ticket of that new perfect Kingdom. There will be no place for self idolaters, fornicators, thieves, liars, hypocrites, etc., everything that God hates. There will be no need of prisons, police, IRS, judges or lawyers there. That really sounds like heaven, doesn't it?

Unfortunately, today it looks like the idolatrous majority thinks they are perfect in their ways and no one can judge them anyhow. It seems like injustice and unrighteousness pay out well in today's world. "Enjoy life as long as it lasts" is the motto,... "do whatever you like,"....., 'carpe diem'. Humble and righteous people seem to be mainly at the losing side of society. That is exactly what God is trying to tell us and warn us for in His Scripture.

If you really want to know your Creator, how He thinks, how He acts, what He is like, there is but one way and that is to read His Word, like He said we should do it, precept upon precept, line upon line. Everything in the right context as it is meant to be. Unfortunately today many take biblical things out of context or use them to their own benefit and not to God's glory. And that's when most heresies are born, and at the same time many people deceived.

We already talked about the fact, that in today's abundant injustice it looks like being wicked pays out well. But that's only temporarily. God will fix everything back to Garden of Eden conditions or even better...!

Jesus said in **John 14:15** "*if you love me, keep my Commandments*".

Yes, In the New Testament He summarised them into 2, the first one summarising the original 4 "how to love and honour your only God. The second one, summarising the original last 6 "how to love your neighbour", period. Let me explain it, for those who still don't get it. You probably agree with me, that the traffic legislation is the summarisation of all laws with regard to traffic, right? So if you keep to the traffic legislation as you please and don't know what the details are, you can never know that jumping a red traffic light is against the law, right? So you just do what you do and feel good at it, right? You are the one that is making the decisions, right? You don't even know when you are trespassing the traffic law, because you don't know the details! Your mailman or a police-officer will let you know automatically, where and when you were trespassing the law. But then it's already too late, right?

We have to do this ourselves, to show ourselves approved unto our Creator. Your own desire or inner urge to want to know and do what God said should get you on that path of Holiness. And that's when the Holy Spirit comes into action. To guide you on that narrow path and keep you there through this interaction with God's More Sure Word, which is crucial in this process. That surely will imply, that your own conscious (demons?) is trying to tell you something else, whenever you try to do things the way God said. And that's the moment, where you have to make the right choices yourself. That's where the battle is to be fought.

Sadly enough, many religious deceivers and liars for hire today only act to impress others. That practice is very wrong. Here we go again ; "You never know how much you really believe anything until its truth or falsehood becomes a matter of life and death to you. It is easy to say you believe a rope to be strong and sound as long as you are merely using it to cord a box. But suppose you had to hang by that rope over a cliff, wouldn't you then first discover how much you really trusted it? ...Only a real risk tests the reality of a belief." I hope you understand what real risk is at stake here for everyone on this planet. "Eternal life in a perfect kingdom!".

No ears to hear, but eyes to see?

Joh 1:1 *In the beginning was the Word, and the Word was with God, and the Word was God*

Jesus is often also called The Word. So what does that make Him? Anyone? God made this world. That means He owns it. That means He makes the Rules too. The heavens declare the glory of God.

Gen 1:1 *In the beginning God created the heaven and the earth.*

Later in Creation God divided the heaven apparently into 3 firmaments of which the 1st heaven is the firmament, the air we breath, the atmosphere, the firmament where the birds fly.

Gen 1:20 *And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven.*

The 2nd heaven is where the sun, the moon and the stars and galaxies are.

Gen 1:14 *And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:*

Gen 1:15 *And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.*

Gen 1:16 *And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.*

And the 3rd heaven is where God lives.

2Co 12:2 *I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such a one caught up to the third heaven.*

God made the earth, what is in it, the heavens and everything in it. He gave us at a certain point in time, through Moses, ten simple instructions to live by, of which is not much left in many Christian denominations today. Many changed them to their own benefit and interpretations.

Many times in the bible we find that God “stretched out the heavens,..... He did it by Himself folks! When God created the earth.

Psa 24:2 For he hath founded it upon the seas, and established it upon the floods.

There was and probably still partly is, a layer of water beneath the crust of the earth in subterranean water chambers. Before the flood most likely there was an ice canopy high above in the atmosphere. In Genesis we find how that was done ;

Gen 1:7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.

When the flood occurred the subterranean water-chambers were released into the atmosphere due to a cataclysmic event that triggered this (see Dr. Baumgarten and Dr. Brown's theories). The ice canopy in the atmosphere collapsed. This cataclysmic event can have had several causes. Maybe a gigantic earthquake, by which the crust of the earth could have cracked around the globe.

Imagine a few miles of rock pressing on a few miles of water. When the cracks occurred, billions of tons of sediment were released unto the earth's surface and atmosphere, with a tremendous pressure and supersonic speed, shooting debris into orbit and space. This again, could explain the many layers and sediments we find today, which also came from the 'so-called' fault lines we have on this earth today. Earthquakes are proof for these 'plates' still moving. Some even say a very large ice-comet passing our solar system and partly impacting planet earth, could have been the cause triggering this cataclysmic event. Both theories also could explain the crater impact zones on other planets, like the Moon and Mars.

Due to a rapid cool down of the planet, ice age conditions 'evolved', in a very short time. This could also explain why many Mammoths were and still are being found standing in an upright position and frozen almost instantly, with still the food (tropical plants in Siberia?) in their stomach and mouths.

Oh yes, and a hippie elephant, like the long-haired Mammoth, was probably not like that because of the so cold supposed 'ice age', that made him adapt that way. No, no, no. Compare it to an Oerang Oetang,

No ears to hear, but eyes to see?

he is a primate, that has similar long hair and mostly is to be found in tropical area's too. Today the cracks and fault-lines are the scars we see on the face of the earth as a result of that cataclysmic event called the flood. When the waters of the great deep broke up. And the bible states it very correctly. No wiggle room left.

Gen 7:11 *In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were **all the fountains of the great deep** broken up, and the windows of heaven were opened.*

Where does this scenario leave the Pangea theory, which claims that all continents were connected once? If we take out all the oceans you will notice there is dirt underneath that water. And if the present levels of the oceans are increased or decreased by just a few hundred yards the coast lines look very different from today's coast lines. Did I miss something here? Hello?

That canopy of water above in the atmosphere caused the earth probably to have a green house effect in some way. There could also have been holes on the North and South pole, to prevent too high air pressure. Most likely as a result of increased magnetic field lines at the Poles. Like a steam cooking pot's release valve. Things grew really big then, like dinosaurs and incredible large vegetation, which also explains for the large coal sediments everywhere found today on this planet. These sediments were formed by The Flood in several layers and under high pressure in a relatively short time span. And whenever we find bones of any kind today, petrified or not, the only valid conclusion is, that the organism it came from, died at one time. Nothing more nothing less.

The ice canopy filtered dangerous UV-light and caused a certain increase in air pressure on earth. Probably twice as high as today. Because Dinosaurs had nostrils the size of a horse, there had to be a different climate as today, otherwise they would have suffocated as a result of a lack of oxygen.

That ice canopy in space also prevented organism's skins from decaying more rapidly than today is the case. Wrinkles would start appearing not until you were some 500 years old. Probably in the pre-flood era there also was a higher percentage of oxygen in the air. This is confirmed by what was found in analysing air bubbles in barnstone (petrified tree sap).

And because mankind became so wicked, God had to destroy everything but Noah and his family. And the Flood was the event that God used to accomplish that.

What about the petrified fossils that are found and dated millions of years old? First, it doesn't take millions of years to fossilise things. Secondly, as we already saw, almost anything of organic substance can fossilise in just a few years. With regard to the carbon theory and its validity, I also refer to the earlier facts dealt with on that subject. Many 'carbon dating' research results are frauds!

The reason of all this deceitfulness, is simply to keep us away, distract us from and make us doubt the existence and authority of God Almighty and His Son Jesus Christ. God's plan to save us is perfect. Satan is a deceiver and he is good at it. Enough proof around us for that. I wonder what King Jesus' new Kingdom will be like. It must be fantastic, don't you think?

Chapter 6. Other points to ponder – more evidence for Creation and a young earth

Did we reset date and time when we invented the atomic bomb? What does 2008 AD or your own date of birth mean to you?

Did we reset time when Darwin, who initially studied theology by the way, ‘evolved’ to a pseudo-scientist and accidentally made up his theory? The actual name of his book was “On the origin of species by means of natural selection” with subtitle “or the preservation of favoured races in the struggle for life” published in 1859. “Favoured races”? That sounds very discriminating to me. Could that make him a racist today? That’s probably why that subtitle is done away with today. According to his own report, he found in Uruguay identical very large versions of skeletons of many species we know today. Well, that again fully complies with the biblical account and the pre-flood era, where things simply were bigger and grew much older than today. The bible says in Genesis ;

Gen 6:4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bore children to them, the same became mighty men which were of old, men of renown.

Methuselah reached the age of 969 years. Others of that pre-flood era also reached very high ages. Below a few names of those people. Why and how was that possible? Most likely, it were the totally different environmental and climatic conditions in that time, which caused that.

Gen 5:5 And all the days that Adam lived were nine hundred and thirty years: and he died.

Gen 5:8 And all the days of Seth were nine hundred and twelve years: and he died.

Gen 5:11 And all the days of Enos were nine hundred and five years: and he died.

Gen 5:14 And all the days of Cainan were nine hundred and ten years: and he died.

Gen 5:17 And all the days of Mahalaleel were eight hundred ninety and five years: and he died.

Gen 5:20 And all the days of Jared were nine hundred sixty and two years: and he died.

Gen 5:23 *And all the days of Enoch were three hundred sixty and five years:*

Gen 5:27 *And all the days of Methuselah were nine hundred sixty and nine years: and he died.*

Just to name a few. And these are years and not months as some wise guys might assume. Was Enoch 65 months when he became Methusaleh's daddy?

Gen 5:21 *And Enoch lived sixty and five years, and begot Methuselah:*

Did you know that many human skeletons have been found measuring between 10 feet to 16 feet in length? Much of this and more evidence of these giant creatures, including dinosaurs and other animals we know today, that lived during the pre-flood era, is to be found on Kent Hovinds Creation Seminar DVD "The Garden of Eden". A real eye opener. I did not know that, but apparently reptiles are the only creatures that keep on growing all their life. That should give us a big lizard after a few centuries. I mean, a real big lizard, right? Another interesting website on this subject is to be found at <http://s8int.com/index.html>. Does the bible speak about, what we today call dinosaurs at all? Well, below some examples of that;

Job 40:15 *Behold now **behemoth**, which I made with thee; he eateth grass as an ox.*

Job 40:16 *Lo now, his strength is in his loins, and his force is in the navel of his belly.*

Job 40:17 *He moveth his **tail like a cedar**: the sinews of his stones are wrapped together.*

Job 40:18 *His bones are as strong pieces of brass; his bones are like bars of iron.*

Job 40:19 *He is the chief of the ways of God: he that made him can make his sword to approach unto him.*

Job 40:20 *Surely the mountains bring him forth food, where all the beasts of the field play.*

Job 40:21 *He lieth under the shady trees, in the covert of the reed, and fens.*

Job 40:22 *The shady trees cover him with their shadow; the willows of the brook compass him about.*

No ears to hear, but eyes to see?

Job 40:23 Behold, he drinketh up a river, and hasteth not: he trusteth that he can draw up Jordan into his mouth.

Job 40:24 He taketh it with his eyes: his nose pierceth through snares.

“Which I made with thee” means “which I created at the same time I created you,” that’s us, the human race!!! Does this description look like a hippo to you, as many suggest today? Probably the wrong translation then.

In the next verses God talks to Job about the Leviathan. Read the entire passage from **Job 41:1 to 41:34** to a child and it will tell you that God is speaking here about a fire breathing dragon, as we would call a Leviathan today. Awesome! I only quote the first 10 and 3 very interesting ones here. And hope the Lord will forgive me, that I do this shortcut.

Job 41:1 Canst thou draw out leviathan with a hook? or his tongue with a cord which thou lettest down?

Job 41:2 Canst thou put a hook into his nose? or bore his jaw through with a thorn?

Job 41:3 Will he make many supplications unto thee? will he speak soft words unto thee?

Job 41:4 Will he make a covenant with thee? wilt thou take him for a servant forever?

Job 41:5 Wilt thou play with him as with a bird? or wilt thou bind him for thy maidens?

Job 41:6 Shall the companions make a banquet of him? shall they part him among the merchants?

Job 41:7 Canst thou fill his skin with barbed irons? or his head with fish spears?

Job 41:8 Lay thine hand upon him, remember the battle, do no more.

Job 41:9 Behold, the hope of him is in vain: shall not one be cast down even at the sight of him?

Job 41:10 None is so fierce that dare stir him up: who then is able to stand before me?..

Job 41:19 Out of his mouth go burning lamps, and sparks of fire leap out.

Job 41:20 Out of his nostrils goeth smoke, as out of a seething pot or caldron.

Job 41:21 His breath kindleth coals, and a flame goeth out of his mouth.

It is amazing too, that many similar fossils are often found in large 'graveyards' at the same location. When we take the flood into account, this could make sense when these animals died in flocks in the first weeks or months of the flood in relatively low water levels. Floated around a short time and sank quickly thereafter and were covered quickly by new different sediments, in which we find them today. Also there is evidence available that confirms, that humans and dinosaurs lived together. Human footprints have been found together with gigantic Dinosaur footprints in the Glen Rose formation at Paluxy River, Texas (*Science Creationism*, 1974, by Henry M. Morris). There is so much evidence, that it is simply overwhelming. Of course, these important and amazing discoveries are refuted and rejected by the evolutionists. And many sources like scientific broadcasting channels that diligently promote evolution are surely not going to show that evidence to you. Is that the way they handle evidence and science? When it does not fit their theory, evidence simply is rejected? That's not science, that's a cult!

Those practising real science should determine first, if there could be something wrong with their theory, right? Isn't that what real science is all about? Check and recheck the evidence and observations continuously with your theories, evaluate things, wherever it leads you? And that includes also, daring to admit you were wrong? Evolution is not a science. It is a hoax. Billions of tax money every year again spent in vain. Are you part of it? I suggest you get a life and discover the real Jesus!

Did we reset time when Einstein saw the light, which speed sadly enough for him, appears not to be a constant? The instruments we use to measure that speed with today, are based themselves on the principles of the speed of light. That is like trying to measure how long one foot is with a one foot ruler. It was an important event though, wasn't it? But we didn't reset time.

About 6000 years ago God created everything. The genealogy in the bible is very clear on that subject. It is relatively easy to find that out. The KJV Holy bible has simply no equivalent on this planet when it comes to, consistency, scientific accuracy, philosophy, wisdom, love and last but not least prophecy. The most valuable message we receive in Scripture is the perfect 10 simple basic instructions how to live a righteous life on this planet, that were given to us by our Creator.

No ears to hear, but eyes to see?

In the section that follows, more evidence of Creation and a young earth will be given. Many also very interesting facts will be reviewed here with the reference of their origin ;

Galactic evidence ;

The spin of the earth is slowing down. If billions of years old, the earth would have spun incredibly fast. Imagine a 1 hour day, 1 hour night or maybe 5 minutes or even less. Imagine the tides. The distance between the earth and the moon is gradually widening. Over billions of years the moon would be much further away from the earth (*Dr. Thomas G. Barnes, Receding moon*). We already touched the subject of the speed of light with regard to distant galaxies 'millions of light-years away'. Light simply was much faster in the beginning of Creation. Scientists in Switzerland succeeded in slowing down the speed of light to just 40 miles per hour.

The arms from distant spiral galaxies like the Centaurus galaxy, should have less twist than closer galaxies. Instead the twist in both distant and near galaxies is about the same. Again evidence that light may have travelled faster than the known speed of light at some time in the past. This also would point to a young earth. (*In the Beginning, Walt Brown, 1996*).

If the universe began with a 'Big Bang', all the planets would spin in the same direction. Venus and Uranus do not! 6 of the 63 moons in our solar system rotate backwards. Jupiter, Saturn and Neptune have moons orbiting in both directions. (*Astronomical Almanac for the year 1989, Wash. DC US Government, Printing Office, 1989, p. E88*)

There are so-called 'short-period' comets in outer space. Their life expectancy is less than 10.000 years. Evolutionary astronomers mistakenly claim 'short-period' comets originate from the imaginary 'Oort Cloud'.

There is no evidence of life on Mars or anywhere else in the universe. Canals on Mars or the discovery of water do not necessarily indicate there is life on Mars. Canals may also be created by jets of Carbon dioxide. (*NASA American Research Center and Peter D. Ward, Donald Brownlee, Rare Earth, 2000*)

Rings on Saturn are rapidly being destroyed by meteorites and should have been pulverised in just a few thousand years. (*Sky and Telescope*, Vol. 69, January 1985, p.22)

Jupiter, Saturn and Neptune are still 'hot' planets. Evidence they have not existed long enough to cool down. (*Walt Brown, In the Beginning, Center for Scientific Creation*, 1996)

Genetic evidence ;

Gregor Mendel first recorded the concept of Genetic Variation (or micro evolution), which proves that numerous variations are found within a kind. Different plant variations, big dogs, small dogs. Brown, black or multicoloured cattle. Different human races, etc. Many different variations can be found in nearly any kind of organism, differing in colours, sizes, shapes etc., within that same kind, surely no mutants here. Everything still as God wanted it to be 'after its kind'.

Genetic Evolution (or macro evolution) theorised by the well known Charles Darwin falsely believes mainly the following hypothesis;

- Humans and other life-forms arose from a common ancestor
- Human origins can be traced back to single-cell life forms in the ocean (premordial soup) billions of years ago
- Genetic mutations result in advanced new species, when in fact they result in defects, disease and death
- Correctly believes, that DNA carries information that is transferred to offspring, (eye, colour, etc.) but falsely assumes a new species is generated
- Life originated from primordial soup or from inorganic matter into single celled life.

We already exposed the numerous frauds on once presented 'missing links', like Neanderthal Man and many others.

The assumption of Evolution that complex life forms can 'evolve' from simple forms is totally contradictory to the basics of genetic characteristics of the many existing life forms on this planet today. Man did not 'evolve' from simple life forms in the oceans. More advanced life forms do not exhibit more chromosomes. I give you a few examples of life forms we all know and the number of chromosomes they contain ; A

No ears to hear, but eyes to see?

fern 480, a goldfish 94, a sweet potato 90, a turkey 82, a dog 78, a horse 64, an amoeba 50, a chimp 48, a human 46, an opossum 22 and a honey bee 16 chromosomes. We also know that a horse and a donkey can reproduce, but the end-result a mule can not reproduce anymore. That's the alarm system God built in, so they reproduce 'after their kind', exactly like He says in the bible. The number of chromosomes is God's signature as The Designer to determine what He calls 'a kind'. Simple, isn't it? DNA did not evolve, it was designed! Moreover we are still struggling to find out what DNA is at all. We will never be able to construct anything alike out of nothing, NEVER! Yes, that 'genetically created' (read 'badly copied' here) sheep called 'Dolly' was a copy. But a bad copy, because it died at very young age. So probably something went wrong there. We even fail in the copying. Pathetic, isn't it?

You probably know by now, I like to crush the sacred cow of Carbon Dating, well, here we go again. A few 'eye-opening' examples of how silly and incorrect it is. Flawed wood freshly cut out of living trees has been dated 10.000 years old. Living mollusks, such as snails, were dated 2300 years. Moreover Carbon Dating falsely assumes a constant rate of decay (*B. Huber, Recording Gaseous Exchange Under Field Conditions in Physiology of Forest trees, ed. By K.V. Thimann, 1958 ; M. Keith and G. Anderson "Radio Carbon Dating; Fictitious results with Mollusk shells, "In science, 141, 1963, p. 634).*

Evolutionary theory mistakenly claims the oldest rocks and fossils are found in the deepest earth layers, a belief called 'uniformitarianism'. Sounds interesting, doesn't it? Uniformitarianism. Speak out this word to a child or most adults and they think you are from planet Mars. Can you pronounce it right the first time? I couldn't. Fossilised logs, called 'polystrate fossils', are often found in an upright position. Jutting through more than just one earth-layer. This would make one fossilised tree thousands of years old. Although the year-rings tell us otherwise. The trees obviously did not live this long. This provides evidence that rock layer dating is flawed. And last but not least, index fossils are used to date the rock layers, and rock layers are used to date the fossils. Now, isn't that called 'circular reasoning'? Is this called 'science'? Really?

Other evidence pointing to a young earth ;

- the Methusaleh Bristlecone pine tree, located in White Mountains, California, is the world's oldest known living tree at an age of 4.765 years.
- The Mississippi river dumps 300 million cubic yards of mud into the Gulf of Mexico annually. It has only been forming for about 4000 years (*A.W. Mehler, "Another Look at the Age and History of the Mississippi River"*)
- If the earth were billions of years old, mountains would have eroded flat in just 14 million years. Even the youngest mountain ranges should have eroded away over millions of years (*Stuart E. Nevins, M.S., Evolution: The ocean says no ! Impact no.8, Institute for Creation Research, 1973*) Continental drift wouldn't solve this problem.
- The erosion rate of the Niagara Falls in Canada is about 3.5 feet per year. The 7-mile gorge indicates an age of only a few thousand years.
- The oceans would be much saltier if the earth was billions of years old. Each year more than 200 million tons of salt are added to our oceans. The rate of all of the sodium (salt) output is far less than the input. (*Dr. Russell Humphreys, Ph.D., Evidence for a young world, Creation Science Foundation, March 1996*). At creation God could have created salty water for the saltwater creatures to live in. Taking the biblical flood scenario of 4400 years ago into account though, it is very difficult to say what the actual salt concentrations of the water would have been, when 'the fountains of the deep broke open' and which consequences the forming of ice caps (salt free water) would have had afterwards, but it sure is worth a closer look.
- Clams are found at the top of Mount Everest (29.035 ft presently), evidence that it must have been underwater at some point. This provides evidence of a catastrophic world wide flood. Every major mountain range on earth contains fossilised sea life far above sea level.
- A special fish called 'Coelacanth' is said to have lived before the dinosaurs and yet it was found alive off South Africa in 1938. Since then, hundreds of these fishes have been sighted and caught.
- Did the ice-age occur millions of years ago? Seafarers' maps like the Piri Reis maps, drawn in the 1500s, obviously derived from

No ears to hear, but eyes to see?

earlier maps. They very accurately depict the Antarctic area. Continent topography and boundaries with no ice-cap. How could ancient mariners have known of the landscape of Antarctica, if it was covered with ice? (*Charles H. Hapgood, Maps of the Ancient Sea Kings : Evidence of Advanced Civilisations in the Ice Age, Adventures Unlimited, Jan. 1997*).

- Stalactites grow at variable rates and do not take hundreds of thousands, nor millions of year to form. (*Steven A. Austin, Ph.D., Origin of Limestone Caves, Impact No.79, Institute for Creation Research, El Cajon, CA, 1980*).
- Rings in ice cores are not annual rings and have mistakenly been used to calculate an old age for the earth. In 1942 WW2 aircraft landed in Greenland and were abandoned. Retrieved in 1992, 263 feet under the surface. Proof that ice rings are not annual rings.
- The eruption of Mount St. Helens in 1980 created many large canyons in a very short amount of time. Very similar to the Grand Canyon formations.
- And there is much, much more,.....

As I promised earlier, there would be given overwhelming proof for the 100 % validity of the KJV Holy bible, being God's promised bible version of *Psalms 12 verse 6 and 7*. Here it is.

Why KJV Holy Bible only?

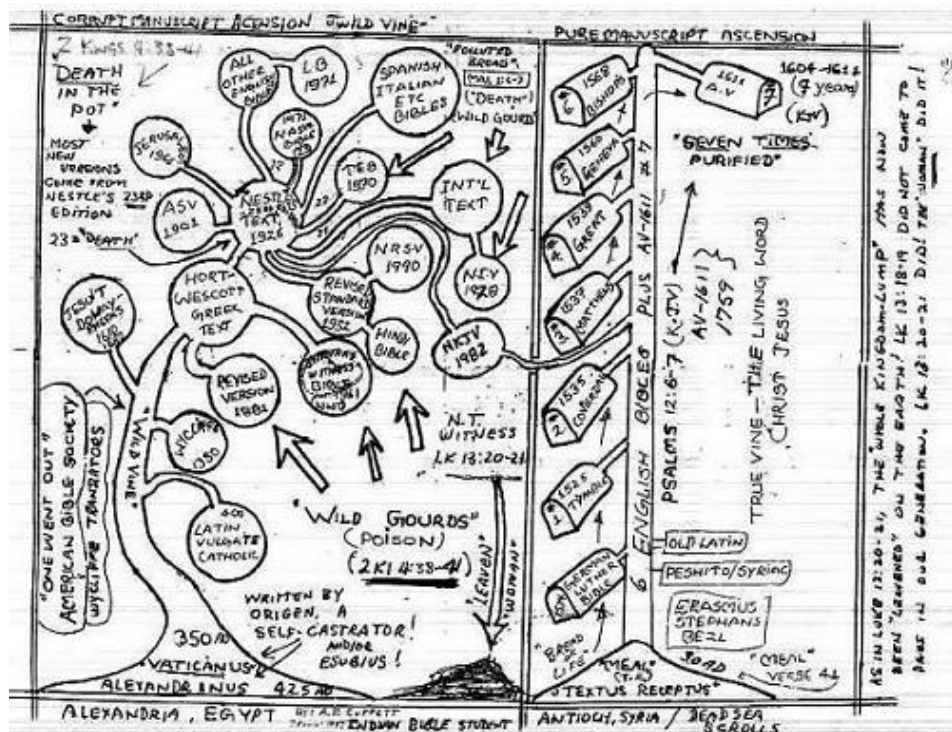

Let us therefore proceed to the story below by Jim Searcy. You all know this; but, will you have your pure minds now be stirred by way of REMEMBRANCE? You do KNOW we are in the end time. Apostasy is a characteristic of the end time. The falling away, or apostasy, is one of the two most profound EXPECTED signs to characterise this end time. That is the meaning of the word apostasy, falling away from truth. And when there is a falling away from truth, we know there is always confusion. Apostasy and confusion go together like fish and water. God is NOT the Author of confusion.

Joh 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the WORDS that I speak unto you, they are spirit, and they are life.

Joh 8:32 And ye shall know the truth, and the truth shall make you free.

Joh 17:17 Sanctify them through thy truth: thy WORD is truth.

Psa 119:140 Thy WORD is very pure: therefore thy servant loveth it.

That chart above is worth study. Where is your bible situated above, in the corrupt (wild vine) or pure section? Check out your bible on the verses below, any loopholes, throw it away today ;

Psa 12:6 The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times.

Psa 12:7 Thou shalt keep them, O LORD, thou shalt preserve them from this generation forever.

The proof that only The KJV could be that God promised PERFECT Holy Bible is found in the details concerning the translating of the KJV Holy Bible. If you do not know about the FRAUD of the Septuagint you may want to read and examine a shocking link, which exposes the Septuagint hoax and fraud. For more information see same link (LXX) on ; www.moresureword.com.

No ears to hear, but eyes to see?

The Authorised KJV Holy Bible, the King Jesus Version, which we can hold in our hands, gives every reason and proof that it is the More Sure Word of God. THERE IS NO CONTRARY EVIDENCE. We have the PROOF in the More Sure Word of the Scriptures of the promise of God to provide His people in the last days with that PERFECT seventh purification.

There is evidence in the More Sure Word to PROVE the translation is BETTER than the original language records. Let me give you three quick examples:

Joseph spoke to his brothers through an interpreter in Egyptian. The ONLY record of what Joseph said was originally recorded in Hebrew. The PERFECT record of what Joseph said in Egyptian, recorded in Hebrew, is in the KJV English. Paul spoke to the mob coming after him from the temple, under leave of the Roman Captain, in Hebrew. The ONLY record of what Paul said to the mob was originally written in Greek. The PERFECT record of what Paul said in Hebrew, recorded in Greek, is found in the KJV English. The Lord spoke to Paul when He knocked him off his horse on the way to Damascus, in Hebrew. The ONLY record of what the Lord said to Paul was originally recorded in Greek. The PERFECT record of what the Lord said to Paul in Hebrew, recorded in Greek, is found in the KJV English.

BELIEVERS, are to KNOW that they have the God promised PERFECT More Sure Word of God based upon God's Integrity.

Believers should rejoice to know we have the word of God that we have the word of God, as surely as they would rejoice to know they have the Spirit of Truth rather than a counterfeit deceiving religious spirit.

There really are few possibilities for those who claim to be believers, who use version perversion profane bibles. It is time that it be said with all holy boldness, that there is a problem of ignorance, deception, or vanity, that causes people who know and understand English, to use any bible other than the King Jesus Version, the Authorised Version, Holy Bible. The other possible problems are worse. When someone would presume to teach God's people even the excuse of ignorance, deception, or vanity, becomes unacceptable.

Yeshua, Jesus, the capital "P" Prophet of *Deut 18*, said it clearly to ALL TEACHERS of God's people:

Mat 13:17 *For verily I say unto you, That many prophets and righteous men have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.*

Luk 10:24 *For I tell you, that many prophets and kings have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.*

Joh 9:41 *Jesus said unto them, If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.*

With all holy boldness it needs NOW to be said to anyone who would presume to teach God's people ;

Rev 22:18-19 *For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.*

ALL scripture IS, present tense, according to the capital 'P' Prophet of **Deut 18**, and according to the Holy Spirit of the I AM, ALL scripture is given by inspiration of God. ALL scripture IS preserved by God and promised to be inerrant and infallible. EVERY WORD of God is very pure. It is not possible to get EVERY WORD, every pure word of God, from profane bibles. The Authorised Version, the King Jesus Version as I like to call it, IS the final and absolute authority for all matters of our faith and conduct.

BELIEVERS BELIEVE THAT.

Those who do not believe that, it would be wise to stop presuming to teach God's people today, for they shall receive the GREATER CONDENMNATION according to **James 3:1**.

Those who have not read the KJV, as the More Sure Word directs, EVERY WORD, precept upon precept, line upon line, in context, and in order, from **Gen 1:1 to Rev 22:21**, in that Authorised King Jesus Version Holy Bible, probably will not have the faith necessary to ENDURE sound doctrine, and endure to the end of this antichrist war on the saints. If you have not read the KJV Holy Bible in THAT way – START TODAY. Can

No ears to hear, but eyes to see?

you hear Him ask – Have ye not read the scriptures? He that hath an ear let him hear what the Spirit saith unto the churches.

Today it is simply IMPOSSIBLE to get EVERY word of God from any other English bible than the KJV Holy Bible. That is especially true of the so-called Hebrew roots, or Hebrew Name, or Aramaic bible perversions. Why? Because the Greek New Testament PERVERSION of Westcott and Hort are the Greek texts used to greater or lesser extents by ALL English bibles since the KJV. Most also use, to some extent, the fraudulent Septuagint, rather than the Masoretic texts in the Old Testament. That Greek NT Perversion by Westcott and Hort has **5,337 DELETIONS**. That is according to Dr. Scrivner, the only fundamentalist who stayed on the version perversion committee. Before he died, Dr. Scrivner broke the demonic secrecy oath of that committee; because, he felt he had to let the world know. That Revision committee had, by his count, 5,337 deletions in that perverted text which the version perversion committee produced. That Greek text is now used by ALL bibles since 1611, to greater or lesser extents. God only knows how many deletions and changes may be found in the differences between the Masorite Old Testament Hebrew texts and the fraudulent Septuagint, which in fact, is Origen's Hexapola.

Today there really are only two choices of bibles, the KJV Holy Bible, with EVERY word and the Spirit of Truth, OR the profane modern bibles, based on a perversion with something like 5,337 deletions in its New Testament Greek text base, and God only knows how many deletions in the Old Testament. When the Dead Sea scrolls were discovered it put 1000 years of light upon the archaeological evidence of the PERFECTION of the Scriptures, and God's PLENARY INSPIRATION AND PRESERVATION. The Dead Sea scrolls were 1000 years older than what was previously known. Aside from them being more difficult to read, **THERE WAS NO DIFFERENCE IN SUBSTANCE FROM THE WORDS OF THE KJV OLD TESTAMENT WHICH WE HAVE TODAY**. More comprehensive information can be found on www.moresureword.com regarding this subject.

Repentance and faith, that is where it all comes down to. Do we really understand what God is? What He has and wants to offer to ALL of us?

Jehoiada Nesnaj

What are we prepared to do or not do for that? Or does it not fit your present agenda? All the above implies some kind of 'way of life' that is worthy to qualify for that promise, that is made to us. And there is a way. But it is a narrow way. Just one way, called THE Way, also known as Jesus Christ, The Messiah and capital "P" Prophet. Get yourself a KJV before it is too late and everyone wants one.

7. Final message

The valuable significance of this discovery can not be denied anymore. The future will tell us in what extend attention will be paid in the divers global media and what reactions will be given from different sides of society, whether it be from religious or scientific origin. In this respect, these actually are interesting verses, that explain our today's situation, especially when it comes to the negligence regarding the existence of a Creator or Jesus Christ ;

2Ti 3:1 This know also, that in the last days perilous times shall come.

2Ti 3:2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

2Ti 3:3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

2Ti 3:4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;

2Ti 3:5 Having a form of godliness, but denying the power thereof: from such turn away.

2Ti 3:6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,

2Ti 3:7 Ever learning, and never able to come to the knowledge of the truth.

It is obvious, that only the KJV is the God promised Holy Bible, from ***Psalms* 12** verse **6** and **7**, existing on this planet today. The rest is occult, period! I would like to remember again in this respect, rat poison is 99% good food and 1% poison, but it kills the rat. And you probably know this one by heart by now. It is the truth.

Scientists today have more questions than answers. They don't even know as much about God's creation as one sand corn knows about its neighbouring corns on that stretched out 1000 mile beach. If you check out your Internet you will find many scientific sites containing most amazing discoveries and theories. And especially just speculations on many things. It is nothing but guessing and hypothetical theories how it all is connected together. We will never know it completely not even in a million years. Why? Because we never can create what our Creator created, namely this universe with everything in it! We were created in his image, yes. That does not mean we are as smart as our Creator.

Compare it with a picture of yourself. Can you consider that picture to be as smart as yourself too? No, it is and will always stay just an image on a piece of paper? Our God is outside linear time and known dimensions.

Searching the Internet objectively you will find out, that a lot of theories and suggested proof, sadly enough appear to be a hoax and fraud in many cases. But still they are presented today as truth although proven wrong a long time ago.

Consequently, if the basic rules of science were applied, scientists should have to adapt over and over their former supposedly correct theories, apparently they don't always do that, especially when 'Darwinism' is involved. I agree, that this process should always be inherent on practising any science. But it also proves, that the majority is not always right. It's an abomination watching many scientists at divers TV-channels, proclaiming their scientific fairy tales. "Billions or millions of years ago,....." Watch out when you hear this, because a fairy tale is coming. Our children are deceived in their fear for and faith in God The Almighty by such people teaching them these vain theories trying to prove, that God didn't do it. These people I recommend to read **Mat 18:6**, how God thinks about their behaviour specifically.

***Mat 18:6** But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.*

Everyone has the right to criticise me as a person. My approach may be not scientifically based, the way you would like it to be. But at least, I do admit, I don't have all the answers. But I know one who has ALL answers, do you? I also admit, that I even don't know, whether I will enter God's Kingdom. But I do know, that I don't want to end up in hell! Because it is real. So I give it a best try, to do what He expects me to do. I am not against science, I am simply for truth and against error. Moreover, I like to keep things simple.

Everyone can criticise this book and try to find inconsistencies in it, and get terribly mixed up and lost in some details, and probably there are a few 'manmade' mistakes, but the truth of the matter is, that this book is dedicated to this amazing discovery on the REAL biblical Mount Sinai and that can not be denied by anyone. Neither explained by the majority.

No ears to hear, but eyes to see?

I humbly call it God's signature and last call to repentance for all of us. WOW! Hallelujah Yeshua! What a mighty Lord we can serve!

Jesus said "a wicked generation is in need of a sign". Yes that is true, but aren't we a wicked generation indeed, especially today? What more proof do we need? Is 7x7 miles big enough for you, to reconsider your ways? As human beings in the sinful flesh, we can only try in all humbleness to understand what Jesus Christ has done for us, but we probably never will be able to understand that, with that little and stubborn brain of ours. Jesus' sacrifice at the cross is something that is superior to anything accomplished ever in this universe. Nothing compares with that! It makes these images look like a pimple.

As said above, the book of Revelation tells us not to add, delete or even change things to the Word itself, here they are again ;

Rev 22:18 *For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:*

Rev 22:19 *And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.*

Therefore, we should **never** claim to be bible correctors, especially when the Law is involved. God forbid! If I myself would have made any mistake or error in interpretation or observance of Scripture, I humbly ask The Lord to forgive me that mistake.

Luk 16:16 *The law and the prophets were until John: since that time the kingdom of God is preached, and every man presseth into it.*

Luk 16:17 *And it is easier for heaven and earth to pass, than one tittle of the law to fail.*

Maybe you did not like what you read or saw, or it did not fit in your present alternate 'way of life' or agenda. Well, to be honest, I did my job, my part is nearly finished here. It is up to you now, if you have ears to hear and or eyes to see and read. And I love you enough to confront you this way! You are the one that needs to make the decision yourself right now. And I hope you make the right choices. Time is running out and

making the right choices and priorities is very crucial NOW! The effects of every vision are at hand. And God's progressive judgement is happening before our eyes today! And never forget! He has the last move, no matter how smart, rich or inviolable you think you are.

Despite all chaos that Satan is causing, today Our Lord still is and always will be in control, that is a fact! Satan knows he is a defeated foe and is trying hard to maximise the messy mess, but still, God has the last move.

***1Pe 5:8** Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour*

In fact some 2000 years ago when Jesus died at that cross and said with a loud voice "It is finished", we were all bought and paid for. The ultimate and only logical sacrifice when His holy Blood anointed that Mercy Seat of the Ark of the Covenant. About 20 feet below his crucifixion site, through a crack in the rocks caused by an earthquake. Discovered and documented by Ron Wyatt.

***Joh 19:30** When Jesus therefore had received the vinegar, he said, **It is finished:** and he bowed his head, and gave up the ghost.*

***Mat 27:50** Jesus, when he had cried again with a loud voice, yielded up the ghost.*

Mat 27:51** And, behold, the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and **the rocks rent

***Mat 27:54** Now when the centurion, and they that were with him, watching Jesus, saw the earthquake, and those things that were done, they feared greatly, saying, Truly this was the Son of God.*

At the exact location where the Ark was put more than 600 years before, by Jeremiah, Jesus' blood went through a crack in the rocks unto the Mercy Seat of the Ark of The Covenant. Amen! The only logical fulfilment of everything! It is said, that people trying to enter that place, after Ron's discovery, all died of a *double* brain haemorrhage, except Ron Wyatt and some of his helpers. Ron even was requested and flown back into Jerusalem to get several of these dead people out. No one else dared to enter anymore. It must be said, that it would be wise to not mess with the Ark of the Covenant, and that applies to anyone!

No ears to hear, but eyes to see?

Today, everyone can be part of that victory over darkness and evil and become an heir of God's Kingdom, only possible through Jesus Christ. If we freely make that choice ourselves to be part of that great promise, which can bring us eternal life in His perfect new Kingdom, soon the be established. The only way is through Jesus. And isn't that what the ancient Egyptian pharaohs and many other cultures from the past and some still today, diligently were looking for? Eternal life. Were they crazy or what? Or could there be some truth in this? That knowledge and desire had to come from somewhere, right? The only question is, whether these cultures were on the right path to find what they were looking for? Apparently not. Death came into our world, because we messed up and lost that privilege by Adam and Eve.

Are your ears and or eyes set to the right frequency now? Get yourself a KJV based holy bible and start reading what your Creator has to tell you, in the way God tells you to do, precept upon precept line upon line, so you don't get lost in the wrong details and contexts. Avoid especially those who try to tell you otherwise. Some make it their lifetime job to discuss all the different interpretations and observations and literally get lost forever in the details. It is easy to get mixed up in so many details and try to proof something is wrong. A real challenge though, is to find out the truth on any subject. Isn't that especially the case when we talk about religious matters today? Satan wants you to go the way of deceit and delusion. The great deceiver and prince of the power of the air, of media like TV, Internet and radio.

Eph 2:2 *Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience*

Who is right, who is wrong? A never ending story of arguments against eachother, ultimately resulting in wars, massacres, famine and pestilence around the world. But we need UNITY IN The body of Christ, that is The only way we need to go. That needs to be our CHOICE and challenge today.

One of my favourite motto's today is; "Follow the evidence wherever it leads". You do not need any "guru" to understand the bible. Spending millions on charity in the wrong context will not save you or others either. The best help you can give to anyone is sharing THE REAL

Gospel of THE REAL Jesus Christ. That should be our highest priority today! Do something for The Lord according to His will! And Jesus is not the one giving you that Mercedes Benz, because you are such a Mr. Nice-guy. And be sure in your prayers you pray to the right God. The God of Abraham, Isaac and Jacob. Just include this in every prayer you do, to make sure, okay?

Mat 22:32 *I am the God of Abraham, and the God of Isaac, and the God of Jacob. God is not the God of the dead, but of the living.*

Evolutionists, who must essentially invoke miracles without God, have no other choice than to believe in chance events so improbable they undermine the statistical foundation on which modern science rests. In his book *Origins: A Skeptic's Guide to Creation of Life on Earth*, evolutionist and professor Robert Shapiro abandons all scepticism and lamely argues; "One escape hatch yet exists for spontaneous generation. Why need the event have been probable? We can just stare at the odds, shrug, and note with thanks how lucky we were... After all, improbable events occur all the time."

I say ; "thanks to whom?" I would guess that one escape hatch is closed now too mr. Shapiro. Anything else, like real proof, left here? Do you know what a heresy is? I do.

Last question ; "Do you want to know in context what God has to say in the New Testament books of Matthew and Romans about hypocrites and die-hard-evolutionists as well as self-idolatrous religious and unreligious leaders, -pastors, -bible correctors, Darwinist-schoolteachers, Darwinist-professors, alternative lifestyle promoting TV-show masters and ditto churches as well as all the other wicked individuals on this planet?"

Mat 15:9 *But in vain they do worship me, teaching for doctrines the commandments of men.*

Mat 15:10 *And he called the multitude, and said unto them, Hear, and understand:*

Mat 15:11 *Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man.*

Mat 15:12 *Then came his disciples, and said unto him, Knowest thou that the Pharisees were offended, after they heard this saying?*

Mat 15:13 *But he answered and said, Every plant, which my heavenly Father hath not planted, shall be rooted up.*

No ears to hear, but eyes to see?

Mat 15:14 *Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.*

Rom 1:18 *For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;*

Rom 1:19 *Because that which may be known of God is manifest in them; for God hath showed it unto them.*

Rom 1:20 *For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:*

Rom 1:21 *Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.*

Rom 1:22 *Professing themselves to be wise, they became fools,...*

Awesome wisdom here that hits the bone! Another prophecy coming true, hallelujah! That is today's world we live in. Because of that professing they have no ears to hear and even no eyes to see. Because of that, they are deaf and blind. The good news is, that it is their own choice to be or stay willingly ignorant on these matters. If anything divine does not fit any of their vain heresies, even wild horses won't drag them to the truth, that's a fact. They are today's Pharisees and Sadducees. The moment we arrived at the point where regular people *talk* to eachother and super duper people *interact* with eachother, we really got lost. This 'elite' establishment invented its own 'language' a normal human being is hardly able to understand. This 'hokus pokus' time is over now. That verse of **Rom 1:22** also explains perfectly today's scientific status of those involved in evolution heresies. And real Christians have the duty to love these people enough to expose them with their own vanity. But Jesus still has a stretched out hand for anyone of us, no matter what you have done wrong. Have a look at the front cover in full colour. **If** you repent all that, you can still grab for His stretched out hand. And walk according to His ways. It is good to help other people, but Jesus also tells us not to throw our pearls before the swine, when he says ;

Mat 7:6 *Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.*

Mat 7:7 *Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you*

Oh yes, He surely opened some doors here. Thank you Jesus! Thank you for everything!

Consulting hour of the hypocrites is over my dear friends. Only Jesus was sinless in the flesh and did never fail the righteousness test, because He is The Word whereas He could say, “because God said so” or “it is written”, whenever Satan attempted to deceive Him. Abraham, Isaac and Jacob were also proclaimed righteous by God. Because God put righteousness into their account. By Jesus sacrifice everyone on this planet has that same opportunity. But it is a matter of CHOICE, YOUR CHOICE!

Charles Darwin himself admitted in chapter 6 of his world famous book “*The Origin of Species*” ; I quote ; "To suppose that the eye, with all its inimitable contrivances, for adjusting the focus to different distances, for admitting different amounts of light, and for the correction of spherical and chromatic observation, could have been formed by natural selection seems, I confess, absurd in the highest degree."

Evolution refuter Dr. Menton said it right. “Whether examining the marvellous complexity of the human eye or something as seemingly simple as a human hair, we need to admit and seek to show the sovereign and awesome power of our Creator and contrast it with the total inadequacy of man in attempting to explain such things without Him.” This was essentially the lesson that God gave to Job in **Job 38-42.**” Let us then join Job in confessing:

Job 42:2 *‘I know that thou canst do every thing, and that no thought can be withholden from thee’*

That should be scary, but at the same time hopeful, to many today. I fear my living God, I hope you do so too. Only in the U.S.A there have been more than 45 million abortions in the years since the U.S.A Supreme Court legalised unrestricted abortion on January 22, 1973. That’s a few thousand babies a day! That is like tempting God Himself. Just look at the “womb”-part in the ultimate verse below. But for those involved, His hand is still stretched out too,.....if.....

No ears to hear, but eyes to see?

Isa 44:24-25 *Thus saith the LORD, thy redeemer, and he that formed thee from the womb, I am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself. That frustrated the tokens of the liars, and maketh diviners mad; that turneth wise men backward. And maketh their knowledge foolish.*

AMEN, what a mighty God we can serve.
